## Management's Statement

The Board of Directors and Management have today discussed and approved the annual report of Maersk Eastern Europe ApS for the financial year 1 January - 31 December 2023.

The unaudited annual report for 2023 of Maersk Eastern Europe ApS has been prepared in accordance with the Danish Financial Statements Act. The Board of Directors and Management consider the requirements for not being subject to statutory auditing of the annual report to be met.

In our opinion, the Financial Statements give a true and fair view of the financial position at 31 December 2023 of the Company and of the results of the Company operations for 2023.

In our opinion, the financial statements give a true and fair view of the Company's assets and liabilities, financial position at 31 December 2023 and of the results of the Company's operations for the financial year 1 January - 31 December 2023.

Furthermore, in our opinion, the Management's report includes a fair review of the development in the Company's operations and financial conditions, the results for the year and financial position.

We recommend that the annual report be approved at the Annual General Meeting.

## 7 Subsequent events

No events materially affecting the assessment of the Annual Report have occurred after the balance sheet date.

## Summary of Significant Accounting Policy

### **Basis of Preparation**

The annual report 2023 of Maersk Eastern Europe ApS has been prepared in accordance with the provisions of the Danish Financial Statements Act applicable for class B companies.

The accounting policies are unchanged compared to last year.

The Financial Statements for 2023 are presented in United States Dollars and rounded to the nearest thousand (TUSD).

### Recognition and measurement

Revenue is recognized in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortized cost are recognized. Moreover, all expenses incurred to achieve the earnings for the year are recognized in the income statement.

Assets are recognized in the balance sheet when it is probable that future economic benefits attributable to the asset will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognized in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

USD is used as the functional currency. All other currencies are regarded as foreign currencies.

### Translation policies

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Gains and losses arising due to differences between the transaction date rates and the rates at the dates of payment are recognized in financial income and expenses in the income statement. The exchange rate applied for DKK/USD at the beginning of the year was 6.7438 as against 6.9672 at the end of the year.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the transaction date rates are recognized in financial income and expenses in the income statement.

## Summary of Significant Accounting Policy

#### Income Statement

#### Revenue

Revenue is recognized in the income statement when delivery and transfer of risk to the buyer have been made before year-end.

### Other external expenses

Other external expenses comprise indirect production costs and expenses for premises, sales and distribution as well as office expenses, etc.

### Financial income and expenses

Financial income and expenses are recognized in the income statement at the amounts relating to the financial year.

### Tax on profit/loss for the year

Tax for the year consists of current tax for the year and changes in deferred tax for the year. The tax attributable to the profit for the year is recognized in the income statement, whereas the tax attributable to equity transactions is recognized directly in equity. The Company is jointly taxed with companies in the A.P. Møller Holding A/S Group. The tax effect of the joint taxation is allocated to enterprises in proportion to their taxable incomes.

#### **Balance Sheet**

#### Receivables

Receivables are measured in the balance sheet at the lower of amortized cost and net realizable value, which corresponds to nominal value less provisions for bad debts. Provisions for bad debts are determined based on an individual assessment of each receivable, and in respect of trade receivables, a general provision is also made based on the Company's experience from previous years.

#### Payables to group enterprises

Debts are measured at amortized cost, substantially corresponding to nominal value.

### Dividend

Dividend distribution whenever proposed by Management for the year is disclosed as a separate equity item.
