## **Management's Statement on the Annual Report**

The Executive and Supervisory Boards have today considered and adopted the Annual Report of International Nutrition Co. Ltd. A/S for the financial year ended 31 December 2021.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

## **Opinion of the Directors**

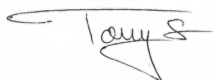

In our opinion, the Financial Statements give a true and fair view of the financial position as at 31 December 2021 of the Company and of the results of the Company operations for 2021.

In our opinion, Management's Review includes a true and fair account of the development in the operations and financial circumstances of the Company, of the results for the year and of the financial position of the Company as well as a description of the most significant risks and elements of uncertainty facing the Company.

We recommend that the Annual Report be adopted at the Annual General Meeting.

## **Independent auditors' report**

### **To the shareholder of International Nutrition Co. Ltd. A/S**

#### **Opinion**

We have audited the financial statements of International Nutrition Co. Ltd. A/S for the financial year 1 January – 31 December 2021, which comprise accounting policies, income statement, balance sheet, statement of changes in equity and notes. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2021 and of the results of the Company's operations for the financial year 1 January – 31 December 2021 in accordance with the Danish Financial Statements Act.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Independence**

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

#### **Management's responsibilities for the financial statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those

### Independent auditors' report

risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Statement on the Management's review

Management is responsible for the Management's review.

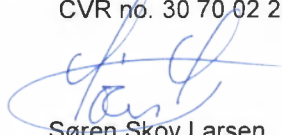

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

**Group Chart**

## **Management's Review**

### **Business Review**

The Company's principal activities in 2021 are to carry on the business of an investment and holding company as well as being the registered owner of Dumex trademark.

### **Financial Review**

The profit of the year is USD 7,809,898 compared to profit of USD 6,709,531 last year. The profit is satisfactory and meets management's expectations.

### **Development During the Year**

In the course of the year International Nutrition Co. Ltd A/S has received royalty income from Dumex group of USD 8,790,480.

### **Subsequent events**

There are no subsequent events (including the COVID-19 pandemic) which require adjustment to the accounting estimates and disclosures included in the financial report.

### **Targets and expectations for the year ahead**

The result for 2022 is expected to be at the same level as in 2021.

### **Special Risks**

There are no special risks to the company or the business model of the company.

## **Accounting Policies**

### **Basis of Preparation**

The Annual Report of International Nutrition Co. A/S for 2021 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to reporting class B entities and elective choice of certain provisions applying to reporting class C entities.

The accounting policies used in the preparation of the financial statements are unchanged from prior year.

The Annual Report for 2021 is presented in US dollars.

### **Financial Statements**

Pursuant to section 112(1) of the Danish Financial Statements Act, no consolidated financial statements have been prepared. The Annual Report of International Nutrition Ltd. A/S and its subsidiary are included in the Consolidated Financial Statements of the ultimate parent company Groupe Danone S.A.

### **General recognition and measurement criteria**

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the assets will flow to the company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable there will be an outflow of future economic benefits from the company, and the value of the liability can be measured reliably.

Upon initial recognition, assets and liabilities are measured at historical cost. Subsequently, assets and liabilities are measured as described for each item below.

### **Foreign currency translation**

For the purpose of initial recognition, transactions in foreign currencies are translated at the exchange rates at the transaction date. Gains and losses arising between the exchange rates at the transaction date and the exchange rates at the settlement date are recognised in "Financing expenses and income, net" in the income statement.

Receivables, payables and other monetary items in foreign currencies not settled at the balance sheet date are translated at the exchange rates at the balance sheet date.

Differences between the exchange rates at the balance sheet date and the exchange rates at the time of the occurrence of the receivable or the payable or of recognition in the latest financial statements are recognised in "Financing expenses and income, net" in the income statement.

# Accounting Policies

## INCOME STATEMENT

### Profit and Cost

All substantial profits and costs are accrued.

### Royalty

Royalty comprise royalty amounts from group companies in relation to trademarks.

### Administrative Expenses

Administrative expenses comprise expenses for management, administrative staff, office expenses, depreciation etc.

### Financing Expenses and Income

Financing expenses and income comprise interest receipts and costs, exchange gains and losses on debt and transactions in foreign currencies.

### Corporation Tax and Deferred Tax

For the income year 2021 the company was jointly taxed with Danish Danone Group enterprises. A contribution of 22% of the profit before tax has been set aside for joint taxation.

The tax for the year consists of current tax and movements in deferred tax for the year. The tax relating to the profit for the year is recognised in the income statement, whereas the tax directly relating to items recognised in equity is recognised directly in equity.

Deferred tax is measured under the liability method on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets, are measured at the value at which the asset is expected to be realised, either by utilisation against tax on future earnings or by offsetting against deferred tax liabilities within the same legal tax entity and jurisdiction.

Deferred tax is measured on the basis of the tax rules and tax rates enacted by the balance sheet date. Changes to deferred tax due to changed tax rates are recognised in the income statement.

## **Accounting Policies**

### **BALANCE SHEET**

#### **Intangible assets**

##### **Trademarks and Software**

Acquired trademarks and software are measured at cost less accumulated amortisation. Trademarks are amortised on a straight-line basis of 20 years, while software are amortised on a straight-line basis of 5 years.

##### **Write-down of intangible assets**

Intangible assets are written down to their recoverable amount where the recoverable amount is lower than the carrying amount.

##### **Investments in subsidiaries**

Investments in subsidiary is stated at cost less accumulated impairment losses in the Company's balance sheet. On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts of the investments is taken to the income statement.

Dividends received from investment in subsidiary is recognised in the income statement in the year where the dividends have been approved.

##### **Receivables**

Receivables are measured in the balance sheet at the lower of amortised cost and net realizable value. Provisions for bad debts are made if losses are expected.

As interpretation regarding impairment of financial receivables, the company has applied IAS 39.

##### **Shareholder's Equity**

###### **Dividends**

Dividends are recognised as a liability at the time of adoption at the Annual General Meeting. Dividends proposed for the year are shown as a separate equity item.

##### **Liabilities**

###### **Financial liabilities**

Other liabilities comprising trade payables, payables to subsidiaries undertakings and other liabilities are measured at amortised cost.
