Samsonite A/S
Annual report 2017
CVR no. 15 29 11 33

Statement by the Board of Directors and the Executive Board

The Board of Directors and the Executive Board have today discussed and approved the annual report of Samsonite A/S for the financial year 1 January – 31 December 2017.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's assets, liabilities and financial position at 31 December 2017 and of the results of the Company's operations for the financial year 1 January – 31 December 2017.

We recommend that the annual report be approved at the annual general meeting.

Copenhagen, 14 May 2018
Executive Board:

Patrick Julien Leon Baele

Board of Directors:

Arne Raymond P. Borrey
Chairman

Patrick Julien Leon Baele

Kyle F. Gendreau

Independent auditor's report

To the shareholder of Samsonite A/S

Opinion

We have audited the financial statements of Samsonite A/S for the financial year 1 January – 31 December 2017 comprising income statement, balance sheet and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's assets, liabilities and financial position at 31 December 2017 and of the results of the Company's operations for the financial year 1 January – 31 December 2017 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these rules and requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control that Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements in Denmark will always detect a material misstatement when it exists. Misstatements may arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also

- identify and assess the risks of material misstatement of the company financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

Independent auditor's report

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes

1 Accounting policies

The annual report of Samsonite A/S for 2017 has been prepared in accordance with the provisions applying to reporting class B entities under the Danish Financial Statements Act with opt-in from higher reporting classes.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

Income statement

Revenue

Revenue from sale of goods for resale is recognised in the income statement when delivery and transfer of risk to the buyer have taken place. Revenue is recognised excluding VAT and taxes and less discounts granted in relation to the sale.

Selling and distribution costs

Selling and distribution costs comprise costs incurred to distribute goods sold during the year and to conduct sales campaigns, etc., including costs relating to sales staff, advertising and exhibitions as well as depreciation.

Administrative expenses

Administrative expenses comprise expenses incurred during the year for management and administration of the Group, including expenses for administrative staff, Management, office premises, office expenses and depreciation.

Financial income and expenses

Financial income and expenses comprise interest income and expense and realised and unrealised exchange gains and losses on receivables and payables denominated in foreign currencies.

Balance sheet

Intangible assets

Acquired rights are measured at cost less accumulated amortisation and impairment losses. Acquired rights are amortised over the period of contract.

Goodwill is measured at cost less accumulated amortisation and impairment losses. Goodwill is amortised over a 10 year period.

Financial statements 1 January – 31 December

Notes

1 Accounting policies (continued)

Property, plant and equipment

Fixtures and fittings, tools and equipment are valued at cost less accumulated depreciation and impairment losses.

Depreciation is provided on a straight-line basis over the estimated useful life. The estimated useful lives are as follows:

Fixtures and fittings, tools and equipment	3 years
Leasehold improvements	5 years

Write-down is made to the recoverable amount if this is lower than the carrying amount.

The useful life and residual value are reassessed annually. Changes are treated as accounting estimates, and the effect on depreciation is recognised prospectively.

Depreciation is recognised in the income statement as Selling and distribution costs and administrative expenses, respectively.

Inventories

Inventories are valued at the lower of cost and net realisable value. Write-down is made for obsolescence, including slow-moving items.

Receivables

Receivables are measured at amortised cost. Provision is made for anticipated losses.

Prepayments and deferred income

Prepayments comprise costs paid relating to the subsequent financial year.

Cash and cash equivalents

Cash and cash equivalents comprise cash.

Equity

Proposed dividends are recognised as a liability at the date when they are adopted at the annual general meeting (declaration date). The expected dividend payment for the year is disclosed as a separate item under equity.

Dividends

The expected dividend payment for the year is disclosed as a separate item under equity.

Financial statements 1 January – 31 December

Notes

1 Accounting policies (continued)

Corporation tax and deferred tax

Current tax payable and receivable is recognised in the balance sheet as tax computed on the taxable income for the year, adjusted for tax on the taxable income of prior years and for tax paid on account.

Deferred tax is measured using the balance sheet liability method on all temporary differences between the carrying amount and the tax value of assets and liabilities.

Deferred tax assets are recognised at the expected value of their utilisation; either as a set-off against tax on future income or as a set-off against deferred tax liabilities in the same legal tax entity. Any deferred net assets are measured at net realisable value.

Deferred tax is measured in accordance with the tax rules and at the tax rates applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax.

Liabilities other than provisions

Payables are measured at amortised cost, corresponding to nominal value.

Foreign currency translation

Transactions denominated in foreign currencies are translated at the exchange rates at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and at the date of payment are recognised in the income statement as financial income or expenses.

Receivables, payables and other monetary items denominated in foreign currencies are translated at the exchange rates at the balance sheet date. The difference between the exchange rates at the balance sheet date and at the date at which the receivable or payable arose is recognised in the income statement as financial income or expenses.

Financial statements 1 January – 31 December
