## **Statement by management on the annual report**

The board of directors and the executive board have today discussed and approved the annual report of Ørsted Wind Power Holding A/S for the financial year 1 January - 31 December 2019.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the company's financial position at 31 December 2019 and of the results of the company's operations for the financial year 1 January - 31 December 2019.

In our opinion, management's review includes a fair review of the matters dealt with in the management's review.

Management recommends that the annual report should be approved at the annual general meeting.

Skærbæk, 26 June 2020

## Independent auditor's report

### *To the shareholder of Ørsted Wind Power Holding A/S*

#### **Opinion**

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2019 and of the results of the Company's operations for the financial year 1 January - 31 december 2019 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of Ørsted Wind Power Holding A/S for the financial year 1 January - 31 December 2019, which comprise a summary of significant accounting policies, income statement, balance sheet, statement of changes in equity and notes ("financial statements").

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Statement on Management's Review**

Management is responsible for Management's Review.

Our opinion on the financial statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial statements Act. We did not identify any material misstatement in Management's Review.

## Independent auditor's report

### Management's responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.

## Independent auditor's report

- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Solvency ratio	99,9%	99,7%	99,6%	99,4%	98,5%

The financial ratios are calculated in accordance with the Danish Finance Society's recommendations and key figures 2015. For definitions, see the summary of significant accounting policies..

## Management's review

### Business activities

The purpose of the company is to hold shares in subsidiaries.

### Business review

The company's income statement for the year ended 31 December shows a profit of TDKK 25.403.125 and the balance sheet at 31 December 2019 shows equity of TDKK 39.625.637.

### Net profit (loss) relation to expected development assumed in previous report

Financial performance for 2019 are significant higher than assumed last year, mainly because the company has received higher dividend from subsidiaries than expected. Net financial income is also significant higher than assumed, approximately DKK 100 million as interest expenses on cash pool is lower than last year and furthermore the company has received repayment on a loan previous written off.

### Financial review

Profit before taxes for 2020 is expected to be significantly lower as it is expected that the company will receive approximately DKK 5 billion less dividend from subsidiaries.

### Recognition and measurement uncertainties

The recognition and measurement of items in the financial statements is not subject to any uncertainty.

### Unusual matters

The company's financial position at 31 December 2019 and the results of its operations for the financial year ended 31 December 2019 are not affected by any unusual matters.

### Special risks apart from generally occurring risks in industry

There are no special risks apart from normal risks associated with the company's core activity.

### Environment

The company works with environmental management to continuously reduce its environmental impact through improved processes and procedures, set environmental priorities and targets, develop action plans as well as to ensure compliance with applicable laws and regulations.

### Statutory report on corporate social responsibility

In pursuance of Section 99a (6) of the Danish Financial Statements Act, the Company has omitted information on corporate social responsibility. Reference is made to the Annual Report ([orsted.com/en/Investors/Reports-and-presentations](https://orsted.com/en/Investors/Reports-and-presentations)) and sustainability report ([orsted.com/en/Sustainability](https://orsted.com/en/Sustainability)) 2019 of Ørsted A/S.

## Management's review

### **Policies on the underrepresented gender**

#### ***Description of target figures for the underrepresented gender***

##### *Target figures for the underrepresented gender*

Due to equal representation of men and women in the board of directors in accordance with the rules in Section 99b in the Danish Financial Statements Act, no targets for the share of the underrepresented gender have been set.

#### ***Description of policies for the underrepresented gender***

*Statement that the company is not required to publish policies on the underrepresented gender at other executive levels*

The company has no or less than 50 employees and is therefore not required to prepare policies on the underrepresented gender at other executive levels.

### **Subsequent events**

The consequence of COVID-19, where many governments have decided to 'close down countries' will have a significant impact on the world economy. Management has assessed the consequence of COVID-19 as a non-adjusting event but has decided to disclose assessment of impact.

On 30 January 2020, the International Health Regulations Emergency Committee of the world Health Organization declared the outbreak of coronavirus a 'Public Health Emergency of International Concern'. This event, in management's opinion, do not provide evidence of conditions that have direct impact on company's business operations, assets and liabilities.

## Accounting policies

The annual report of Ørsted Wind Power Holding A/S for 2019 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to large enterprises of reporting class C .

The accounting policies applied are consistent with those of last year.

The annual report for 2019 is presented in TDKK.

Pursuant to sections §112, of the Danish Financial Statements Act, the company has not prepared consolidated financial statements.

### Basis of recognition and measurement

Income is recognised in the income statement as earned, including value adjustments of financial assets and liabilities. All expenses, including amortisation, depreciation and impairment losses, are also recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the company and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the company and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. On subsequent recognition, assets and liabilities are measured as described below for each individual accounting item.

Certain financial assets and liabilities are measured at amortised cost using the effective interest method. Amortised cost is calculated as the historic cost less any installments and plus/less the accumulated amortisation of the difference between the cost and the nominal amount.

On recognition and measurement, allowance is made for predictable losses and risks which occur before the annual report is presented and which confirm or invalidate matters existing at the balance sheet date.

## Income statement

### Hedge accounting

Changes in the fair value of financial instruments that are designated and qualify as fair value hedges of recognised assets and liabilities are recognised in the income statement together with any changes in the fair value of the hedged asset or liability that can be attributed to the hedged risk.

## Accounting policies

Changes in the fair value of financial instruments that are designated and qualify as hedges of expected future transactions are recognised in equity under retained earnings as regards the effective portion of the hedge. The ineffective portion of the hedge is recognised in the income statement. If the hedged transaction results in an asset or a liability, amounts deferred under equity are transferred to the cost of the asset or liability. If the hedged transaction results in income or expenses, amounts deferred under equity are transferred to the income statement in the period in which the hedged transaction is recognised. The amount is recognised in the same item as the hedged transaction.

Changes in the fair value of financial instruments that are designated and qualify as hedges of net investments in independent foreign subsidiaries or associates are recognised directly in equity as regards the effective portion of the hedge, while the ineffective portion is recognised in the income statement.

### Other operating expenses

Other operating expenses comprise items of a secondary nature relative to the company's activities.

### Other external expenses

Other external expenses include expenses related to administration etc.

### Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year. Net financials include interest income and expenses, financial expenses relating to finance leases, realised and unrealised capital/exchange gains and losses on securities and foreign currency transactions and surcharges and allowances under the advance-payment-of-tax scheme, etc. Financial income and expenses also include realised and unrealised gains and losses relating to the hedging of currency risks that have not been entered into to hedge revenue, cost of sales or non-current assets.

### Profit/loss from investments in subsidiaries and associates

Dividend from investments is recognised in the reporting year in which the dividend is declared.

### Tax on profit/loss for the year

The company is subject to the Danish rules on compulsory joint taxation of the Ørsted Group's Danish subsidiaries. Subsidiaries participate in the joint taxation arrangement from the time when they are included in the consolidated financial statements and until the time when they withdraw from the consolidation.

## Accounting policies

On payment of joint taxation contributions, the current Danish income tax is allocated between the jointly taxed Danish entities in proportion to their taxable income. Danish entities with tax losses receive joint taxation contributions from the ultimate parent company (the management company), Ørsted A/S equivalent to the tax base of the tax losses utilised (full allocation), while Danish entities that utilise tax losses in other entities pay joint taxation contributions to the Ørsted A/S equivalent to the tax base of the utilised losses.

Tax for the year, which comprises the current tax charge for the year and changes in the deferred tax charge, is recognised in the income statement as regards the portion that relates to the profit/loss for the year and directly in equity as regards the portion that relates to entries directly in equity.

## Balance sheet

### Investments in subsidiaries and associates

Investment in subsidiaries and associates are measured at cost. If cost exceeds the recoverable amount, a write-down is made to this lower value.

Cost is written down to the extent that dividend distributed exceeds the accumulated earnings after the date of takeover.

Where the parent company has a legal or constructive obligation to cover the companies' negative balances or obligations, such obligation is recognised in liabilities.

### Receivables, fixed assets

Receivables, which include receivables from group entities and other receivables, are measured at amortised cost.

### Impairment of fixed assets

The carrying amount of investments in subsidiaries and associates is reviewed for impairment, other than what is reflected through normal amortisation and depreciation, on an annual basis.

Where there are indications of impairment, an impairment test is performed for each individual asset or group of assets, respectively. The carrying amount of impaired assets is reduced to the higher of the net selling price and the value in use (recoverable amount).

The value in use is determined as the present value of the anticipated net cash flows from the use of the asset or group of assets and the anticipated net cash flows from the disposal of the asset or group of assets after the end of their useful life.

### Receivables

Receivables, which include trade receivables, receivables from group entities and other receivables, are measured at amortised cost.

## Accounting policies

An impairment loss is recognised if there is objective evidence that a receivable or a group of receivables is impaired. If there is objective evidence that an individual receivable is impaired, an impairment loss for that individual asset is recognised.

### Equity

#### Dividends

Proposed dividends are disclosed as a separate item under equity. Dividends are recognised as a liability when declared by the annual general meeting of shareholders.

#### Provisions

Provisions are recognised when as a result of a past event the company's has a legal or constructive obligation and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Provisions, except for deferred taxes, are measured at fair value.

#### Income tax and deferred tax

Current tax liabilities and current tax receivables are recognised in the balance sheet as the estimated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and tax paid on account.

Deferred tax is measured according to the liability method in respect of temporary differences between the carrying amount of assets and liabilities and their tax base, calculated on the basis of the planned use of the asset and settlement of the liability, respectively.

Deferred tax assets, including the tax base of tax losses allowed for carry forward, are measured at the value to which the asset is expected to be realised, either as a set-off against tax on future income or as a set-off against deferred tax liabilities within the same legal tax entity. Any deferred net tax assets are measured at net realisable value.

Deferred tax is measured according to the tax rules and at the tax rates applicable in the respective countries at the balance sheet date when the deferred tax is expected to crystallise as current tax. Deferred tax adjustments resulting from changes in tax rates are recognised in the income statement, with the exception of items taken directly to equity.

#### Liabilities

Liabilities, which include trade payables, payables to group entities and other payables, are measured at amortised cost, which is usually equivalent to nominal value.

## Accounting policies

### Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and at the date of payment are recognised in the income statement as financial income or financial expenses. If foreign currency transactions are considered cash flow hedges, the value adjustments are taken directly to equity.

Receivables and payables and other monetary items denominated in foreign currencies are translated at the exchange rates at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the latest financial statements is recognised in the income statement as financial income or financial expenses.

Fixed assets acquired in foreign currencies are measured at the exchange rate at the transaction date.

### Cash flow statement

In pursuance of Section 86(4) of the Danish Financial Statements Act, the company has omitted preparing a cash flow statement as the company's cash flow is included in the consolidated cash flow statement of Ørsted.

### Financial highlights

Definitions of financial ratios.

<b>Carrying amount at 31 December 2019</b>	<b><u><u>20.254</u></u></b>

### 9 Receivables from group companies

The company's receivables from group companies includes TDKK 13.754.315 in a cash pool scheme with the ultimate parent company, Ørsted A/S (2018: TDKK 2.397.529)

### 10 Equity

The share capital consists of 1.800.000 shares of a nominal value of TDKK 1. No shares carry any special rights.

There have been no changes in the share capital during the last 5 years.

## Notes

	2019 TDKK	2018 TDKK
<b>11 Other provisions</b>		
Balance at beginning of year at 1 January 2019	53.499	57.859
Applied in the year	-25.022	-4.360
<b>Balance at 31 December 2019</b>	<b>28.477</b>	<b>53.499</b>
The expected due dates of other provisions are:		
Within one year	25.477	50.499
Between 1 and 5 years	3.000	3.000
	<b>28.477</b>	<b>53.499</b>

Other provisions comprise liabilities regarding environmental provision.

## 12 Subsequent events

The consequence of COVID-19, where many governments have decided to 'close down countries' will have a significant impact on the world economy. Management has assessed the consequence of COVID-19 as a non-adjusting event but has decided to disclose assessment of impact.

On 30 January 2020, the International Health Regulations Emergency Committee of the World Health Organization declared the outbreak of coronavirus a 'Public Health Emergency of International Concern'. This event, in management's opinion, do not provide evidence of conditions that have direct impact on company's business operations, assets and liabilities.

## 13 Contingent assets, liabilities and other financial obligations

### Liability in joint taxation

The group's danish companies are jointly and severally liable for tax on group jointly taxes income, etc. Reference is made to the annual report for Ørsted A/S, the administration company in relation to joint taxation. The group's danish companies are also jointly and severally liable for Danish withholding taxes on dividends, royalties and interests within the group of jointly taxed entities. Any subsequent corrections to income and withholding taxes may result in an increase in the entities' liability.

The group's danish entities have joint and several liability for joint VAT registration.
