Statement by Management on the annual report

The Board of Directors and the Executive Board have today considered and approved the annual report of Rohm and Haas Denmark Finance A/S for the financial year 01.01.2016 - 31.12.2016.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2016 and of the results of its operations for the financial year 01.01.2016 - 31.12.2016.

We believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

We recommend the annual report for adoption at the Annual General Meeting.

Independent auditor's report

To the shareholder of Rohm and Haas Denmark Finance A/S

Opinion

We have audited the financial statements of Rohm and Haas Denmark Finance A/S for the financial year 01.01.2016 - 31.12.2016, which comprise the income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2016 and of the results of its operations for the financial year 01.01.2016 - 31.12.2016 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's responsibilities for the audit of the financial statements section of this auditor's report. We are independent of the Entity in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Entity's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Independent auditor's report

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the management commentary

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required under the Danish Financial Statements Act.

Independent auditor's report

Based on the work we have performed, we conclude that the management commentary is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the management commentary.

Violation of legislation on financial reporting and similar

Parts of the accounting records for the Company are kept on file outside of the Danish Borders. They are kept on file with affiliated companies and can be obtained at short notice. The procedures used are in contravention of Danish legislation on the filling of accounting material in general.

Ratios

Return on equity (%)

Calculation formula

$$\frac{\text{Profit/loss for the year} \times 100}{\text{Average equity}}$$

Ratios

The entity's return on capital invested in the entity by the owners.

Equity ratio (%)

$$\frac{\text{Equity} \times 100}{\text{Total assets}}$$

The financial strength of the entity.

Management commentary

Primary activities

The activity of the Company is to sell and acquire, own, and hold shares and other ownership interests in other associated or affiliated entities etc. in Denmark and abroad, and to engage in financing activities.

Development in activities and finances

In 2016, the Company received dividend from its investments in group enterprises of a total of EUR 36.671K. The subsidiary Rohm and Haas India Investment ApS was merged into RH Denmark Finance in October 2016 using the pooling-of-interests method. RH Denmark Finance is the surviving entity. The Company has written down its investment in RH Singapore in 2016. The impairment loss amounts to EUR 218K. Furthermore the Entity decided to impair its investment in RH DK Korea FPD Holdings ApS, as RH DK Korea FPD Holdings ApS has signed an agreement in Q1-2017 to sell its investment. The value of the investment has been impaired in 2016 based on the expected sales value. The Company again had to book a provision to cover the negative equity in the subsidiary RH Argentina. It amounted to EUR 5.100K in 2016. In addition, the Company has booked an impairment loss of EUR 66,3m. as a correction to 2014. At yearend, the Company's short-term debt exceeds current assets. In the intervening period, Rohm and Haas Equity Corporation has issued a letter of support.

The result of the year is a loss of EUR 2.568K which is heavily impacted by the impairment costs. The result in 2015 was positively influenced by a large dividend income.

Uncertainty relating to recognition and measurement

Anticipated risks and losses that arise before the time of preparation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Unusual circumstances affecting recognition and measurement

There are no unusual circumstances affecting recognition and measurement.

Environmental performance

Sustainability is an important part of The Dow Chemical Company's culture. Description of the Company's sustainability policy is to be found in The Dow Chemical Company 2016 Annual report, "Protection of the environment". The Company also refers to The Dow Chemical Company's webpage for further information: <http://www.dow.com/en-us/science-and-sustainability>

Events after the balance sheet date

No events have occurred after the balance sheet date to this date which would influence the evaluation of this annual report.

Outlook 2017

It is expected that the Company will continue to operate as in previous years.

Notes

8. Provisions for investments in group enterprises

Provision for investments in group enterprises relates to an obligation to reestablish the negative equity in a subsidiary.

9. Long-term deferred income

Long-term deferred comprise income comprise deferred royalty income.

10. Contingent liabilities

The Company participates in a Danish joint taxation arrangement, in which Dow AgroSciences Danmark A/S serves as the administration company. According to the joint taxation provisions of the Danish Corporation Tax Act, the Company is therefore liable from the financial year 2013 for income taxes etc for the jointly taxed companies and from 1 July 2012 also for obligations, if any, relating to the withholding of tax on interest, royalties and dividend for the jointly taxed companies. The jointly taxed companies' total known net liability in the joint taxation arrangement is stated in the financial statements of the administration company.

The company has issued a letter of support to a number of subsidiaries, where the company in the period of 01.01.2017 – 31.12.2017 commites to supply liquidity on demand so that the subsidiaries can fulfill their obligations. The assurance is irrevocable.

11. Mortgages and securities

At 31 December 2016, the Company has no assets charged, and no contingent liabilities are incumbent on the Company.

12. Related parties with controlling interest

The Company is a wholly owned subsidiary of Rohm and Haas Denmark A/S, Kgs. Lyngby, Denmark, the ultimate parent is The Dow Chemical Company.

Accounting policies

Reporting class

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class C enterprises (medium).

The annual report is presented in EUR.

Under the new Danish Financial Statements Act, the Entity is classified as a reporting class C medium enterprise as opposed to previously a reporting class B enterprise. This change in reporting class has had no bearing on recognition and measurement, but has resulted in additional requirements for notes.

In 2016, Rohm and Haas Denmark Finance A/S merged with RH India Investment ApS, with Rohm and Haas Denmark Finance A/S as the surviving company. For accounting purposes, the merger was accounted for under the pooling-of-interests method, and the comparative figures have been adjusted as if the entities had always been a combined unit. The merger has affected equity negative at 01.01.2015 by EUR 0.7m.

In 2016, the Entity corrected the following prior year errors:

Written down investments in group entities by EUR 66.3m.

The Company has by mistake not impaired investments in group enterprises in 2014. The impairment has been made in the 2016 financial statement as an adjustment to opening equity at 01.01.2015 by EUR 66.3m.

Consolidated financial statements

Pursuant to section 112(2) of the Danish Financial Statements Act, no consolidated financial statements have been prepared. The Company's annual report for 2016 is included in the consolidated financial statements of The Dow Chemical Company, Michigan, USA.

Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

Accounting policies

Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange differences that arise between the rate at the transaction date and the one in effect at the payment date, or the rate at the balance sheet date are recognised in the income statement as financial income or financial expenses. Investments in group enterprises and other non-monetary assets that have been purchased in foreign currencies are translated using historical rates.

Income statement

Revenue

Revenue from the sale of services is recognised in the income statement when delivery is made to the buyer. Revenue is recognised net of VAT, duties and sales discounts and is measured at fair value of the consideration fixed.

Other operating income

Other operating income comprises income of a secondary nature as viewed in relation to the Entity's primary activities, including rental income and gains from the sale of intangible assets and property, plant and equipment.

Other external expenses

Other external expenses include expenses relating to the Entity's ordinary activities, such as administrative expenses.

Depreciation, amortisation and impairment losses

Amortisation and impairment losses relating to intangible assets comprise amortisation and impairment losses for the financial year, calculated on the basis of the residual values and useful lives of the individual assets and impairment testing as well as gains and losses from the sale of intangible assets.

Other operating expenses

Other operating expenses comprise expenses of a secondary nature as viewed in relation to the Entity's primary activities.

Income from investments in group enterprises

Income from investments in group enterprises comprises dividend etc received from the individual group enterprises in the financial year, and impairment losses on investment in group enterprises.

Other financial income from group enterprises

Other financial income from group enterprises comprises interest income on receivables from group enterprises, and gains/losses from sale of group enterprises.

Other financial income

Other financial income comprises interest income, including interest income on receivables, net capital gains on receivables and payables and transactions in foreign currencies.

Accounting policies

Other financial expenses

Other financial expenses comprise interest expenses, including interest expenses on payables to group enterprises, net capital losses on receivables and payables and transactions in foreign currencies.

Tax on profit/loss for the year

Tax for the year consists of current tax for the year and deferred tax for the year. Tax attributable to profit for the year is recognised in the income statement, whereas tax attributed to equity entries is recognised directly under equity.

Current tax liabilities and current tax assets are recognised as receivables in the balance sheet in the event of overpayment of tax on account, and as liabilities in the event of underpayment of tax on account.

Deferred tax is recognised on all temporary differences between the carrying amount and tax-based value of assets and liabilities, for which the tax-based value of the asset is calculated based on the planned use of each asset.

Deferred tax assets, including the tax base of tax loss carryforwards, are recognised in the balance sheet at their estimated realisable value, either as a set-off against deferred tax liabilities or as net tax assets.

The Entity is jointly taxed with the Danish affiliated entities. Income tax concerning the jointly taxed entities is distributed proportionally between profit and loss making entities according to their taxable income (full allocation with a refund concerning tax losses).

Balance sheet

Intellectual property rights etc

Intellectual property rights etc comprise acquired intellectual property rights.

Intellectual property rights acquired are measured at cost less accumulated amortisation. Patents are amortised over their remaining duration, and licences are amortised over the term of the agreement, but over no more than 20 years.

Intellectual property rights etc are written down to the lower of recoverable amount and carrying amount.

Investments in group enterprises

Investments in group enterprises are measured at cost. Where cost exceeds the net realisable value, the investments are written down to this lower value.

Dividends are recognised in the income statement under "Income from investment in group enterprises" when declared.

If group enterprises make extraordinary large payments of dividends that resemble repayments of the invested capital, the recognised value is written down by an amount corresponding to this extraordinary payment of dividends.

Accounting policies

Receivables

Receivables are measured at amortised cost, usually equalling nominal value less write-downs for bad and doubtful debts.

Income tax payable or receivable

Current tax payable or receivable is recognised in the balance sheet, stated as tax calculated on this year's taxable income, adjusted for prepaid tax.

Other provisions

Other provisions are recognised and measured as the best estimate of the expenses required to settle the liabilities at the balance sheet date. Provisions that are estimated to mature more than one year after the balance sheet date are measured at their discounted value.

Other financial liabilities

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.

Deferred income

Deferred income comprises received income for recognition in subsequent financial years. Deferred income is measured at cost.

Cash flow statement

Pursuant to section 86(4) of the Danish Financial Statements Act, no cash flow statement has been prepared. The cash flow statement of Rohm and Haas Denmark Finance A/S and group enterprises is included in the annual report of The Dow Chemical Company, Michigan, USA (Ultimate Parent Company).
