Independent Auditor's Report

To the shareholders of Maersk Product Tankers A/S

Report on the Financial Statements

We have audited the Financial Statements of Maersk Product Tankers A/S for the financial year January 1 – December 31 2015, which comprise summary of significant accounting policies, income statement, statement of financial position and notes. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Financial Statements based on our audit. We conducted our audit in accordance with International Standards on Auditing and additional requirements under Danish audit regulation. This requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the Financial Statements are free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Management, as well as evaluating the overall presentation of the Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The audit has not resulted in any qualification.

Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at December 31 2015 and of the results of the Company operations for the financial year January 1 - December 31 2015 in accordance with the Danish Financial Statements Act.

Accounting policies

The Annual Report for Maersk Product Tankers A/S for the financial year January 1 - December 31 2015 has been presented in accordance with the provisions of the Danish Financial Statements Act regarding class B companies.

The accounting policies are unchanged compared to last year.

Recognition and measurement

Income is recognised in the income statement as earned. All expenses are recognised in the income statement. Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the Company and when the value of the asset can be measured reliably. Liabilities are recognised in the balance sheet when it is probable that the future economic benefits will flow out of the Company and when the measurement of the value of the liability is reliable. On initial recognition, assets and liabilities are recognised at cost. Subsequently, assets and liabilities are measured as described below for each item.

Foreign Currency Translation

Transactions in currencies other than the functional currency are translated to the exchange rate on the date of transaction. Monetary items in foreign currency not settled by the balance sheet date are translated to the exchange rate on the balance sheet date. Foreign exchange gains and losses are included in the income statement as financial income and expenses.

On December 31 2015, the exchange rate was DKK/USD 683.00 (December 31 2014: DKK/USD 612.14).

Income statement

Other external expenses

Other external expenses comprise expenses for administration etc.

Net financials

Financial income and financial expenses are recognised in the income statement with the amounts related to the financial year. Financial income and financial expenses include interest receivable and payable and exchange gains and losses on transactions denominated in foreign currencies etc.

Tax on results for the year

Tax on profit for the year includes the amount expected to be paid for the year plus adjustment concerning previous years and deferred tax.

The statement of financial position

Receivables

Receivables are measured at amortized cost. Provision is made for bad debts.

Liabilities other than provisions

Financial liabilities include trade payables, payables to affiliated companies and other payables are recognized initially at cost equal to the proceeds received, net of transaction costs incurred. In subsequent periods, the financial liabilities at amortized cost.
