## STATEMENT BY BOARD OF EXECUTIVES

Today the Board of Executives have discussed and approved the Annual Report of DK Resi Propco Fælledvej ApS for the financial year 1 January - 31 December 2018.

The Annual Report is presented in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the Company's financial position at 31 December 2018 and of the results of the Company's operations for the financial year 1 January - 31 December 2018.

The Management's Review includes in our opinion a fair presentation of the matters dealt with in the Review.

The board of executives remain of the opinion that the conditions for opting out of audit have been fulfilled.

We recommend the Annual Report be approved at the Annual General Meeting.

Copenhagen, 20 May 2019

## ENGAGEMENT TO COMPILE FINANCIAL INFORMATION

### To the Shareholder of DK Resi Propco Fælledvej ApS

We have compiled the Financial Statements of DK Resi Propco Fælledvej ApS for the financial year 1 January - 31 December 2018 based on the Company's accounting records and other information provided by Management.

The Financial Statements comprise a summary of income statement, balance sheet, notes and significant accounting policies.

We performed this compilation engagement in accordance with the International Standard, Compilation Engagements.

We have applied our professional expertise to assist Management in the preparation and presentation of the Financial Statements in accordance with the Danish Financial Statements Act. We have complied with relevant provisions of the Danish Accountants Act and FSR - Danish auditors' Ethical rules applying to auditors, including principles of integrity, objectivity, professional competence and due care.

The Financial Statements and the accuracy and completeness of the information used to compile the Financial Statements are Management's responsibility.

Since an engagement to compile financial information is not an assurance engagement, we are not required to verify the accuracy or completeness of the information provided by Management to us to compile the Financial Statements. Accordingly, we do not express an audit opinion or a review conclusion on whether the Financial Statements are prepared in accordance with the Danish Financial Statements Act.

The company is included in the consolidated financial statements of DK Resi Holdco I ApS, c/o 360 North Property Management ApS, Göteborg Plads 1, 9., 2150 Nordhavn.	

## ACCOUNTING POLICIES

The Annual Report of DK Resi Propco Fælledvej ApS for 2018 has been presented in accordance with the provisions of the Danish Financial Statements Act for enterprises in reporting class B and certain provisions applying to reporting class C.

The Annual Report is prepared consistently with the accounting principles applied last year.

### **Non-comparability**

Last year's financial year ran from the period 01.07.2016 to 31.12.2017, this year runs from the period 01.01.2018 to 31.12.2018, and the comparative figures are therefore not directly comparable.

## INCOME STATEMENT

### **Gross profit or loss**

Gross Profit or loss comprises revenue and external expenses.

### **Net revenue**

Rental income and expenses have been accrued to cover the period up to the end of the financial year. Payments charged to cover heating are not included in rental income.

### **Other external expenses**

Other external expenses include cost of sales, advertising, administration, buildings, bad debts, operating lease expenses, etc.

### **Financial income and expenses**

Financial income and expenses include interest income and expenses, debt and transactions in foreign currencies, amortisation of financial assets and liabilities as well as charges and allowances under the tax-on-account scheme etc. Financial income and expenses are recognised in the income statement by the amounts that relate to the financial year.

### **Tax**

The tax for the year, which consists of the current tax for the year and changes in deferred tax, is recognised in the income statement by the portion that may be attributed to the profit for the year, and is recognised directly in the equity by the portion that may be attributed to entries directly to the equity.

## BALANCE SHEET

### **Tangible fixed assets**

Land and buildings are measured at cost less accumulated depreciation and impairment losses. Land is not depreciated.

The depreciation base is cost less estimated residual value after end of useful life.

The cost includes the acquisition price and costs incurred directly in connection with the acquisition until the time when the asset is ready to be used.

Straight-line depreciation is provided on the basis of an assessment of the expected useful lives of the assets and their residual value:

	Useful life	Residual value
Buildings.....	50 years	25 %

## ACCOUNTING POLICIES

Estimated useful lives and residual values are reassessed annually.

Profit or loss on disposal of tangible fixed assets is stated as the difference between the sales price less selling costs and the carrying amount at the time of sale. Profit or loss is recognised in the income statement as other operating income or other operating expenses.

### **Impairment of fixed assets**

The carrying amount of tangible assets are valued on an annual basis for indications of impairment other than that reflected by amortisation and depreciation.

In the event of impairment indications, an impairment test is made for each asset or group of assets, respectively. If the net realisable value is lower than the carrying amount, the assets are written down to the lower value.

The recoverable amount is calculated at the higher of net selling price and capital value. The capital value is determined as the fair value of the expected net cash flows from the use of the asset or group of assets and the expected net cash flows from sale of the asset or group of assets after the end of its useful life.

### **Receivables**

Receivables are measured at amortised cost which usually corresponds to nominal value. The value is reduced by impairment losses to meet expected losses.

### **Accruals, assets**

Accruals recognised as assets include costs incurred relating to the subsequent financial year.

### **Cash and cash equivalents**

Cash comprises bank deposits.

### **Tax payable and deferred tax**

Current tax liabilities and receivable current tax are recognised in the balance sheet as the calculated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and taxes paid on account.

The company is subject to joint taxation with Danish group companies. The current corporation tax is distributed among the joint taxable companies in proportion to their taxable income and with full allocation and refund related to tax losses. The joint taxable companies are included in tax-on-account scheme. Joint taxation contributions receivable and payable are recognised in the balance sheet under current assets and liabilities, respectively.

Deferred tax is measured on the temporary differences between the carrying amount and the tax value of assets and liabilities.

Deferred tax assets, including the tax value of tax loss carry-forwards, are measured at the expected realisable value of the asset, either by set-off against tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity.

Deferred tax is measured on the basis of the tax rules and tax rates that under the legislation in force on the balance sheet date will be applicable when the deferred tax is expected to crystallise as current tax. Any changes in the deferred tax resulting from changes in tax rates, are recognised in the income statement, except from items recognised directly in equity.

### **Liabilities**

Amortised cost of current liabilities usually corresponds to nominal value.
