## **Statement by Management on the annual report**

Management has today considered and approved the annual report of P/S Sunstone Biomedicinsk Venture III in liquidation for the financial year 01.01.2017 - 31.12.2017.

The annual report is presented in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the Fund's financial position at 31.12.2017 and of the results of its operations for the financial year 01.01.2017 - 31.12.2017.

I believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

I recommend the annual report for adoption at the Annual General Meeting.

Copenhagen, 23.01.2018

### **Executive Board**

Merete Lundbye Møller  
liquidator

## Independent auditor's report

### **To the General Partner and shareholders of P/S Sunstone Biomedicinsk Venture III in liquidation Opinion**

We have audited the financial statements of P/S Sunstone Biomedicinsk Venture III in liquidation for the financial year 01.01.2017 - 31.12.2017, which comprise the income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial statements Act.

In our opinion, the financial statements give a true and fair view of the Fund's financial position at 31.12.2017 and of the results of its operations and cash flows for the financial year 01.01.2017 - 31.12.2017 in accordance with the Danish Financial statements Act.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's responsibilities for the audit of the financial statements section of this auditor's report. We are independent of the Fund in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Management's responsibilities for the financial statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

## Independent auditor's report

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Statement on the management commentary**

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required under the Danish Financial statements Act.

## Independent auditor's report

Based on the work we have performed, we conclude that the management commentary is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial statements Act. We did not identify any material misstatement of the management commentary.

## Management commentary

### Primary activities

P/S Sunstone Biomedicinsk Venture III invests in unlisted commercial enterprises, mainly in Northern Europe, that use biotechnology in connection with the development of new pharmaceutical products and treatments. Biotechnology is defined as the use of modern biotechnological methods and knowledge about biotechnological systems for development of drugs and treatment methods. The objective is to invest in companies that can later be sold or listed on a stock exchange.

A team of five investment professionals in Denmark is responsible for the investment management.

### Development in activities and finances

The Fund was established 15 January 2001. The Fund's administration was taken over by Sunstone Capital A/S on 1 January 2010.

The Fund was taken under voluntary liquidation with effect from 15 July 2016. The liquidation is expected to be completed by July 2020, and since the liquidation is expected to take a longer period, the financial statements have been prepared on a going-concern basis.

The result for the year showed a gain of DKK 957k influenced by realised and unrealised net gain on investments of DKK 1,395k.

### Development in selected portfolio companies:

F2G Ltd: Located in Manchester, UK, is a drug development company focused on the development of novel agents to treat serious fungal diseases. The current study is awaiting data during 2018.

### Uncertainty relating to recognition and measurement

When preparing the annual report, the General Partner, in accordance with legislative provisions, makes accounting judgments and estimates, which form the basis of the annual report. The accounting judgments and estimates made by the General Partner are described in the paragraph "Management's significant accounting judgments and estimates" under accounting policies to which we refer. Such estimates are made on the basis of assumptions, which the General Partner considers reasonable and realistic, but which are uncertain by nature.

### Unusual circumstances affecting recognition and measurement

Except for the fair value adjustment on investments, the annual report is not influenced by unusual circumstances.

### Events after the balance sheet date

No events have occurred after the balance sheet date to this date, which would influence the evaluation of this annual report.

## Statement of changes in equity for 2017

	<b>Contributed capital DKK'000</b>	<b>Retained earnings DKK'000</b>	<b>Total DKK'000</b>
Equity beginning of year	10.003	14.874	24.877
Ordinary dividend paid	0	(3.420)	(3.420)
Profit/loss for the year	0	957	957
<b>Equity end of year</b>	<b>10.003</b>	<b>12.411</b>	<b>22.414</b>

The stated contributed capital represents the limited partners' total equity contributions.

Ordinary dividend comprises of distributions of proceeds from realised investments distributed to the limited partners.

## Notes

### **1. Other external expenses**

The Fund had no employees during the financial year. All administrative work is performed by Sunstone LSV Management A/S. No salary or remuneration has been paid to the general partner, apart from fees in connection with investment activities.

### **2. Other receivables**

Other receivables represents receivables from sale of investments.

### **3. Contingent liabilities**

At the balance sheet date, the Fund has no obligations to make further investments in portfolio companies or otherwise assumed any other obligations towards the portfolio companies.

### **4. Related parties with controlling interest**

The General Partner is Sunstone LSV General Partner BI ApS, Copenhagen.

## Accounting policies

### Reporting class

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B.

The accounting policies applied for this annual report are consistent with those applied last year.

The description of accounting policies reflects the Fund's special activity as venture fund.

The annual report is presented in DKK 1,000

### Income tax

The annual report does not include current or deferred tax due to the corporate form.

### Material uncertainty related to recognition and measurement

When preparing the Fund's annual report, Management makes accounting judgments and estimates, which form the basis of the presentation, recognition and measurement of the Fund's assets and liabilities. In particular, the accounting judgments and estimates made by Management relate to the Fund's other receivables, which, among other things, include receivables from sale of investments. In some cases the receivables include the value for potential payments which will be triggered if certain milestones are met. When measuring the fair value of such receivables, the Management assesses in particular the possibility of achieving the milestones.

### Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Fund, and the value of the assets can be measured reliably.

Liabilities are recognised in the balance sheet when the Fund has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Fund, and the value of the liabilities can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

### Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date.

## Accounting policies

Exchange differences that arise between the rate at the transaction date and the one in effect at the payment date or the rate at the balance sheet date are recognised in the income statement as financial income or financial expenses. Exchange rate adjustments relating to investments in portfolio companies are recognised in the income statement together with fair value adjustments concerning the investments.

### **Income statement**

#### **Other external expenses**

Other external expenses include administration costs and investment costs.

#### **Income from other fixed asset investments**

Income from other fixed asset investments comprises realised gains/losses from divestments as well as unrealised value adjustments from revaluation and write-down of investments in portfolio companies.

#### **Other financial expenses**

Other financial expenses comprise interest expenses, realised and unrealised capital losses on transactions in foreign currencies which do not relate to exchange adjustments of investments in portfolio companies.

### **Balance sheet**

#### **Receivables**

Receivables are measured at amortised cost, usually equalling nominal value less write-downs for bad and doubtful debts.

#### **Cash**

Cash comprises bank deposits.

#### **Other financial liabilities**

Other financial liabilities which comprise other payables are measured at amortised cost.
