# Statement by Management

The Executive Board and Supervisory Board have today considered and adopted the Annual Report of Lovefilm Danmark A/S for the financial year ending 31 December 2019.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position at 31 December 2019 of the Company and of the results of the Company's operations for 2019.

The financial statements have not been audited. Management declares that the criteria for omission of audit are met.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Management considers the conditions for opting out of audit to be met.

# Management's Review

The Company has remained dormant during the year ending on 31 December 2019.

# Accounting Policies

The annual report has been prepared in accordance with the regulation applying to Reporting class B.

## 1. General

The financial statements of Lovefilm Danmark A/S (hereafter referred to as the 'Company') have been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B.

The financial statements are presented in Danish Kroner (DKK).

The ultimate parent company is Amazon.com, Inc., registered at 410 Terry Avenue North Seattle, Washington 98109- 5210, United States of America. The consolidated financials are available at the ultimate parent company's office located in the United States.

### 1.1 Activities

The Company has remained dormant in the year.

### 1.2 Going concern

The accounting principles applied are based on the assumption that the Company will continue as a going concern.

## 2. Accounting policies

The accounting policies have been consistently applied to all the years presented.

### 2.1 Recognition and measurement

The financial statements have been prepared under the historical cost method.

Revenues are recognized in the income statement as earned.

All expenses for the year are recognized in the income statement, including depreciation, amortization, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognized in the income statement.

Assets are recognized in the balance sheet when it is probable that future economic benefits attributable to the assets will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognized in the balance sheet when it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Danish kroner are used as the measurement currency. All other currencies are regarded as foreign currencies.

## **2.2 Translation policies**

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Gains and losses arising due to differences between the transaction date rates and the rates at the dates of payment are recognized as financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the transaction date rates are recognized in financial income and expenses in the income statement.

## **2.3 Gross profit (loss)**

With reference to section 32 of the Danish Financial Statements Act, gross profit (loss) comprises revenue , other external expenses and other financial expenses.

## **2.4 Other external expenses**

Other external expenses are related to the operations of the Company.

## **2.5 Other finance expenses**

Other finance expenses comprise of bank charges.

## **2.6 Income taxes**

Income taxes have been provided for using an asset and liability based approach.

Deferred income tax balances reflect the effects of temporary differences between the carrying amounts of asset and liabilities and their tax bases and are stated at enacted or substantially enacted tax rates expected to be in effect when taxes are actually paid or recovered.

Deferred tax assets are recognized only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

In its capacity as a group company, the company is jointly taxed with other Danish group entities and is jointly and severally liable with the other jointly taxed entities for the payment of income taxes and withholding taxes on dividends, interest, and royalties falling due for payment after the joint taxation became effective.
