Independent auditor's extended review report

To the shareholders of L.C.O. PROPERTIES ApS

Conclusion

Based on our extended review, in our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2023 and of the results of its operations for the financial year 01.01.2023 - 31.12.2023 in accordance with the Danish Financial Statements Act.

Basis for conclusion

We have performed an extended review of the financial statements of L.C.O. Properties ApS for the financial year 01.01.2023 - 31.12.2023. The financial statements, which comprise the accounting policies, income statements, balance sheet, statements of changes in equity and notes, are prepared in accordance with the Danish Financial Statements Act.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the extended review of the financial statements

Our responsibility is to express an opinion on the financial statements. We conducted our extended review in accordance with the assurance engagement standard for small enterprises as issued by the Danish Business Authority and the standard on extended review of financial statements prepared in accordance with the Danish Financial Statements Act as issued by FSR - Danish Auditors.

This requires that we comply with the Danish Public Accountants Act and FSR - Danish Auditors' Code of Conduct and plan and perform procedures to obtain limited assurance about our opinion on the financial statements and that we perform specifically required supplementary procedures for the purpose of obtaining additional assurance about our opinion.

An extended review consists of making inquiries, primarily of management and, if appropriate, of other entity personnel, performing analytical procedures and specifically required supplementary procedures as well as evaluating the evidence obtained.

The procedures performed in an extended review are less in scope than in an audit, and accordingly we do not express an audit opinion on the financial statements.

Statement on the management commentary

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our extended review of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the extended review or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required under the Danish Financial Statements Act.

Independent auditor's reports (continued)

Based on the work we have performed, we conclude that the management commentary is in accordance with financial statements and has been prepared in accordance with the requirements in the relevant law and regulations. We did not identify any material misstatement of the management commentary.
