Statement of the Board of Directors on the annual report

I have on this day presented the annual report for the financial year 01.01.18 - 31.12.18 for K/S Fen Lane.

The annual report is presented in accordance with Danish Financial Statements Act (Årsregnskabsloven).

In my opinion, the financial statements give a true and fair view of the company's assets, liabilities and financial position as at 31.12.18 and of the results of the company's activities for the financial year 01.01.18 - 31.12.18.

I believe that the management's review includes a fair review of the matters dealt with in the management's review.

The annual report is submitted for adoption by the general meeting.

Holbæk, May 31, 2019

Board Of Directors

Peter Christian Møgelberg Hansen
Chairman

To the owner of K/S Fen Lane**Opinion**

We have conducted an extended review of the financial statements of K/S Fen Lane for the financial year 01.01.18 - 31.12.18 comprising the income statement, balance sheet, statement of changes in equity and notes, inclusive of accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act (Årsregnskabsloven).

In our opinion, the financial statements present fairly, in all material respects, the company's assets, equity and liabilities and financial position as at 31.12.18 and the company's financial performance for the financial year 01.01.18 - 31.12.18 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our extended review in accordance with the Danish Business Authority's Assurance Standard for Small Enterprises and FSR – Danish Auditors' standard on extended review of financial statements prepared in accordance with the Danish Financial Statements Act. Our responsibilities under those standards and requirements are further described in the 'Auditor's responsibilities for the extended review of the financial statements' section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these rules and requirements. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Statement regarding the management's review

Management is responsible for management's review.

Our opinion on the financial statements does not cover management's review, and we do not express any form of assurance conclusion thereon.

In connection with our extended review of the financial statements, it is our responsibility to read the management's review and in this connection consider whether the management's review is materially inconsistent with the financial statements or the knowledge we have obtained during our extended review, or in any other way appears to be materially misstated.

Moreover, it is our responsibility to consider whether management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Acts. We did not identify any material misstatement of management's review.

Management's responsibility for the financial statements

The management is responsible for the preparation and fair presentation of the financial statements in accordance with the Danish Financial Statements Act and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the extended review of the financial statements

Our responsibility is to conduct an ex-tended review of the financial statements in accordance with the Danish Business Authority's Assurance Standard for Small Enterprises and FSR – Danish Auditors' standard on extended review of financial statements financial statements prepared in accordance with the Danish Financial Statements Act and to issue an extended review report. However, because of the matter described in the 'Basis for disclaimer of opinion' section of our report, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion on these financial statements

An extended review comprises procedures primarily consisting of enquiries to the management and, if appropriate, other company employees, analytical procedures, the specifically required supplementary procedures as well as an assessment of the evidence obtained.

The scope of procedures performed in an extended review is not as extensive as for an audit. Consequently, we do not express an audit opinion on the financial statements.

The investment of the Entity is recognised in the annual report at market value according to a yield based valuation model. The property is leased to one tenant on a very long tenure (until September 2035) and with an obligation for the tenant to incur all expenses regarding the property throughout the tenure. Thus, the property generates a very steady and predictable operating return. Therefore, a yield based valuation model is preferable. The property is recognised at a valuation of DKK 31,095k at 31.12.2018 according to the management's valuation model using a yield of 6.5%

4. Receivables from group enterprises

Receivables from group enterprises relates to a portion of the balance of the parent company's bank account, since the parent is the custodian of the Entity's bank.

5. Share capital

The Entity's share capital amounts to DKK 100k. DKK 100k has been fully paid in at the balance sheet date.

The Entity's debt to group enterprises is based on a fixed term and interest rates and tenure until 31 July 2024. Prepayments of the mortgage debt are subject to fixed rate breakage costs.

7. Charges and security

The Entity has entered into a loan agreement with Bank of Ireland together with K/S Hardy Avenue, K/S Crane Lane and K/S Meadow Way. The loan is secured through legal charge of the entities' property and rental income. The book value of the mortgaged property is DKK 31.095k.

8. Accounting policies

GENERAL

The annual report is presented in accordance with the provisions of the Danish Financial Statements Act (*Årsregnskabsloven*) for enterprises in reporting class B with application of provisions for a higher reporting class.

The accounting policies have been applied consistently with previous years.

Basis of recognition and measurement

Income is recognised in the income statement as earned, including value adjustments of financial assets and liabilities. All expenses, including depreciation, amortisation, impairment losses and write-downs, are also recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the company, and the value of such assets can be measured reliably. Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the company, and the value of such liabilities can be measured reliably. On initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

On recognition and measurement, account is taken of foreseeable losses and risks arising before the date at which the annual report is presented and proving or disproving matters arising on or before the balance sheet date.

CURRENCY

The annual report is presented in Danish kroner (DKK).

On initial recognition, transactions denominated in foreign currencies are translated using the exchange rates applicable at the transaction date. Exchange rate differences between the exchange rate applicable at the transaction date and the exchange rate at the date of payment are recognised in the income statement as a financial item. Receivables, payables and other monetary items denominated in foreign currencies are translated using the exchange rates applicable at the balance sheet date. The difference between the exchange rate applicable at the balance sheet date and at the date at which the receivable or payable arose or was recognised in the latest annual report is recognised under financial income or expenses in the income statement. Fixed assets and other non-monetary assets acquired in foreign currencies are translated using historical exchange rates.

8. Accounting policies - continued -**INCOME STATEMENT****Rental income**

Income from the rental of properties is recognised in the income statement for the relevant period. Rental income is measured at fair value and determined exclusive of VAT and discounts.

Other external expenses

Other external expenses comprise costs relating to distribution, sales and advertising and administration, premises and bad debts to the extent that these do not exceed normal write-downs.

Depreciation, amortisation and impairment losses

Investment properties are not depreciated.

Fair value adjustment of investment properties

Unrealised value adjustments of investment properties and realised gains and losses on the sale of assets are recognised in the fair value adjustment of investment properties.

Other net financials

Interest income and interest expenses, foreign exchange gains and losses on transactions denominated in foreign currencies etc. are recognised in other net financials.

Tax on profit/loss for the year

The company is not an independent tax entity. Tax is therefore not recognised in the financial statements, as current and deferred tax is payable by the limited partners and the general partner.

8. Accounting policies - continued -

BALANCE SHEET

Property, plant and equipment

Investment properties

Investment properties comprise investments in land and buildings for the purpose of earning a return on such investments in the form of regular operating income and capital gains on sale. Investment properties are recognised at cost at the date of acquisition. Cost comprises the purchase price plus expenses resulting directly from the purchase until the asset is ready for use. Investment properties are subsequently measured at fair value with value adjustments in the income statement. The fair value is calculated by applying an individually determined discount rate to the capitalisation of a market-based operating income from the property. A valuer has not been used to determine the fair value.

Gains and losses on the disposal of property, plant and equipment are determined as the difference between the selling price, if any, less selling costs and the carrying amount at the date of disposal less any costs of disposal.

Receivables

Receivables are measured at amortised cost, which usually corresponds to the nominal value, less write-downs for bad debts.

Write-downs for bad debts are determined based on an individual assessment of each receivable if there is no objective evidence of individual impairment of a receivable.

Payables

Long-term payables are measured at cost at the time of contracting such liabilities (raising of the loan). The payables are subsequently measured at amortised cost where capital losses and loan expenses are recognised in the income statement as a financial expense over the term of the payable on the basis of the calculated effective interest rate in force at the time of contracting the liability.

Short-term payables are measured at amortised cost, normally corresponding to the nominal value of such payables.

Deferred income

Deferred income under liabilities comprises payments received in respect of income in subsequent financial years.
