Statement by Management

The Board of Directors and the Executive Board have today considered and approved the annual report of Komplementaranpartsselskabet Thor Ship II for the financial year 01.01.2020 - 31.12.2020.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2020 and of the results of its operations for the financial year 01.01.2020 - 31.12.2020.

We believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

We consider the preconditions for not auditing the financial statements for the financial year 01.01.2020 - 31.12.2020 as complied with.

We recommend the annual report for adoption at the Annual General Meeting.

The independent auditor's compilation report

To Management of Komplementaranpartsselskabet Thor Ship II

We have compiled the financial statements of Komplementaranpartsselskabet Thor Ship II for the financial year 01.01.2020 - 31.12.2020 based on the Entity's bookkeeping records and other information Management has provided.

These financial statements comprise the income statement, balance sheet, statement of changes in equity, notes and accounting policies.

We performed this compilation engagement in accordance with ISRS 4410, Compilation Engagements.

We have applied our expertise in accounting and financial reporting to assist Management in the preparation and presentation of these financial statements in accordance with the Danish Financial Statements Act. We have complied with relevant provisions of the Danish Public Accountants Act and FSR – Danish Auditors' Code of Conduct for professional accountants, including principles of integrity, objectivity, professional competence and due care.

These financial statements and the accuracy and completeness of the information used to compile the financial statements are Management's responsibility.

Since a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the disclosures Management provided to us to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion about whether the financial statements have been prepared in accordance with the Danish Financial Statements Act.

Accounting policies

Reporting class

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of certain provisions for reporting class C.

The accounting policies applied to these financial statements are consistent with those applied last year.

Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange differences that arise between the rate at the transaction date and the rate in effect at the payment date, or the rate at the balance sheet date, are recognised in the income statement as financial income or financial expenses.

Income statement

Other operating income

Other operating income comprises fee for being general partner.

Other external expenses

Other operating expenses comprise expenses relating to the Company's ordinary activities, including general corporate cost.

Other financial expenses

Other financial expenses comprise interest expenses, including interest expenses on payables to group enterprises, currency losses and tax surcharge under the Danish Tax Prepayment Scheme etc.

Tax on profit/loss for the year

Tax for the year, which consists of current tax for the year and changes in deferred tax, is recognised in the income statement by the portion attributable to the profit for the year and recognised directly in equity by the portion attributable to entries directly in equity.

The Company is participating in a joint-taxation scheme. The current income tax is allocated among the jointly taxed companies proportionally to their taxable income (full allocation with a refund concerning tax losses).

Balance sheet**Joint taxation contributions receivable or payable**

Current joint taxation contributions payable or joint taxation contributions receivable are recognised in the balance sheet, calculated as tax computed on the taxable income for the year, which has been adjusted for prepaid tax. For tax losses, joint taxation contributions receivable are only recognised if such losses are expected to be used under the joint taxation arrangement.

Other financial liabilities

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.
