Statement by Management on the annual report

The Board of Directors and the Executive Board have today considered and approved the annual report of Sunstone LSV Partners Holding ApS for the financial year 01.01.2019 - 31.12.2019.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2019 and of the results of its operations for the financial year 01.01.2019 - 31.12.2019.

We believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

We recommend the annual report for adoption at the Annual General Meeting.

The independent auditor's compilation report

To the shareholders of Sunstone LSV Partners Holding ApS

We have compiled the financial statements of Sunstone LSV Partners Holding ApS for the financial year 01.01.2019 - 31.12.2019 based on the Company's bookkeeping records and other information provided by Management.

The financial statements comprise the accounting policies, income statements, balance sheet, statement of changes in equity and notes.

We performed the engagement in accordance with ISRS 4410, Engagements to Compile financial statements.

We applied our professional experience in accounting and financial reporting to assist Management in compiling and presenting the financial statements. We complied with relevant provisions of the Danish Act on Approved Auditors and Audit Firms and FSR – Danish Auditors' Code of Conduct for professional accountants, including principles governing integrity, objectivity, professional competence and due diligence.

Management is responsible for the financial statements as well as the accuracy and completeness of the information underlying the compilation of the financial statements.

Because an engagement to compile financial statements is not an assurance engagement, we are not required to verify the accuracy or the completeness of the disclosures which Management provided us with for the purpose of compiling the financial statements. Accordingly, we do not express an audit opinion or review conclusion as to whether the financial statements have been prepared in accordance with the Danish Financial Statements Act.

Accounting policies

Reporting class

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B with addition of certain provisions from reporting class C.

The accounting policies applied for these financial statements are consistent with those applied last year.

The annual report is presented in DKK 1.000.

Recognition and measurement

Assets are recognized in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognized in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognized in the income statement when earned, whereas costs are recognized by the amounts attributable to this financial year.

Income statement

Other external expenses

Other external expenses include expenses relating to administration.

Income from investments in associates

Income from investments in associates comprises dividend etc. received from the individual group enterprises in the financial year.

Other financial expenses

Other financial expenses comprise interest expenses.

Balance sheet

Investments in associates

Investments in associates are recognised and measured according to the equity method. This means that investments are measured at the pro rata share of the associates' equities.

Accounting policies

The Company's share of the enterprises' profits and losses after elimination of any unrealised intra-group profits and losses is recognised in the income statement.

The carrying value in excess of cost is taken to reserve for net revaluation under the equity method.

Receivables

Receivables are measured at amortised cost, usually equalling nominal value less write-downs for bad and doubtful debts.

Cash

Cash comprises bank deposits.

Dividend

Dividend is recognized as a liability at the time of adoption at the general meeting. The proposed dividend for the financial year is disclosed as a separate item in equity.

Other financial liabilities

Other financial liabilities are measured at amortized cost, which usually corresponds to nominal value.
