Independent auditor's compilation report

To Management of SUNSTONE LSV PARTNERS & CO. HOLDING ApS

We have compiled the financial statements of SUNSTONE LSV PARTNERS & CO. HOLDING ApS for the financial year 01.01.2023 - 31.12.2023 based on the Entity's bookkeeping records and other information Management has provided.

These financial statements comprise the income statement, balance sheet, statement of changes in equity, notes and a summary of significant accounting policies.

We performed this compilation engagement in accordance with ISRS 4410, Compilation Engagements.

We have applied our expertise in accounting and financial reporting to assist Management in the preparation and presentation of these financial statements in accordance with the Danish Financial Statements Act. We have complied with relevant provisions of the Danish Public Accountants Act and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code), including principles of integrity, objectivity, professional competence and due care.

These financial statements and the accuracy and completeness of the information used to compile the financial statements are Management's responsibility.

Since a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the disclosures Management provided to us to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion about whether the financial statements have been prepared in accordance with the Danish Financial Statements Act.

Accounting policies

Reporting class

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of a few provisions for reporting class C.

The accounting policies applied to these financial statements are consistent with those applied last year.

The annual report is presented in DKK 1,000.

Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

Income statement

Other external expenses

Other external expenses include corporate costs etc.

Income from investments in associates

Income from investments in associates comprises the pro rata share of the individual associates' profit/loss after elimination of internal unrealised profits or losses, if any.

Other financial expenses

Other financial expenses comprise interest expenses.

Balance sheet

Investments in associates

Investments in group enterprises are recognised and measured according to the equity method. This means that investments are measured at the pro rata share of the enterprises' equities.

The Entity's share of the enterprises' profits and losses after elimination of unrealised intra-group profits and losses is recognised in the income statement.

The carrying value in excess of cost is taken to reserve for net revaluation under the equity method.

The accounting policies applied to material financial statement items of group enterprises are:

Investments in group enterprises: investments in group enterprises are recognised and measured according to the equity method. This means that investments are measured at the pro rata share of the enterprises' equities.

Receivables

Receivables are measured at amortised cost, usually equalling nominal value less writedowns for bad and doubtful debts.

Cash

Cash comprises bank deposits.

Other financial liabilities

Other financial liabilities are measured at amortized cost, which usually corresponds to nominal value.
