Management's Review

Primary activities

The activity of the Company is to sell and acquire, own and hold share and other ownership interests in other associated or affiliated entities etc. in Denmark and abroad.

Development in the year

The company's result for the year was tEUR 2,660 and is in line with management expectations.

In 2019 RH DK Korea Oled Holdings ApS has received dividend income from subsidiaries for a total amount of tEUR 2,941, against tEUR 10,781 in 2018.

Outlook

The Company expects unchanged revenue and profit in 2020.

Risks

In the ordinary course of business, the DuPont Group is exposed to a variety of financial risks that include commodity price risk, credit risk, liquidity risk and interest rate risk. The policies and procedures in relation to the monitoring of these risks are undertaken in conjunction with the ultimate parent undertaking, DuPont de Nemours Inc., which includes entering into contractual arrangements in order to limit the adverse effects on the Group's financial performance.

Events after the balance sheet date

The COVID-19 outbreak has developed rapidly in March 2020 both in Denmark and the rest of the world, which have necessitated a number of restrictions from authorities with potential large impact on the Global economy.

Currently the company is not affected by COVID-19, or the restrictions implemented. (Also see Note 1)

Management's Statement

The Executive Board and Board of Directors have today considered and adopted the Annual Report of RH DK Korea Oled Holdings ApS for the financial year 1 January – 31 December 2019.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the financial position at 31 December 2019 of the Company and of the results of the Company operations for 2019.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Independent Auditor's Report

To the Shareholder of RH DK Korea Oled Holdings ApS

Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2019, and of the results of the Company's operations for the financial year 1 January - 31 December 2019 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of RH DK Korea Oled Holdings ApS for the financial year 1 January - 31 December 2019, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies ("Financial Statements").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.

Independent Auditor's Report

- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

8 Contingent assets, liabilities and other financial obligations

Contingent liabilities related to joint tax group

The Danish companies in the DuPont Group are jointly taxed and jointly liable for the total tax of the Group. The net payable tax is included in the annual report of DuPont Denmark Holding ApS, which is the administration company for the group taxation. Any later corrections of the taxable income may increase the total liable amount.

The Company participated in a Danish joint taxation arrangement before 1 September 2017 where Dow AgroSciences Danmark A/S served as the administration company.

According to the joint taxation provision of the Danish Corporation Tax Act, the Company is therefore liable from the financial year 2014 for income taxes, etc. for the jointly taxed companies.

9 Related parties and ownership

The ultimate parent company of the group in which the Company is included as a subsidiary is DuPont de Nemours Inc., Delaware, USA. This company and its subsidiaries are considered related parties through the ownership of the Company.

Transactions

In accordance with section 98c (7) of the Danish Financial Statements Act, all transactions with related parties have been conducted at arm's length.

Notes to the Annual Report

10 Accounting Policies

The Annual Report of RH DK Korea Oled Holdings ApS has been prepared in accordance with the provisions of the Danish Financial Statements Act for class B enterprises with addition of certain provisions for reporting class C.

The annual report is presented in thousands of Euro (EUR'000).

In accordance with section 112 (2) of the Danish Financial Statements Act no consolidated statement has been prepared. The financial statements of the Company and subsidiaries are part of the consolidated financial statements of DuPont de Nemours Inc., Delaware, USA.

The Group Annual report for DuPont de Nemours Inc. may be obtained at www.DuPont.com

The accounting policies applied remain unchanged from previous years.

Recognition and measurement

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Recognition and measurement take into account predictable losses and risks occurring before the presentation of the Annual Report, which confirm or invalidate affairs and conditions existing at the balance sheet date.

Currency translation

Transactions in foreign currencies are translated during the year at the exchange rate at the dates of the transaction. Gains and losses arising due to differences between the transaction date and the rates of the date of the payment are recognised as financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the transaction date rates are recognised as financial income and expenses in the income statement.

Income statement

Administrative expenses

Administrative expenses comprise expenses of a ordinary nature in relation to the activities, including administrative expenses.

Income from investments in associates

Income from investments in associates comprises gain/loss on sale of shares, dividends and writedowns. Dividends are recognised when the right to receive dividends has been approved by the relevant company bodies. To the extent that distributed dividends exceed the accumulated earnings after acquisition, dividends are recognised as writedown of the cost of the investment.

Financial income and expenses

Financial income and expenses include interest income, interest expenses, including interest on receivables or payables to group enterprises, amortisation of financial assets and liabilities and value adjustments.

Corporation tax and deferred tax

Tax for the year consists of current tax for the year and deferred tax for the year. The tax attributable to the profit for the year is recognised in the income statement, whereas the tax attributable to equity entries is recognised directly in equity.

The Company is jointly taxed with all Danish subsidiaries. Current Danish corporation tax is divided between the jointly taxed enterprises relative to their taxable income. Withholding taxes relating to dividends from subsidiaries outside Denmark are recognised in the year in which the dividend is declared.

Notes to the Annual Report

10 Accounting Policies (continued)

Balance Sheet

Investments in associates

Investments in associates are measured at cost less writedowns. To the extent that distributed dividends exceed the accumulated earnings after acquisition, dividends are recognised as writedown of the cost of the investment.

Receivables

Receivables are recognised in the balance sheet at the lower of amortised cost and net realisable value, which corresponds to nominal value less provisions for bad debts. Provisions for bad debts are determined on the basis of an individual assessment of each receivable.

Equity and treasury shares

Dividends are recognised as a liability at the date of adoption at the annual general meeting. Acquisition and sale considerations for treasury shares are recognised in equity.

Liabilities

Liabilities are measured at amortised cost, substantially corresponding to nominal value.
