Statement by management on the annual report

The supervisory board and executive board have today discussed and approved the annual report of Komplementarselskabet Dankalk ApS for the financial year 1 January - 31 December 2022.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the company's financial position at 31 December 2022 and of the results of the company's operations for the financial year 1 January - 31 December 2022.

In our opinion, management's review includes a fair review of the matters dealt with in the management's review.

Management recommends to the company in general meeting that the financial statements for 2023 are not to be audited. Management considers the criteria for not auditing the financial statements to be met.

The financial statements have not been audited. Management considers the criteria for not auditing the financial statements to be met.

Management recommends that the annual report should be approved by the company in general meeting.

Management's review

Business review

The company's activity is only to be complementary to Dankalk K/S.

Financial review

The company's income statement for the year ended 31 December 2022 shows a profit of DKK 18,456, and the balance sheet at 31 December 2022 shows equity of DKK 288,195.

Management considers the company's result to be satisfactory.

Accounting policies

The annual report of Komplementarselskabet Dankalk ApS for 2022 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B, as well as provisions applying to reporting class C entities.

The accounting policies applied are consistent with those of last year.

The annual report for 2022 is presented in DKK.

Basis of recognition and measurement

Income is recognised in the income statement as earned, including value adjustments of financial assets and liabilities. All expenses, including amortisation, depreciation and impairment losses, are also recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the company and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the company and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. On subsequent recognition, assets and liabilities are measured as described below for each individual accounting item.

On recognition and measurement, allowance is made for predictable losses and risks which occur before the annual report is presented and which confirm or invalidate matters existing at the balance sheet date.

Income statement

Revenue

Net revenue include remuneration for acting as a complement to Dankalk K/S.

Financial costs

Financial costs are recognized in the income statement with the amounts relating to the financial year. Financial items include interest expenses.

Balance sheet

Liabilities

Debts for liability subjects to corporation tax, must be read at amortized cost price, which usually corresponds to nominal value.
