Statement by Management on the annual report

The Board of Directors and Executive Board have today discussed and approved the annual report of KMG - Kliplev Motorway Group A/S for the financial year 1 January - 31 December 2017.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's financial position at 31 December 2017 and of the results of the Company's operations for the financial year 1 January - 31 December 2017.

Further, in our opinion, the Management's review gives a fair review of the development in the Company's operations and financial matters and of the Company's financial position.

Stefan Propst

Management recommends that the annual report should be approved at the annual general meeting.

Independent auditor's report

To the shareholder of KMG - Kliplev Motorway Group A/S

Opinion

We have audited the financial statements of KMG - Kliplev Motorway Group A/S for the financial year 1 January - 31 December 2017, which comprise an income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2017, and of the result of the Company's operations for the financial year 1 January - 31 December 2017 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these rules and requirements.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error,
 design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud
 is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Independent auditor's report

- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and
 whether the financial statements represent the underlying transactions and events in a manner that gives a true and
 fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Our opinon on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statement Act.

Based on our procedures, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

Management's review

Activities are to enter into and discharge all obligations under the agreement on the design, construction, finance, operation and maintenance of the Kliplev Sønderborg Mortorway in a public private partnership model and any other activity deemed related thereto.

Financial review

In 2017 the Company's revenue amounted to DKK 14,953 thousand against DKK 17,513 thousand last year, the effect of reduced revenue was almost entirely offset by reduced costs, profit after tax amounts to DKK 4,417 thousand.

The management considers the performance adequate and in line with the expectations.

Operations of the Company have run to the satisfaction of the management. The general setup of major subcontractors for operations and maintenance of the motorway has not changed in the financial year. Major replanting works have been subcontracted and the 5 year inspection with the Road Directorate and the municipalities of Sønderborg and Aabenraa were completed as initially scheduled 5 years after opening of the motorway and major parts of the secondary roads. All rectification works in relation to the 5 year inspection have been subcontracted to STRABAG AG Germany and have no financial impact on KMG, as those works fall within the obligation of the main subcontractor STRABAG AG. Works are scheduled for Q1 and Q2 2018.

Impact on external requirement

At the time of this report the Company is in full compliance of the OPP Contract and all required environmental regulations. The Company has renewed all required audits in 2018 and has updated its audit documentation were required under the STRABAG group's regulations. To demonstrate further our commitment to the STRABAG's group code of conduct and business ethics, the Company has made the compliance documentation available on its website www.kmgroup.dk.

Outlook

The Company expects a stable outlook on business operations with no major deviations compared to the current financial year, no major maintenance works are expected for 2018.

Notes

1 Accounting policies

The annual report of KMG - Kliplev Motorway Group A/S for 2017 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to reporting class B entities and elective choice of certain provisions applying to reporting class C entities.

The accounting policies applied by the Company are consistent with those of last year.

The annual report for 2017 is presented in DKK thousand.

Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and at the date of payment are recognised in the income statement as financial income or financial expenses.

Receivables and payables and other monetary items denominated in foreign currencies are translated at the exchange rates at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the latest financial statements is recognised in the income statement as financial income or financial expenses.

Income statement

Revenue

Revenue is measured at the fair value of the agreed consideration excluding VAT and taxes charged on behalf of third parties. All discounts and rebates granted are recognised in revenue.

Revenue comprising a 26-year service agreement has been concluded on the maintenance of the motorway involving quarterly payment for this service. The amount is recognised in the financial year in question.

Construction materials, consumables and services used

Expenses for construction materials, consumables and services used include both direct and indirect costs incurred to generate revenue for the year as well as expected losses.

Other external expenses

Other external expenses include expenses related to administration, management etc.

Financial income and expenses

Financial income and expenses are recognised in the income statement at the amount relating to the financial year. Net financials include interest income and expenses, realised and unrealised capital/exchange gains and losses on securities and foreign currency transactions and surcharges and allowances under the advance-payment-of-tax scheme, etc.

Tax

Tax for the year includes current tax on the year's expected taxable income and the year's deferred tax adjustments. The portion of the tax for the year that relates to the profit/loss for the year is recognised in the income statement, whereas the portion that relates to transactions taken to equity is recognised in equity.

Balance sheet

Cash

Cash comprise bank deposits.

Notes

Income tax and deferred tax

Current tax liabilities and current tax receivables are recognised in the balance sheet as the estimated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and tax paid on account.

Deferred tax is measured according to the liability method in respect of temporary differences between the carrying amount of assets and liabilities and their tax base, calculated on the basis of the planned use of the asset and settlement of the liability, respectively.

Financial liabilities

Financial liabilities are measured at net realisable value.

| | | 2017 TDKK | 2016 TDKK |
|---|---|--------------|--------------|
| 2 | Tax on profit/loss for the year | | |
| | Current tax for the year | -1.575 | -1.558 |
