Statement by the Executive Board

The Executive Board has today discussed and approved the annual report of United Denmark 2021 Propco 1 ApS for the financial year 1 January – 31 December 2023.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's assets, liabilities and financial position at 31 December 2023 and of the results of the Company's operations for the financial year 1 January – 31 December 2023.

Further, in our opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

We recommend that the annual report be approved at the annual general meeting.

Independent auditor's report

To the shareholder of United Denmark 2021 Propco 1 ApS

Opinion

We have audited the financial statements of United Denmark 2021 Propco 1 ApS for the financial year 1 January – 31 December 2023 comprising income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's assets, liabilities and financial position at 31 December 2023 and of the results of the Company's operations for the financial year 1 January – 31 December 2023 in accordance with the Danish Financial Statements Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control that Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements in Denmark will always detect a material misstatement when it exists. Misstatements may arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of financial statement users made on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also

Independent auditor's report

- identify and assess the risks of material misstatement of the company financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

Notes

1 Accounting policies

The annual report of United Denmark 2021 Propco 1 ApS for 2023 has been prepared in accordance with the provisions applying to reporting class B entities under the Danish Financial Statements Act with opt-in from higher reporting classes.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

Foreign currency translation

On initial recognition, transactions denominated in foreign currencies are translated at the exchange rates at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and the date of payment are recognised in the income statement as financial income or financial expenses.

Receivables, payables and other monetary items denominated in foreign currencies are translated at the exchange rates at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the latest financial statements is recognised in the income statement as financial income or financial expenses.

Income statement

Gross profit

Pursuant to section 32 of the Danish Financial Statements Act, the Company has decided only to disclose gross profit.

Gross profit reflects an aggregation of revenue, other operating income and other external costs.

Revenue

Rental income is measured at the fair value of the agreed consideration, excluding VAT and other indirect taxes. Rental income is net of all types of discounts granted.

Other operating income

Other operating income comprises items secondary to the activities of the entity, including gains on the disposal of property, plant and equipment.

Other external costs

Other external costs include costs related to distribution, sale, advertising, administration, premises, bad debts, payments under operating leases, etc.

Other operating costs

Other operating costs comprise items secondary to the activities of the entity, including losses on the disposal of property, plant and equipment.

United Denmark 2021 Propco 1 ApS
Annual report 2023
CVR no. 33 06 94 48

Financial statements 1 January – 31 December

Notes

1 Accounting policies (continued)

Fair value adjustment of investment properties

Fair value adjustment of investment properties comprises the year's changes in the fair value of investment property.

Financial income and expenses

Financial income and expenses comprise interest income and expense, gains and losses on payables and transactions denominated in foreign currencies, amortisation of financial assets and liabilities.

Tax on profit for the year

Tax for the year comprises current corporation tax for the year and changes in deferred tax, including changes in tax rates. The tax expense relating to the profit/loss for the year is recognised in the income statement, and the tax expense relating to amounts directly recognised in equity is recognised directly in equity.

Balance sheet

Investment properties

On initial recognition, investment property is measured at cost. Investment property is subsequently measured at fair value, and the value adjustment for the year is recognized in the income statement under the item "Fair value adjustment of investment property". The fair value is based on the expected future cash flows for the investment property.

The fair value is calculated using the capitalization model as the calculated capital value of the expected cash flows from the individual properties.

The determination of the expected cash flows is based on the budgeted cash flows of the individual property for the coming years, including rental and price increases, as well as a calculated term value that expresses the value of the normalized cash flows that the property is expected to generate after the budget period. The cash flows thus calculated are discounted at present value using a discount factor which is judged to reflect the market's current rate of return for corresponding properties including expected inflation.

Receivables

Receivables are measured at amortised cost.

Write-down is made for bad debt losses where there is an objective indication that a receivable has been impaired. If there is an objective indication that an individual receivable has been impaired, write-down is made on an individual basis.

Write-downs are calculated as the difference between the carrying amount of receivables and the present value of forecast cash flows, including the realisable value of any collateral received. The effective interest rate for the individual receivable or portfolio is used as discount rate.

United Denmark 2021 Propco 1 ApS
Annual report 2023
CVR no. 33 06 94 48

Financial statements 1 January – 31 December

Notes

1 Accounting policies (continued)

Prepayments

Prepayments comprise prepayment of costs incurred relating to subsequent financial years.

Cash at bank and in hand

Cash at bank and in hand comprise cash and bank deposits.

Corporation tax and deferred tax

Current tax payable and receivable is recognised in the balance sheet as tax computed on the taxable income for the year, adjusted for tax on the taxable income of prior years and for tax paid on account.

Deferred tax is measured using the balance sheet liability method on all temporary differences between the carrying amount and the tax value of assets and liabilities based on the planned use of the asset or settlement of the liability. However, deferred tax is not recognised on temporary differences relating to other items where the temporary differences arise at the date of acquisition without affecting either profit/loss or taxable income.

Deferred tax assets, including the tax value of tax loss carryforwards, are recognised at the expected value of their utilisation within the foreseeable future; either as a set-off against tax on future income or as a set-off against deferred tax liabilities in the same legal tax entity. Any deferred net assets are measured at net realisable value.

Deferred tax is measured in accordance with the tax rules and at the tax rates applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax. Changes in deferred tax as a result of changes in tax rates are recognised in the income statement or equity, respectively.

Liabilities other than provisions

Financial liabilities are recognised at cost at the date of borrowing, corresponding to the proceeds received less transaction costs paid. In subsequent periods, the financial liabilities are measured at amortised cost using the effective interest method. Accordingly, the difference between cost and the nominal value is recognised in the income statement over the term of the loan together with interest expenses.

Other liabilities are measured at amortised cost.

Deferred income

Deferred income comprises advance invoicing regarding income in subsequent years.

Valuation method and techniques

The fair value of investment properties is determined using the traditional investment/income capitalisation method of valuation. The investment method of valuation involves the capitalisation of the net income stream from the property at a net yield. All calculations have been performed by an external independent valuer.

In establishing the gross income stream the valuer has reflected current rents payable to lease expiry (or break if activated) at which point they have assumed that each unit will be re-let at their opinion of market rent. Where units are vacant a void period has been assumed prior to assuming that the unit will be let at a market rent opinionated by the valuer.

In order to arrive at a net income stream certain items of non-recoverable expenditure are deducted from the gross rental income, such as non-recoverable management fees, a maintenance and repair sinking fund, and any non-recoverable service charges.

United Denmark 2021 Propco 1 ApS
Annual report 2023
CVR no. 33 06 94 48

Financial statements 1 January – 31 December

Notes

5 Property, plant and equipment (continued)

The net yield applied to capitalise the income stream is derived from analysis of market evidence of investment transactions. Purchaser's costs are deducted from the resultant capital value to arrive at a net market value. Any items of capital expenditure are also deducted.

Future indexation of rents has been allowed for implicitly in the valuation.

The Equivalent Yield is 6.15%. A change of +/- 0.25 percentage points in the Equivalent Yield mean approx. - 13,763 / + 14,930 t. kr. Changed market value.

Properties

- The Company's investment properties consist of a light industrial property located in Roskilde, Denmark
- All vacant units comprise of 0 sqm out of a total of 43,258 sqm, which is 0% of vacancy

Pursuant to current level of vacancy and relatively short WAULTS in Denmark, there is uncertainty of when particular units will be let and at what level of income.

6 Non-current liabilities

DKK	Total debt at 31/12 2023	Repayment, first year	Outstanding debt after five years
