STATEMENT BY BOARD OF EXECUTIVES

Today the Board of Executives have discussed and approved the Annual Report of Sarbel Acquisition ApS for the financial year 1 January - 31 December 2022.

The Annual Report is presented in accordance with the Danish Financial Statements Act.

In my opinion the Financial Statements give a true and fair view of the Company's financial position at 31 December 2022 and of the results of the Company's operations for the financial year 1 January - 31 December 2022.

Further, in my opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

I recommend the Annual Report be approved at the Annual General Meeting.

Copenhagen, 1 May 2023

Board of Executives

INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Sarbel Acquisition ApS

Opinion

We have audited the Financial Statements of Sarbel Acquisition ApS for the financial year 1 January - 31 December 2022, which comprise income statement, Balance Sheet, statement of changes in equity, notes and a summary of significant accounting policies. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2022 and of the results of the Company's operations for the financial year 1 January - 31 December 2022 in accordance with the Danish Financial Statements Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such Internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance as to whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

INDEPENDENT AUDITOR'S REPORT

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the Financial Statements, including the note disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on Management Commentary

Management is responsible for Management's review.

Our opinion on the Financial Statements does not cover Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's review and, in doing so, consider whether Management's review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that Management's review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of Management's review.

Payables to group enterprises

5

As at 31 December 2022, the Company's payables to group enterprises amounts to EUR 222.964 thousand comprising withdrawals on the Group's cash pool credit line of the DH Luxembourg Sarl cash pool arrangement.

The cash pool arrangement is set up in such a way that the credit line may be extended to pay off payables to group enterprises, if needed and the amounts will not be called unless the Company has sufficient liquidity from realization of its fixed asset investments or has obtained sufficient alternative financing to pay off the balance.

NOTES

	Note
Contingencies etc.	6
Guarantees	
As part of participation in the Group cash pool with Bank of America, the Company together with other cash pool participants have issued a guarantee for the security of other Company's Liabilities. As at 31 December 2022, the Group's net cash pool balance with Bank of America is in a payable position.	
Joint taxation	
The Company is jointly taxed with Danaher Tax Administration ApS, which is the management company (Administrationselskab) for the Danish joint taxation. The Company is jointly and severally unlimited liable with the other jointly taxed companies for payment of corporation tax and for withholding tax on interest, royalties and dividends.	
Other Contingencies	
The Company has no other contingent assets or liabilities.	
Consolidated Financial Statements	7
The ultimate parent of the group is:	
Danaher Corporation 2200 Pennsylvania Avenue, NW Suite 800W Washington, DC 20037 USA

ACCOUNTING POLICIES

The Annual Report of Sarbel Acquisition ApS for 2022 has been presented in accordance with the provisions of the Danish Financial Statements Act for enterprises in reporting class B and elective choice of certain provisions applying to reporting class C entities.

Consolidated Financial Statements

Referring to section 112(1) of the Danish Financial Statements Act, no consolidated financial statements are prepared. The financial statements for Sarbel Acquisition ApS and its group entities are part of consolidated financial statements for Danaher Corporation, USA.

INCOME STATEMENT

Other external expenses

Other external expenses include expenses related to administration etc.

Income from investments in subsidiaries

Dividend from investments in group enterprises is recognised in the income statement in the financial year when the dividend is declared.

Financial income and expenses

Financial income and expenses include interest income and expenses, realised and unrealised gains and losses arising from investments in financial assets, exchange rate adjustments from debt and transactions in foreign currencies, amortisation of financial assets and liabilities as well as charges and allowances under the tax-on-account scheme etc. Financial income and expenses are recognised in the income statement by the amounts that relate to the financial year.

Tax

The tax for the year, which consists of the current tax for the year and changes in deferred tax, is recognised in the income statement by the portion that may be attributed to the profit for the year, and is recognised directly in the equity by the portion that may be attributed to entries directly to the equity.

The Company is jointly taxed with affiliated Danish enterprises. The current Danish corporation tax is distributed between the jointly taxed Danish enterprises in proportion to their taxable income and with full distribution with refund regarding taxable losses. The jointly taxed companies are included in the tax-on-account scheme.

BALANCE SHEET

Financial non-current assets

Investments in group enterprises are measured at cost. In case of indication of impairment, an impairment test must be conducted. Investments are written down to the lower of the carrying amount and the recoverable amount.

Impairment of fixed assets

The carrying amount of investments in group enterprises, which are not measured at fair value, are valued on an annual basis for indications of impairment other than that reflected by amortisation and depreciation.

In the event of impairment indications, an impairment test is made for each asset or group of assets, respectively. If the net realisable value is lower than the carrying amount, write-down is provided to the lower value.

The recoverable amount is calculated at the higher of net selling price and capital value. The capital value is determined as the fair value of the expected net cash flows from the use of the asset or group of assets and the expected net cash flows from sale of the asset or group of assets after the end of its useful life.

ACCOUNTING POLICIES

Receivables

Receivables are measured at amortised cost which usually corresponds to nominal value. The value is reduced by write-down to meet expected losses.

Cash and cash equivalents

Cash and cash equivalents comprises cash balances and bank balances.

Balances in the group's cash pool scheme are not, due to the nature of the scheme, considered cash, but are recognised under "Receivables from group enterprises" or "Payables to group enterprises", as applicable.

Tax payable and deferred tax

Current tax liabilities and receivable current tax are recognised in the balance sheet as the calculated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and taxes paid on account.

Deferred tax is measured on the temporary differences between the carrying amount and the tax value of assets and liabilities.

Deferred tax assets, including the tax value of tax loss carry-forwards, are measured at the expected realisable value of the asset, either by set-off against tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity.

Deferred tax is measured on the basis of the tax rules and tax rates that under the legislation in force on the balance sheet date would be applicable when the deferred tax is expected to crystallise as current tax.

Liabilities

Liabilities are measured at amortised cost which usually corresponds to nominal value.

Foreign currency translation

The financial statements are presented in EUR, based on bookkeeping records expressed in EUR, to ensure increased comparability in relation to the enterprise's European competitors. The foreign exchange rate in relation to Danish kroner versus EUR on the balance day is 743,61.

Transactions in foreign currencies are translated at the rate of exchange on the transaction date. Exchange differences arising between the rate on the transaction date and the rate on the payment date are recognised in the income statement as a financial income or expense.

Receivables, payables and other monetary items in foreign currencies that are not settled on the balance sheet date are translated at the exchange rate on the balance sheet date. The difference between the exchange rate on the balance sheet date and the exchange rate at the time of occurrence of the receivables or payables is recognised in the income statement as financial income or expenses.
