### Statement by management on the annual report

The supervisory and executive boards have today discussed and approved the annual report of Biztech Denmark ApS for the financial year 1 January - 31 December 2017.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the company's financial position at 31 December 2017 and of the results of the company's operations for the financial year 1 January - 31 December 2017.

In our opinion, management's review includes a fair review of the matters dealt with in the management's review.

The financial statements have not been audited. Manangement declares that the criteria for omission of audit are met.

Management recommends that the annual report should be approved at the annual general meeting.

### Independent auditor's review report

#### To the shareholders of Biztech Denmark ApS

We have reviewed the accompanying financial statements of Biztech Denmark ApS for the financial year 1 January - 31 December 2017, which comprise a summary of significant accounting policies, income statement, balance and notes.

#### Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements, that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as management determines is necessary to enable the preparation of the financial statements that are free from material misstatement whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements. We conducted our review in accordance with International Standard relating to Engagements to Review Historical Financial Statements and additional requirements under Danish Auditor regulation. This requires us to conclude whether anything has come to our attention that causes us to believe that the financial statements, taken as a whole, are not prepared in all material respects in accordance with the applicable financial reporting framework. This requires us also to comply with relevant ethical requirements.

A review of financial statements in accordance with the International Standard relating to Engagements to Review Historical Financial Statements is a limited assurance engagement. The auditor performs procedures primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing. Accordingly we do not express an audit opinion on these financial statements.

#### Opinion

Based on our review, nothing has come to our attention that causes us to believe that these the financial statements do not give a true and fair view of the company's assets, liabilities and financial position as at 31 December 2017 and of its financial performance for the financial year 1 January - 31 December 2017 in accordance with the Danish Financial Statements Act.

# Independent auditor's review report

Without affecting our conclusion, please note that there is uncertainty about the company's continuingoperations. We refer to the management's review, where the management accounts for the company'sability to continue operating. The ability to continue operate depends on the company's credit andearnings can be maintained as nessesary.

# Management's review

#### **Business activities**

The company's objective is to operate and to offer services within information technology and related activities.

#### **Business review**

The Company's income statement for the year ended 31 December shows a profit of DKK 257.511, and the balance sheet at 31 December 2017 shows negative equity of DKK 323.088.

# The company's likely future development including special assumptions and uncertain factors

Business Technology Finland Oy have confirmed that they will not seek repayment of their loan to Biztech Denmark ApS which in total amount to DKK 313 thousand for at least one year from the date of signing the annual report for this year. Furthermore, Business Technology Finland Oy has signed a letter to support with additional loans if necessary.

Other payables include debt to remaining shareholders. It has been agreed, that repayment of the loan will take place as soon as the board of the Company decides that the financial position of the Company is appropriate.

Management expects to re-establish equity through operating profits over the coming years.

The annual report has therefore been prepared under the assumption of going concern.

#### Significant events occurring after end of reporting period

No events have occurred after the balance sheet date which could significantly affect the company's financial position.

### **Accounting policies**

The annual report of Biztech Denmark ApS for 2017 has been prepared in accordance with the provisions of the Danish Financial Statements Act concerning reporting class B entities as well as selected provisions as regards larger entities.

The accounting policies applied are consistent with those of last year.

#### Basis of recognition and measurement

Income is recognised in the income statement as earned, including value adjustments of financial assets and liabilities. All expenses, including amortisation, depreciation and impairment losses, are also recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the company and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits will flow from the company and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. On subsequent recognition, assets and liabilities are measured as described below for each individual accounting item.

On recognition and measurement, allowance is made for predictable losses and risks which occur before the annual report is presented and which confirm or invalidate matters existing at the balance sheet date.

#### **Income statement**

#### Revenue

Revenue is measured at the fair value of the agreed consideration, excluding VAT and other indirect taxes. Revenue is net of all types of discounts granted.

Revenue from services, comprising service contracts and extended warranties relating to products and contracts sold, is recognised on a straight-line basis as the services are provided.

#### Other external costs

Other external costs include expenses related to sale, advertising, administration, premises etc.

#### Staff costs

Staff costs include wages and salaries, including compensated absence and pensions, as well as other social security contributions, etc. made to the entity's employees. The item is net of refunds made by public authorities.

### **Accounting policies**

#### Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year. Net financials include interest income and expenses.

#### Tax on profit for the year

Tax for the year, which comprises the current tax charge for the year and changes in the deferred tax charge, including changes arising from changes in tax rates, is recognised in the income statement as regards the portion that relates to entries directly in equity.

#### **Balance sheet**

#### Receivables

Receivables are measured at amortised cost.

#### Income tax and deferred tax

Current tax liabilities and current tax receivables are recognised in the balance sheet as the estimated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and tax paid on account.

Deferred tax is measured according to the liability method in respect of temporary differences between the carrying amount of assets and liabilities and their tax base, calculated on the basis of the planned use of the asset and settlement of the liability, respectively.

#### Liabilities

Liabilities, which include trade receivables, payables to group entities and other payables, are measured at amortised cost, which is usually equivalent to nominal value.
