Statement by the Board of Directors and the Executive Board

The Board of Directors and the Executive Board have today discussed and approved the annual report of Ultratank Shipping ApS for the financial period 1 January 2020 – 31 December 2020.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

It is our opinion that the financial statements give a true and fair view of the Company's financial position at 31 December 2020 and of the results of the Company's operations for the financial year 1 January – 31 December 2020.

Further, in our opinion, the Management's review gives a fair review of the development in the Company's operations and financial matters and the results of the Company's operations and its financial position.

We recommend that the annual report be approved at the annual general meeting.

Independent auditors' report

To the shareholders of Ultratank Shipping ApS

Opinion

We have audited the financial statements of Ultratank Shipping ApS for the financial year 1 January – 31 December 2020, which comprise accounting policies, income statement, balance sheet and notes. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2020 and of the results of the Company's operations for the financial year 1 January – 31 December 2020 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these rules and requirements.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Independent auditors' report

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

Independent auditors' report

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statement Act. We did not identify any material misstatement of the Management's review.

Principal activities

The company's objects are to engage in counselling and consultancy activities mainly within transport, logistics and trade. Further to own and/or charter and to operate marine vessels and to perform all related activities and services and to perform commercial, technical and crewing services – directly and/or via third parties and to own shares in other companies, primarily related to shipping and marine related activities.

In 2020, Othello Shipping Company ApS has changed its name to Ultratank Shipping ApS.

Financial statements 1 January – 31 December

Accounting policies

The annual report of Ultratank Shipping ApS for 2020 has been prepared in accordance with the provisions applying to reporting class B small enterprises under the Danish Financial Statements Act.

The accounting policies are consistent with those for last year.

Currency translation

Transactions in foreign currency are translated into USD at the exchange rate at the date of the transaction.

The exchange rate USD/DKK as at 31 December 2020 stated at 6.06 (6.68 as at 31 December 2019). The average exchange rate USD/DKK for the year 2020 is 6.54 (6.67 for the year 2019).

Recognition and measurement

Assets are recognized in the balance sheet when it is probable that future economic benefits will flow to the company and the asset can be measured reliably.

Liabilities are recognized in the balance sheet when it is probable that future economic benefits will flow from the company and the value can be measured reliably.

On initial recognition assets and liabilities are recognized at cost. Subsequently, assets and liabilities are recognized as described for each item below.

Certain financial assets and liabilities are measured at amortized cost, including a constant effective yield to maturity. Amortized cost is calculated as original cost less any repayments and plus / minus the cumulative amortization of the difference between cost and nominal amount.

Recognition and measurement take into account gains, losses and a risk arising before the annual report is finalized and that confirms or denies conditions that existed at the balance sheet date.

Income is recognized in the income statement as it accrues, including value adjustments of financial assets and liabilities measured at fair value or amortized cost. Moreover, costs incurred to generate the year's earnings, including depreciation, amortization and provisions and reversals due to changed accounting estimates of amounts previously recognized in the income statement.

Financial statements 1 January – 31 December

Gross profit

Freight income and voyage related costs are presented as Gross profit in accordance with the Danish Financial Statements Act paragraph 32. If the company acts as an agent, only the agency commission is recognised in gross profit.

Freight income

The freight income reflects the income earned by the vessels operated.

For vessels on time charter and bareboat contracts, income is recognized upon delivery of the services in accordance with the charter parties concluded.

Voyage related cost

Voyage related expenses includes charter hire and other costs incidental to the commercial operation of the vessels and are recognized under a percentage of completion.

Administrative expenses

Administrative expenses comprise expenses incurred during the year for company management and administration, including expenses for administrative staff, management, office premises and office expenses, and depreciation.

Other operating income

Other operating income comprises items secondary to the activities of the Company.

Financial income and expenses

Financial income and expenses comprise interest income and expense, and other financial expenses.

Balance sheet

Corporation tax and deferred tax

Ultratank Shipping ApS is jointly taxed with the parent company Ultrana Denmark ApS and the parent company is the administration company for the jointly taxed companies. The current Danish corporation tax is allocated between the jointly taxed companies in proportion to their taxable income. Companies that use tax losses in other companies pay the joint tax contribution to the parent company at an amount corresponding to the tax value of the tax losses used. Companies whose tax losses are used by other companies receive joint tax contributions from the parent company corresponding to the tax value of the losses used (full absorption). The jointly taxed companies are taxed under the tax prepayment scheme.

Tax for the year comprises current tax and changes in deferred tax for the year. The tax expense relating to the profit/loss for the year is recognized in the income statement. Tax attributable to entries directly under comprehensive income is recognized directly in equity.

Financial statements 1 January – 31 December

Liabilities other than provisions

Financial liabilities which comprises of trade payable and payables to associated companies are recognized at the date of borrowing at the net proceeds received less transaction costs paid. In subsequent periods, the financial liabilities are measured at amortized cost, corresponding to the capitalized value using the effective interest rate.

Other liabilities are measured at net realizable value.
