Statement by the Board of Directors and the Executive Board

Today, the Board of Directors and the Executive Board have discussed and approved the annual report of Global Wind Power Europe ApS for the financial year 1 July 2022 - 30 June 2023.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 30 June 2023 and of the results of the Company's operations for the financial year 1 July 2022 - 30 June 2023.

Further, in our opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

We recommend that the annual report be approved at the annual general meeting.

Independent auditor's report

To the shareholders of Global Wind Power Europe ApS

Opinion

We have audited the financial statements of Global Wind Power Europe ApS for the financial year 1 July 2022 - 30 June 2023, which comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 30 June 2023 and of the results of the Company's operations for the financial year 1 July 2022 - 30 June 2023 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

Independent auditor's report

- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statement Act. We did not identify any material misstatement of the Management's review.

Financial statements 1 July 2022 - 30 June 2023

Notes to the financial statements

1 Accounting policies

The annual report of Global Wind Power Europe ApS for 2022/23 has been prepared in accordance with the provisions in the Danish Financial Statements Act applying to reporting class B entities and elective choice of certain provisions applying to reporting class C entities.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

Reporting currency

The financial statements are presented in euros (EUR), as the Company's most significant transactions are settled in EUR.

Intra-group business combinations

The book value method is applied to business combinations such as acquisition and disposal of investments, demergers, contributions of assets and share conversions, etc. in which entities controlled by the parent company are involved, provided that the combination is considered completed at the time of acquisition without any restatement of comparative figures. Differences between the agreed consideration and the carrying amount of the acquiree are recognised directly in equity.

Mergers carried out between the parent company and its subsidiary (vertical merger) are not considered to be a business combination since no control is established in the transaction. Instead, the previous control continues in a changed legal form. The concentration is therefore carried out in accordance with the group method, which implies that the values used in the parent company's consolidated accounts are used as the continuing values of the continuing company, regardless of whether the continuing company is the parent or the subsidiary. If the parent company involved in the merger does not prepare consolidated financial statements, statements corresponding to the fact that the parent company has always prepared consolidated financial statements, which include an allocation of purchase price at the time of group creation, less depreciation at identified added value from the time of acquisition until the date of the merger's accounting effect.

The application of the group method therefore means that the added value that would have been recognised in a consolidated financial statement or when measuring the holding in the subsidiary according to the equity method, including goodwill, will continue in the continuing business. The financial statements of the continuing entity are reflected as if the merger had been completed at the original time of acquisition, which means that comparison figures and key figures and ratios are adjusted back to that time. Therefore, the exception to the adjustment of comparison figures in the book value method is not applied.

Foreign currency translation

On initial recognition, transactions denominated in foreign currencies are translated at the exchange rate at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and the date of payment are recognised in the income statement as financial income or financial expenses.

Receivables and payables and other monetary items denominated in foreign currencies are translated at the exchange rate at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the most recent financial statements is recognised in the income statement as financial income or financial expenses.

Financial statements 1 July 2022 - 30 June 2023

Notes to the financial statements

1 Accounting policies (continued)

Income statement

Revenue

The Company has chosen IAS 11/IAS 18 as interpretation for revenue recognition.

Income from the sale of products, comprising Greenfield-projects, is recognised in revenue when transfer of the most significant rewards and risks to the buyer has taken place, the income can be reliably measured and payment is expected to be received. The date of the transfer of significant rewards and risks will typically be the date on which a final written transfer agreement is signed.

Revenue is measured at the fair value of the agreed consideration excluding VAT and taxes charged on behalf of third parties. All discounts and rebates granted are recognised in revenue.

Gross profit/loss

The items revenue, other operating income and external expenses have been aggregated into one item in the income statement called gross profit/loss in accordance with section 32 of the Danish Financial Statements Act.

Other operating income

Other operating expenses comprise items of a secondary nature relative to the Company's core activities.

Other external expenses

Other external expenses include the year's expenses relating to the Company's core activities, including expenses relating to administration etc.

Staff costs

Staff costs include wages and salaries, including compensated absence and pension to the Company's employees, as well as other social security contributions, etc. The item is net of refunds from public authorities.

Financial expenses

Financial expenses are recognised in the income statements at the amounts that concern the financial year. Net financials include interest expenses as well as allowances and surcharges under the advance-payment-of-tax scheme, etc.

Tax

Tax for the year includes current tax on the year's expected taxable income and the year's deferred tax adjustments. The portion of the tax for the year that relates to the profit/loss for the year is recognised in the income statement, whereas the portion that relates to transactions taken to equity is recognised in equity.

Balance sheet

Receivables

The Company has chosen IAS 39 as interpretation for impairment write-down of financial receivables.

Receivables are measured at amortised cost.

Impairments are recognised based on an objective indication that a receivable is impaired.

Financial statements 1 July 2022 - 30 June 2023

Notes to the financial statements

1 Accounting policies (continued)

Cash

Cash and cash equivalents include deposits in bank accounts and cash equivalents.

Equity

Proposed dividends

Dividend proposed for the year is recognised as a liability once adopted at the annual general meeting (declaration date). Dividends expected to be distributed for the financial year are presented as a separate item under "Equity".

Liabilities

The Company has chosen IAS 39 as interpretation for liabilities.

Other liabilities are measured at net realisable value.

2 Special items

Special items comprise significant income and expenses of a special nature and significant one-off items.

Profit of the year 2021/22 was positively affected by a partial refund of the funds lost due to the cyber attack which negatively impacted year 2020/21.

Special items for the year are specified below just as are the items under which they are recognised in the income statement.

EUR'000	<u>2022/23</u>	<u>2021/22</u>
Income		
Partial refund of loss from cyber attack	0	211
	<u>0</u>	<u>211</u>
Special items are recognised in the below items of the financial statements		
Gross profit/loss	0	211
Net profit on special items	<u>0</u>	<u>211</u>

3 Staff costs

Wages/salaries	103	100
Pensions	8	8
Other social security costs	0	1
Other staff costs	1	1
	<u>112</u>	<u>110</u>
Average number of full-time employees	<u>1</u>	<u>1</u>

Financial statements 1 July 2022 - 30 June 2023

Notes to the financial statements

4 Contingent assets

Non-recognized deferred tax asset, which primarily comprises of deferred tax losses amounts to EUR 1.183 thousand at 30 June 2023. The amount is not recognized as there are uncertainties regarding the use hereof in the coming 2-3 years.

The Company has an unrecognized receivable of EUR 602 thousand which relates to a hacker attack that occurred in the financial year 2020/21. Since the hacker attack, the Management has tried to recover the stolen amount, and a part of the stolen amount was recovered in the financial year 2021/22. There is a legal battle over the remaining amount of EUR 602 thousand and the valuation is inherently subject to uncertainty as it is based on assumptions about future events. The remaining amount of EUR 602 thousand is not recognized in the Annual report 2022/23.
