## Statement by the Executive Board

Today, the Executive Board has discussed and approved the annual report of Cylindo International ApS for the financial year 1 January - 31 December 2023.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2023 and of the results of the Company's operations for the financial year 1 January - 31 December 2023.

Further, in my opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

I recommend that the annual report be approved at the annual general meeting.

Copenhagen, 27 June 2024  
Executive Board:

---

Jostein Pedersen  
CEO

## Independent auditor's report

To the shareholders of Cylindo International ApS

### Conclusion

We have conducted an extended review of the financial statements of Cylindo International ApS for the financial year 1 January - 31 December 2023, which comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

Based on the work we have performed, in our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2023 and of the results of the Company's operations for the financial year 1 January - 31 December 2023 in accordance with the Danish Financial Statements Act.

### Basis for conclusion

We conducted our extended review in accordance with the Danish Business Authority's standard on extended review for Small entities and FSR - Danish Auditors' standard on extended review of financial statements prepared in accordance with the Danish Financial Statements Act. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the extended review of the financial statements" section. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

### *Independence*

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

### Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control that Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's responsibilities for the extended review of the financial statements

Our responsibility is to express a conclusion on the financial statements. This requires that we plan and perform procedures to obtain limited assurance for our conclusion on the financial statements and perform specifically required supplementary procedures to obtain additional assurance for our conclusion.

An extended review comprises procedures that primarily consist of making enquiries of Management and others within the Company, as appropriate, analytical procedures and the specifically required supplementary procedures as well as evaluation of the evidence obtained.

The procedures performed in an extended review are less than those performed in an audit, and accordingly, we do not express an audit opinion on the financial statements.

### Statement on the Management's review

Management is responsible for the Management's review.

Our conclusion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our extended review of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the extended review, or otherwise appears to be materially misstated.

### Independent auditor's report

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statement Act. We did not identify any material misstatement of the Management's review.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies

The annual report of Cylindo International ApS for 2023 has been prepared in accordance with the provisions in the Danish Financial Statements Act applying to reporting class B entities and elective choice of certain provisions applying to reporting class C entities.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

#### Reporting currency

The financial statements are presented in Danish kroner (DKK'000).

#### Foreign currency translation

On initial recognition, transactions denominated in foreign currencies are translated at the exchange rate at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and the date of payment are recognised in the income statement as financial income or financial expenses.

Receivables and payables and other monetary items denominated in foreign currencies are translated at the exchange rate at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the most recent financial statements is recognised in the income statement as financial income or financial expenses.

### Income statement

#### Revenue

The Company has chosen IAS 11/IAS 18 as interpretation for revenue recognition.

Income from the rendering of services is recognised as revenue as the services are rendered. Accordingly, revenue corresponds to the market value of the services rendered during the year (percentage-of-completion method).

Revenue is measured at the fair value of the agreed consideration excluding VAT and taxes charged on behalf of third parties. All discounts and rebates granted are recognised in revenue.

#### Other operating income

Other operating income comprise items of a secondary nature relative to the Company's core activities, including gains on the sale of fixed assets.

#### Other external expenses

Other external expenses include the year's expenses relating to the Company's core activities, including expenses relating to distribution, sale, advertising, administration, premises, bad debts, payments under operating leases, etc.

#### Staff costs

Staff costs include wages and salaries, including compensated absence and pension to the Company's employees, as well as other social security contributions, etc. The item is net of refunds from public authorities.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies (continued)

##### Amortisation/depreciation

The item comprises depreciation of property, plant and equipment.

The basis of depreciation, which is calculated as cost less any residual value, is depreciated on a straight line basis over the expected useful life. The expected useful lives of the assets are as follows:

|  |         |
|--|---------|
| Fixtures and fittings, other plant and equipment | 5 years |
|--|---------|

##### Financial expenses

Financial expenses are recognised in the income statements at the amounts that concern the financial year. Net financials include interest expenses as well as allowances and surcharges under the advance-payment-of-tax scheme, etc.

##### Tax

Tax for the year includes current tax on the year's expected taxable income and the year's deferred tax adjustments. The portion of the tax for the year that relates to the profit/loss for the year is recognised in the income statement, whereas the portion that relates to transactions taken to equity is recognised in equity.

The Company and its Danish group entities are jointly taxed. The total Danish income tax charge is allocated between profit/loss-making Danish entities in proportion to their taxable income (full absorption).

Jointly taxed entities entitled to a tax refund are reimbursed by the management company based on the rates applicable to interest allowances, and jointly taxed entities which have paid too little tax pay a surcharge according to the rates applicable to interest surcharges to the management company.

### Balance sheet

##### Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes the acquisition price and costs directly related to the acquisition until the time at which the asset is ready for use.

##### Leases

The Company has chosen IAS 17 as interpretation for classification and recognition of leases.

Leases that do not transfer substantially all the risks and rewards incident to the ownership to the Company are classified as operating leases. Payments relating to operating leases and any other rent agreements are recognised in the income statement over the term of the lease. The Company's aggregate liabilities relating to operating leases and other rent agreements are disclosed under "Contingent liabilities".

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies (continued)

##### **Impairment of fixed assets**

The carrying amount of property, plant and equipment is assessed for impairment on an annual basis.

Impairment tests are conducted on assets or groups of assets when there is evidence of impairment. The carrying amount of impaired assets is reduced to the higher of the net selling price and the value in use (recoverable amount).

The recoverable amount is the higher of the net selling price of an asset and its value in use. The value in use is calculated as the present value of the expected net cash flows from the use of the asset or the group of assets and the expected net cash flows from the disposal of the asset or the group of assets after the end of the useful life.

Previously recognised impairment losses are reversed when the reason for recognition no longer exists.

##### **Receivables**

The Company has chosen IAS 39 as interpretation for impairment write-down of financial receivables.

Receivables are measured at amortised cost, usually equalling nominal value less writedowns for bad and doubtful debts.

An impairment is recognised if there is objective evidence that a receivable is impaired.

##### **Prepayments**

Prepayments recognised under "Assets" comprise prepaid expenses regarding subsequent financial reporting years.

##### **Cash**

Cash and cash equivalents comprise cash and deposits at banks.

##### **Income taxes**

Current tax payables and receivables are recognised in the balance sheet as the estimated income tax charge for the year, adjusted for prior-year taxes and tax paid on account.

Deferred tax is measured according to the liability method on all temporary differences between the carrying amount and the tax base of assets and liabilities. Where alternative tax rules can be applied to determine the tax base, deferred tax is measured based on Management's intended use of the asset or settlement of the liability, respectively.

Deferred tax is measured according to the tax rules and at the tax rates applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax. Deferred tax assets are recognised at the expected value of their utilisation; either as a set-off against tax on future income or as a set-off against deferred tax liabilities in the same legal tax entity. Changes in deferred tax due to changes in the tax rate are recognised in the income statement.

##### **Liabilities**

The Company has chosen IAS 39 as interpretation for liabilities.

Other liabilities are measured at net realisable value.
