## Management's Statement on the Annual Report

---

The management have today considered and approved the annual report for Proud City (Denmark) Agri ApS for the financial year 1 January to 31 December 2022.

The annual report is presented in accordance with the Danish Financial Statements Act.

In the managements opinion, the financial statements give a true and fair view of the company's financial position at 31 December 2022 and of its financial performance for the financial year 1 January to 31 December 2022.

We recommend the annual report for approval at the annual general meeting.

Harboøre, 29. june 2023

### **Executive Board**

#### **Annual general meetings decision regarding opting out of auditing:**

It is proposed to the annual general meeting on 29. june 2023 that the financial statements for 2023 should not be audited. The management have concluded that the requirements for opting out of auditing have been met.

# Independent Auditor's Report

---

## To the shareholders of Proud City (Denmark) Agri ApS

### Opinion

We have audited the Financial Statements of Proud City (Denmark) Agri ApS for the financial year 1 January - 31 December 2022, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies, for the Company. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the Company's financial position at 31 December 2022 and of the results of the Company's operations for the financial year 1 January - 31 December 2022 in accordance with the Danish Financial Statements Act.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards) (IESBA Code), together with the ethical requirements that are relevant to our audit of the financial statements in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users of accounting information taken on the basis of these Financial Statements.

## Independent Auditor's Report

---

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- \* Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- \* Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- \* Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- \* Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the Financial Statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- \* Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Independent Auditor's Report

---

### **Statement on Management's Review**

Management is responsible for Management's Review.

Our opinion on the Financial Statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the Financial Statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

## Management's review

---

### **Main activities**

Like previous years, the company's activity is the rental of mink farms.

### **Uncertainty of recognition and measurement**

Due to the company's activity within the mink industry, the company is largely affected of the of Covid-19.

In view of the general market situation in the mink fur breeder industry, including the influences from COVID-19 after the end of the financial year, there is an extraordinary situation regarding uncertainty in the recognition and measurement of the company's land and buildings.

Consequently, management has relied on the indications of impairment of land and buildings.

In the autumn of 2020 the company's tenant, has been forcibly shut down by the authorities, and the tenant's activity with the operation of mink farms has thus ceased.

The land and buildings are recognized in the balance sheet with a value of 7.040 t.kr. These assets are valued at normal impairment based on the company's normal accounting policies. As mentioned above, the company's activity has been greatly affected as a result of the closure of Danish mink farms. The company expects to be covered by the compensation schemes that are being worked on from a political point of view, but as the scope of these compensation schemes is partly unknown, there is thus uncertainty associated with the valuation of the mink farm as well as production facilities and machinery.

### **Development in activities and financial position**

Profit for the year was TDKK -206 against TDKK -220 last year. Management considers the result for the year to be very unsatisfactory.

### **Going concern - Financial resources**

The company's operations are financed by an intercompany loan from the parent company Proud City Enterprises Ltd. The company expects to restore the share capital through its operations the coming years or by capital contribution from its parent company.

The company has received a letter of support from Proud City Enterprises Ltd. Which confirms that Proud City Enterprises Ltd. will continue to fund Proud City (Denmark) ApS by giving necessary credit to make sure that Proud City (Denmark) ApS can continue the business for at least a year.

### **Expected development**

In November 2020, the Covid-19 pandemic led to a political decision that all mink in Denmark should be killed. This, of course, has a major impact on the company's activity with rental of minkfarms.

## Management's review

---

It is not yet possible to determine the full consequences of this decision. It is the management's assessment that the decision will have major consequences for the future situation. It is estimated that the compensations the company will receive as a result of the political decision, at least correspond to the book values per. 31/12 2022. The exact compensation to which the company is entitled, is not known at the time of presentation of the annual report, which means that there is uncertainty about the exact size.

The company operations are financed by the parent company, Proud City Enterprises Ltd., and expect to be able to recover the company's capital through positive operations combined with capital contributions from the parent company. The company has received a letter of support from Proud City Enterprises Ltd., which confirms that the mother company will continue the business for at least a year.

### **Significant events after the end of the financial year**

Apart from the possible consequences of COVID-19, no events have occurred after the end of the financial year that could materially affect the company's financial position.

## Accounting principles applied

---

The annual report for Proud City (Denmark) Agri ApS 2022 has been prepared in accordance with the Danish Financial Statements Act for class B companies with application of individual rules from class C.

The income statement is presented by type of expenditure and the balance sheet is presented in account from. The measurement currency used is Danish kroner. All other currencies are considered foreign currency.

The accounting principles were applied consistently with the principles of last year's financial reporting.

### **General information on recognition and measurement**

Income is recognized in the income statement as earned, including any value adjustments of financial assets and liabilities. Furthermore, all costs, including amortisation/depreciation and write-downs, are recognized in the income statement.

Assets are recognized in the balance sheet when it is probable that future economic benefits will flow to the company, and the value of the assets can be measured reliably.

Liabilities are recognized in the balance sheet when it is probable that future economic benefits will flow out of the company, and the value of the liabilities can be measured reliably.

The first recognition measures assets and liabilities at cost. Subsequently, assets and liabilities will be measured individually in respect of each accounting item as described below.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

### **Income statement**

#### **Gross profit**

In pursuance of section 32 (1) of the Danish Financial Statements Act, the first item in the income statement is the gross profit. The item gross profit is the result of revenue, cost of sales, other external cost and other operating income.

#### **Revenue**

Revenue consists of rental income and recognized in the income statement in the year in which the rental period covers.

#### **Other external costs**

Other external cost comprise costs for administration, premises etc.

## Accounting principles applied

---

### **Financial items**

Financial income and expenses are recognized in the income statement with the amounts relating to the financial year. The financial items comprise interest income and expense, realized and unrealized exchange rate, gains and losses resulting from transactions in foreign currencies and surcharges and refunds regarding corporation tax.

### **Tax for the year**

The company is jointly taxed with other group companies. The current corporation tax is divided between the jointly taxed companies pro rata to their taxable incomes. The parent company functions as the management company for the joint taxation and handles the tax payments to the danish tax authorities.

Tax for the year, which consists of current tax for the year and changes in deferred tax, is recognized in the income statement by the portion attributable to the profit for the year and recognized directly on equity by the portion attributable to entries directly on equity.

### **Balance sheet**

#### **Tangible fixed assets**

Land and buildings are measured at cost price less accumulated depreciation and write-down.

Depreciation is based on cost price less expected residual value after end of service life. Land is not subject to depreciation. The cost price includes acquisition price and costs directly linked to the acquisition until the time when the asset is ready for commencement of use.

Straight-line depreciation is based on the following assesment of the assets expected useful lives:

- Buildings: life cycle 50 years, residual value 0-20%

Assets with a cost per unit under the tax threshold for small assets are recognized as expenses in the year of acquisition.

Profits or losses in connection with disposal of tangible fixed assets are calculated as the difference between the sales price less sales costs and the book value at the time of sale. Profits and losses are entered in the income statement under other operating income and -costs.

#### **Impairment of fixed assets**

The carrying value of intangible and tangible fixed assets and investments in subsidiaries are assessed annually for indications of impairment beyond what is expressed by depreciation.

If there are indications of impairment, an impairment test of each asset or group of assets will be made. Impairment will be made to its recoverable amount if this is lower than the carrying value.

## Accounting principles applied

---

### **Receivables**

Receivables are measured at amortized cost, which usually corresponds to the nominal value. Value is reduced by provisions for bad debts.

### **Prepayments**

Prepaid expenses are recorded as assets.

### **Liquid Assets**

Liquid assets are measured at nominal value.

### **Dividend**

Proposed dividend for the financial year is recognized as a separate component of the equity. Proposed dividends are recognized as a liability at the time of adoption.

### **Tax payable and deferred tax**

Current tax liabilities and current tax assets are recognized in the balance sheet as tax calculated on the taxable income allocated with the current tax rate, and adjusted for tax on prior years taxable income and prepaid taxes.

Deferred tax is measured by the liability method concerning temporary differences between the carrying value and tax value of assets and liabilities, calculated based on the planned use of the assets and settlement of the obligation, respectively.

Deferred tax assets, including the tax value of tax losses allowed for carry-forward, are measured at the value at which the asset is expected to be realisable, either through elimination in tax on future earnings or through offsetting in deferred tax liabilities in the same legal tax unit. Any deferred net tax assets are measured at their net realisation values.

Deferred tax is measured based on the tax rules and tax rates applicable in pursuance of the legislation in force on the balance sheet date when the deferred tax is expected to become payable as current tax. Changes in deferred tax due to change in tax rates is recognized in the income statement.

### **Liabilities**

Other liabilities are measured at amortised cost corresponding to the nominal value.

### **Conversion of foreign currency**

Transactions in foreign currencies are converted at the rate of exchange on the transaction date. Exchange differences arising between the rate on the transaction date and the rate on the payment date are recognized in the income statement as a financial income or expense. If the foreign exchange position is considered to hedge future cash flows, the unrealised exchange adjustments are recognized directly in the equity.

## **Accounting principles applied**

---

Accounts receivable, payable and other monetary items in foreign currencies that are not settled on the balance sheet date are converted at the exchange rate on the balance sheet date. The difference between the exchange rate on the balance sheet date and the receivable or payable is recognized in the income statement as financial income or expenses.

Fixed assets acquired in foreign currencies are converted at the rate of exchange on the transaction date.

## Noter

---

### 1. Special circumstances

Management has had difficulty in assessing the total final financial consequences of the COVID 19 outbreak and its possible effect on the company.

Management expects ample liquidity for next year's operations. A letter of intent has been issued regarding necessary credit from shareholders until 31. december 2023.

The annual financial statements has thus been prepared in accordance with the principle of continued operation.

Reference is also made to the note Uncertainty in recognition and measurement

	2022	2021
<b>2. Depreciation and write-downs</b>		
Depreciation and write-downs of fixed assets	191.854	191.854
<b>Total depreciation and write-downs</b>	<u>191.854</u>	<u>191.854</u>

### 3. Long-term liabilities

TDKK 7.556 of long-term debt are due after 5 years.

### 4. Main activity

The company's main activity is to own a minkfarm.

### 5. Contingencies

The company has a tax loss. The deferred tax liability associated therewith is not enabled, as it is estimated that it will not be used.

The value of the tax asset amounts to TDKK 333.

The company is liable for the total tax of jointly taxed Danish companies.

## Noter

---

### **6. Uncertainty in recognition and measurement**

The mink farms are recognized in the balance sheet with a value of 7.040 t.kr. These assets are valued at normal impairment based on the company's normal accounting policies. As mentioned above, the company's activity has been forcibly shut down by the authorities in connection with the general closure of Danish mink farms, and the application possibilities for the mink farm are unknown.

Investments in group companies are also greatly affected as a result of Covid-19. The activity in the group company are closely related to the activity in the Danish farms.

The company expects to be covered by the compensation schemes that are being worked on from a political point of view, but as the scope of these compensation schemes is partly unknown, there is thus uncertainty associated with the valuation of the mink farm.
