## **Statement by Management on the annual report**

The Executive Board have today considered and approved the annual report of Scandferries ApS for the financial year 01.01.2020 - 31.12.2020

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2020 and of the results of its operations for the financial year 01.01.2020 - 31.12.2020.

We believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

We recommend the annual report for adoption at the Annual General Meeting.

Copenhagen, 26 April 2021

## **Independent auditor's report**

### **To the shareholder of Scandferries ApS**

#### **Opinion**

We have audited the financial statements of Scandferries ApS for the financial year 01.01.2020 - 31.12.2020, which comprise the income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2020 and of the results of its operations for the financial year 01.01.2020 - 31.12.2020 in accordance with the Danish Financial Statements Act.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's responsibilities for the audit of the financial statements section of this auditor's report. We are independent of the Entity in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Management's responsibilities for the financial statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Entity's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they

could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **Statement on the management commentary**

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the management commentary is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the management commentary.

## **Management Commentary**

### **Primary activities**

The Company's primary activity is to own affiliated companies.

### **Development in activities and finances**

The financial year 2020 shows a result for the year of TEUR -34, which is TEUR 341.439 lower than 2019.

As of 31 December 2020, total assets were TEUR 451,264 with a total equity of TEUR 400,493.

The financial statements have been prepared as the first year without consolidation at the Scandferries ApS level. In previous years, the Company has prepared and published consolidated financial statements. From 2020, the Company is only preparing stand-alone financial statements, and for the consolidated financial statements reference is made to the consolidated financial statements prepared and published by Scandlines Infrastructure ApS.

We refer to the financial statements of Scandlines Infrastructure ApS for a description of the group performance and Covid-19 risks.

### **Statutory report on corporate social responsibility**

Scandferries ApS considers such matters as human rights, social aspects, environment and anticorruption as important elements of the Group's business strategy and activities.

Corporate Social Responsibility is about living the values and principles that govern our behavior as a responsible business in respect of customers, staff, suppliers and investors. It is our clear policy to comply with the words and spirit of the laws, rules and regulations that apply in the countries within our companies operate.

We refer to separate CSR report for Scandlines Infrastructure ApS.

### **Events after the balance sheet date**

No events have occurred in the period from the balance sheet date until the date of release of this annual report that would materially affect the evaluation of the annual report.

### 3 Contingent liabilities

Scandferries ApS is jointly taxed with all other Danish Scandlines companies. Under the joint taxation scheme, each company is liable only for its own tax on the taxable income until the tax has been paid to the administration company (Scandlines infrastructure ApS). Scandlines infrastructure ApS, being the administration company, is then solely obliged to pay the tax on the joint taxation income. The Company is liable from the financial year 2013 for income taxes etc. for the jointly taxed companies and from 1 July 2012 also for obligations, if any, relating to the withholding of tax on interest, royalties and dividend for the jointly taxed companies.

## Notes

### 4 Assets charged and collateral

Debt of Scandlines ApS is secured by way of a charge on Scandferries ApS' recognized assets, such as investments in subsidiaries.

The Company have joint and several liability with the other group enterprises for the group financing arrangement.

At 31 December, the carrying amounts of assets provided as security are as follows:

	<b>31-12-2020</b>	<b>31-12-2019</b>
	<b>EUR'000</b>	<b>EUR'000</b>
Investments in subsidiaries	450.603	423.602

### 5 Transactions with related parties

There have not been transactions between the company and its related parties which are not carried out under normal market conditions.

### 6 Group relations

Name and registered office of the Parent preparing consolidated financial statements for the smallest and the largest group:

Scandlines Infrastructure ApS, Copenhagen

### 7 Employees

The Company has no employees.

## Accounting policies

### Reporting class

In previous years, the Company has prepared and published consolidated financial statements prepared in accordance with the International Financial Reporting Standards (IFRS). From 2020, the Company is only preparing stand-alone financial statements prepared in accordance with the provisions of the Danish Financial Statements Act applying the rules governing class B enterprises with the addition of certain provisions applying for class C enterprises.

For the stand-alone financial statements, the change in accounting framework from IFRS to the Danish Financial Statements Act did not have any effect on the recognition and measurement of these financial statements.

The accounting policies applied for these financial statements beside the above-described are consistent with those applied last year.

The Financial Statements have been presented in TEUR.

### Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

### Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange differences that arise between the rate at the transaction date and the one in effect at the payment date, or the rate at the balance sheet date are recognised in the income statement as financial income or financial expenses. Fixed assets that have been purchased in foreign currencies are translated using historical rates.

**Income statement****Other external expenses**

Other external expenses include expenses relating to the Entity's ordinary activities, including corporate costs.

**Income from investments in subsidiaries**

Income from investments in affiliated companies comprises dividend etc. received from the individual group enterprises in the financial year.

**Other financial income and expenses**

Other financial income and expenses comprise interests, including interests on balances to group enterprises, bank interests and amortisation of financial liabilities.

**Tax on profit/loss for the year**

Tax for the year, which consists of current tax for the year and changes in deferred tax, is recognised in the income statement by the portion attributable to the profit for the year and recognised directly in equity by the portion attributable to entries directly in equity.

The Entity is jointly taxed with all Danish subsidiaries. The current Danish income tax is allocated among the jointly taxed entities proportionally to their taxable income (full allocation with a refund concerning tax losses).

**Balance sheet****Investments in subsidiaries**

Investments in subsidiaries are measured at cost and are written down to the lower of recoverable amount and carrying amount.

**Receivables**

Receivables are measured at amortised cost, usually equaling nominal value less write-downs for bad and doubtful debts.

**Income tax payable or receivable**

Current tax payable or receivable is recognised in the balance sheet, stated as tax calculated on this year's taxable income, adjusted for prepaid tax.

**Cash**

Cash comprises cash in hand and bank deposits.

**Other financial liabilities**

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.

**Consolidated Financial Statement**

With reference to the Danish Financial Statements Act §112(2), the Company has not prepared Consolidated Financial Statements. The Company's Financial Statements are included in the Consolidated Financial Statements of Scandlines Infrastructure ApS.
