Peterson Ejendom Randers A/S
Annual report 2021
CVR no. 35 87 20 00

Statement by the Board of Directors and the Executive Board

The Board of Directors and the Executive Board have today discussed and approved the annual report of Peterson Ejendom Randers A/S for the financial year 1 January – 31 December 2021.

The annual report has been prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's assets, liabilities and financial position at 31 December 2021 and of the results of the Company's operations for the financial year 1 January – 31 December 2021.

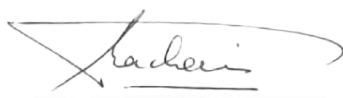

Further, in our opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

We recommend that the annual report be approved at the annual general meeting.

Randers, 12 May 2022
Executive Board:

Morten Kjølsgaard

Board of Directors:

Pierre Macharis
Chairman

Wim Bert R. Messian

Independent auditor's report

To the shareholder of Peterson Ejendom Randers A/S

Opinion

We have audited the financial statements of Peterson Ejendom Randers A/S for the financial year 1 January – 31 December 2021 comprising income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's assets, liabilities and financial position at 31 December 2021 and of the results of the Company's operations for the financial year 1 January – 31 December 2021 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control that Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements in Denmark will always detect a material misstatement when it exists. Misstatements may arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also

- identify and assess the risks of material misstatement of the company financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

Independent auditor's report

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

Management's review

Operating review

Principal activities

The Company's activity is to rent out property.

Development in activities and financial position

The Company's income statement for 2021 shows a profit of DKK 2,547 thousand as against DKK 2,544 thousand in 2020. Equity in the Company's balance sheet at 31 December 2021 stood at DKK 33,123 thousand as against DKK 30,576 thousand at 31 December 2020.

The financial year was in line with forecast, and profit for the year is considered satisfactory.

Events after the balance sheet date

No events materially affecting the Company's financial position have occurred subsequent to the financial year end.

Outlook

As the level of activity in 2022 is expected to be at level with 2021, profit for 2022 is expected to be in line with 2021.

Notes

1 Accounting policies

The annual report of Peterson Ejendom Randers A/S for 2021 has been prepared in accordance with the provisions applying to reporting class B entities under the Danish Financial Statements Act with opt-in from higher reporting classes.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

Income statement

Gross profit

Pursuant to section 32 of the Danish Financial Statements Act, the Company has decided only to disclose gross profit.

Revenue

Revenue is measured at the fair value of the agreed consideration excluding VAT and taxes charged on behalf of third parties. All discounts and rebates granted are recognised.

Other external costs

Other external costs comprise administration, etc.

Financial expenses

Financial expenses comprise interest expenses.

Tax on profit for the year

Peterson Ejendom Randers A/S is subject to the Danish rules on compulsory joint taxation of the Group's Danish subsidiaries.

VPK Packaging A/S is the administrative company for the joint taxation and accordingly settles all payments of corporation tax to the tax authorities.

On payment of joint taxation contributions, current Danish corporation tax is allocated between the jointly taxed entities in proportion to their taxable income. Entities with tax losses receive joint taxation contributions from entities that have used the losses to reduce their own taxable profit.

Tax for the year comprises current corporation tax for the year and changes in deferred tax, including changes in tax rates. The tax expense relating to the profit/loss for the year is recognised in the income statement, and the tax expense relating to amounts directly recognised in equity is recognised directly in equity.

Financial statements 1 January – 31 December

Notes

1 Accounting policies (continued)

Balance sheet

Property, plant and equipment

Land and buildings are measured at cost less accumulated depreciation.

Cost comprises the purchase price and any costs directly attributable to the acquisition until the date on which the asset is available for use.

The basis of depreciation is cost less any projected residual value after the end of the useful life. Depreciation is provided on a straight-line basis over the estimated useful life. The estimated useful lives are as follows:

| | |
|-----------|----------|
| Buildings | 20 years |
|-----------|----------|

The useful life and residual value are reassessed annually. Changes are treated as accounting estimates, and the effect on depreciation is recognised prospectively.

Land is not depreciated.

Gains and losses on the disposal of property, plant and equipment are stated as the difference between the selling price less selling costs and the carrying amount at the date of disposal. Gains and losses are recognised in the income statement as other operating income or other operating costs, respectively.

Impairment of fixed assets

The carrying amount of property, plant and equipment is subject to an annual test for indications of impairment other than the decrease in value reflected by depreciation.

Impairment tests are conducted of individual assets or groups of assets when there is an indication that they may be impaired. Write-down is made to the recoverable amount if this is lower than the carrying amount.

The recoverable amount is the higher of an asset's net selling price and its value in use. The value in use is determined as the present value of the forecast net cash flows from the use of the asset or the group of assets, including forecast net cash flows from the disposal of the asset or the group of assets after the end of the useful life.

Receivables

Receivables are measured at amortised cost.

Write-down is made for bad debt losses where there is an objective indication that a receivable or a portfolio of receivables has been impaired. If there is an objective indication that an individual receivable has been impaired, write-down is made on an individual basis.

Financial statements 1 January – 31 December

Notes

1 Accounting policies (continued)

Corporation tax and deferred tax

Current tax payable and receivable is recognised in the balance sheet as tax computed on the taxable income for the year, adjusted for tax on the taxable income of prior years and for tax paid on account.

Deferred tax is measured using the balance sheet liability method on all temporary differences between the carrying amount and the tax value of assets and liabilities based on the planned use of the asset or settlement of the liability.

Deferred tax is measured in accordance with the tax rules and at the tax rates applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax. Changes in deferred tax as a result of changes in tax rates are recognised in the income statement or equity, respectively.

Liabilities other than provisions

Liabilities are measured at net realisable value.

Equity

Dividends

The expected dividends payment for the year is disclosed as a separate item under equity.

2 Property, plant and equipment

| | Land and buildings |
|--|-----------------------|
| DKK'000 | |
| Cost at 1 January 2021 | 17,910 |
| Cost at 31 December 2021 | 17,910 |
| Depreciation and impairment losses at 1 January 2021 | -5,119 |
| Depreciation for the year | -837 |
| Depreciation and impairment losses at 31 December 2021 | -5,956 |
| Carrying amount at 31 December 2021 | 11,954 |

3 Contractual obligations, contingencies, etc.

Contingent liabilities

Together with the other Danish group entities included in the joint taxation, Peterson Ejendom Randers A/S is jointly and severally liable for jointly taxed income in the VPK Packaging Group and for certain withholding taxes such as dividend tax and royalty tax as well as for the joint registration for VAT. Any subsequent corrections of the taxable income subject to joint taxation or withholding taxes on dividends, etc. may entail an increase in the entities' liability.

Financial statements 1 January – 31 December

Notes

4 Mortgages and collateral

As collateral for the Group's debt to DnB Bank ASA, the Company has issued a mortgage deed, totalling DKK 26,300 thousand, secured upon properties. The carrying amount of the properties is DKK 11,954 thousand.

5 Related party disclosures

Peterson Ejendom Randers A/S' related parties comprise the following:

Control

Peterson Holding AS, Svinesundparken 14, 1788 Halden, Norway.

Peterson Holding AS holds the majority of the contributed capital in the Company.
