# Management's Statement

The Executive and Supervisory Boards have today considered and adopted the Annual Report of Nordana Line A/S for the financial year 1 January - 31 December 2015.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the financial position at 31 December 2015 of the Company and of the results of the Company operations for 2015.

In our opinion, Management's Review includes a true and fair account of the matters addressed in the Review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

# **Independent Auditor's Report on the Financial Statements**

To the Shareholders of Nordana Line A/S

## **Report on the Financial Statements**

We have audited the Financial Statements of Nordana Line A/S for the financial year 1 January - 31 December 2015, which comprise income statement, balance sheet, statement of changes in equity, notes and summary of significant accounting policies. The Financial Statements are prepared in accordance with the Danish Financial Statements Act.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Financial Statements based on our audit. We conducted our audit in accordance with International Standards on Auditing and additional requirements under Danish audit regulation. This requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the Financial Statements are free from material misstatement.

An audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation of Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Management, as well as evaluating the overall presentation of the Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Our audit has not resulted in any qualification.

### **Opinion**

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2015 and of the results of the Company operations for the financial year 1 January - 31 December 2015 in accordance with the Danish Financial Statements Act.

# Independent Auditor's Report on the Financial Statements

## Statement on Management's Review

We have read Management's Review in accordance with the Danish Financial Statements Act. We have not performed any procedures additional to the audit of the Financial Statements. On this basis, in our opinion, the information provided in Management's Review is in accordance with the Financial Statements.

## Company Information

### **The Company**

Nordana Line A/S  
Rungsted Strandvej 113  
DK-2960 Rungsted Kyst  
Website: [www.nordana.dk](http://www.nordana.dk)

CVR No: 36 02 34 73  
Financial period: 1 January - 31 December  
Municipality of reg. office: Hørsholm

### **Supervisory Board**

Johan Wedell-Wedellsborg, Chairman  
Oluf Myhrmann  
Lars Kalstad Vedfelt  
Johnny Schmølker

### **Executive Board**

Johnny Schmølker

### **Auditors**

PricewaterhouseCoopers  
Statsautoriseret Revisionspartnerselskab  
Strandvejen 44  
DK-2900 Hellerup

### **Consolidated Financial Statements**

The Company is included in the Group Annual Report of the Parent Company Weco Group A/S.

## **Management's Review**

Financial Statements of Nordana Line A/S for 2015 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to medium-sized enterprises of reporting class C.

The Annual Report has been prepared under the same accounting policies as last year.

### **Main activity**

The Group's liner activities comprise a service operating between the Mediterranean Sea, Latin and South America, the Caribbean and the USA. The Shipping Company employs advanced Ro/Ro vessels equipped with cranes which enable speedy loading and unloading even in difficult harbours.

Nordana is acknowledged as a specialised carrier with the capacity to accommodate its customers' varying needs for cargo handling in all harbours.

### **Market overview**

At 31 December 2015, Nordana Line A/S Group owned the following vessels:

Ro/Ro vessels:

M.v. Wedellsborg built 2015 11469 dwt

M.v. Stjerneborg built 1994 14730 dwt

As from August, 2015 'Stjerneborg' was chartered out for a period of one year.

Throughout varying periods of 2015, the Group has employed 1 vessel on bareboat hire as well as 1 timechartered vessels.

### **Development in the year**

The income statement of the Company for 2015 shows a loss of TUSD 1,217, and at 31 December 2015 the balance sheet of the Company shows equity of TUSD 8,821.

The year was characterized by a tough market for the RoRo market throughout the year.

# Management's Review

## **The past year and follow-up on development expectations from last year**

Results for the year and the financial position at the balance sheet date are presented in the enclosed Financial Statements of the Nordana Line A/S.

Results for the year were below the expectations expressed in the Annual Report for 2014; the liner activities experienced difficult challenges in particular with filling up three vessels both west bound and east bound. In addition, the continued political instability in a number of North African countries also influenced the results negatively.

The Liner Activities have now been reduced to a 2 ship service and we expect stable earnings for 2016.

## **Special risks - operating risks and financial risks**

### ***Market risks***

Revenues from the shipping operations are linked to global market trends, which through demand fluctuations affect freight rates as well as prices of eg tonnage and fuel. Management currently assesses the extent to which it is relevant to take measures against these market fluctuations, eg through long-term contracts.

International provisions imply that in case of a maritime accident that results in oil or chemical spillage, the company will be imposed heavy financial liabilities in terms of the clean-up work. To reduce this risk, the widest possible insurance coverage has been taken out, comprising environmental and pollution coverage, coverage of the value of vessel and cargo, liability coverage as regards third parties and war risk insurance.

Fluctuations in the price of bunkers affect the operating profit. Price agreements are entered into concerning future purchases of bunkers when the market conditions are estimated to lead to increasing bunkers prices. It is the company's objective that the expected bunkers consumption of all contracts should be covered at the conclusion of the contract.

### ***Currency risks***

Most of the income from shipping activities is in USD and EUR. To a minor extent, foreign exchange required in connection with operating expenses is subject to forward cover if earnings do not counterbalance these at currency level.

The financing of vessels is mainly in USD and therefore most of the currency risk relating to the assets is hedged.

The Group has one loan in EUR. The loan is not hedged and therefore the Group has a currency risk.

# Management's Review

## **Basis of earnings**

## **Research and development**

The company is not involved in research and development activities.

## **Statement in compliance with section 99 (a) of the Danish Financial Statements Act**

The company has no formalized policies on climate change and human rights.

## **Statement in compliance with section 99 (b) of the Danish Financial Statements Act**

### *Target for the underrepresented gender on the Board of Directors*

The Nordana Line has due to regulation set a new target for having a minimum of 40% of each gender on the Board of Directors in 2018. Despite the continuous efforts to improve the gender equality among the members of the Board of Directors, the company has been unable to attract qualified persons of the underrepresented gender. Therefore, the current status of the underrepresented gender is 0%. The target was set in 2014.

### *Policy for increasing the number of women on other management levels*

With reference to the number of employees in the company being less than 50 employees, the company does not wish to disclose its policy for increasing the share of the underrepresented gender at the company's other management levels.

## **Uncertainty relating to recognition and measurement**

Recognition and measurement in the Annual Report have not been subject to any uncertainty.

## **Subsequent events**

No events materially affecting the assessment of the Annual Report have occurred after the balance sheet date.

	<b><u>23.273</u></b>	<b><u>14.529</u></b>

## 11 Contingent assets, liabilities and other financial obligations

### Contingent liabilities

The company's contractual obligations relating to short-term chartering of vessels total tUSD 6,239.

The company has container lease commitments totaling tUSD 974.

The company has lease commitments relating to cars totaling tUSD 69.

As part of the ordinary shipping liner operations, the company regularly receives loading claims from customers.

The individual claims are provided for in the Financial Statements based on an individual assessment.

## **Accounting Policies**

### **Basis of Preparation**

The Annual Report of Nordana Line A/S for 2015 has been prepared in accordance with the provisions of the Danish Financial Statements Act applying to medium-sized enterprises of reporting class C.

The accounting policies applied remain unchanged from last year.

Financial Statements for 2015 are presented in TUSD. Applied US Dollar exchange rate on the 31st of December 2015 : 683,000 (2014 : 612,140).

### **Consolidated financial statements**

With reference to section 112 of the Danish Financial Statements Act and to the consolidated financial statements of Weco Group A/S, the Company has not prepared consolidated financial statements.

### **Cash flow statement**

With reference to section 86(4) of the Danish Financial Statements Act and to the cash flow statement included in the consolidated financial statements of Weco Group A/S, the Company has not prepared a cash flow statement.

### **Recognition and measurement**

Revenues are recognised in the income statement as earned. Furthermore, value adjustments of financial assets and liabilities measured at fair value or amortised cost are recognised. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortisation, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the value of the liability can be measured reliably.

Assets and liabilities are initially measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

### **Leases**

Leases in terms of which the Company assumes substantially all the risks and rewards of ownership (finance leases) are recognised in the balance sheet at the lower of the fair value of the leased asset and the net present value of the lease payments computed by applying the interest rate implicit in the lease or an alternative borrowing rate as the discount rate. Assets acquired under finance leases are depreciated and written down for impairment under the same policy as determined for the other fixed assets of the Company.

## **Accounting Policies**

The remaining lease obligation is capitalised and recognised in the balance sheet under debt, and the interest element on the lease payments is charged over the lease term to the income statement.

All other leases are considered operating leases. Payments made under operating leases are recognised in the income statement on a straight-line basis over the lease term.

### **Translation policies**

Transactions in foreign currencies are translated at the exchange rates at the dates of transaction. Gains and losses arising due to differences between the transaction date rates and the rates at the dates of payment are recognised in financial income and expenses in the income statement.

Receivables, payables and other monetary items in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. Any differences between the exchange rates at the balance sheet date and the transaction date rates are recognised in financial income and expenses in the income statement.

### **Derivative financial instruments**

Derivative financial instruments are initially recognised in the balance sheet at cost and are subsequently remeasured at their fair values. Positive and negative fair values of derivative financial instruments are classified as "Other receivables" and "Other payables", respectively.

Changes in the fair values of derivative financial instruments are recognised in the income statement unless the derivative financial instrument is designated and qualify as hedge accounting.

## **Income Statement**

### **Revenue**

Revenue from the sale of goods is recognised when the risks and rewards relating to the goods sold have been transferred to the purchaser, the revenue can be measured reliably and it is probable that the economic benefits relating to the sale will flow to the Company.

## **Accounting Policies**

Revenue is measured at the consideration received and is recognised exclusive of VAT and net of discounts relating to sales.

### **Vessel operating costs**

Vessel operating costs comprise voyage dependent expenses including raw materials and consumables consumed to achieve revenue for the year.

### **Other external expenses**

Other external expenses comprise indirect production costs and expenses for premises, sales and distribution as well as office expenses, etc.

### **Staff expenses**

Staff expenses comprise wages and salaries as well as payroll expenses.

### **Amortisation, depreciation and impairment losses**

Amortisation, depreciation and impairment losses comprise amortisation, depreciation and impairment of intangible assets and property, plant and equipment.

### **Other operating income and expenses**

Other operating income and other operating expenses comprise items of a secondary nature to the main activities of the Company, including gains and losses on the sale of intangible assets and property, plant and equipment.

### **Income from investments in subsidiaries and associates**

The items “Income from investments in subsidiaries” and “Income from investments in associates” in the income statement include the proportionate share of the profit for the year.

### **Financial income and expenses**

Financial income and expenses are recognised in the income statement at the amounts relating to the financial year.

### **Tax on profit/loss for the year**

The Company is comprised by the tonnage tax regime. No provision is made for deferred tax since no deferred tax is expected to arise under the tonnage tax regime.

In foregin subsidiaris, tax is provided for in accordance with local tax rules.

# Accounting Policies

## Balance Sheet

### Property, plant and equipment

Property, plant and equipment are measured at cost less accumulated depreciation and less any accumulated impairment losses.

Cost comprises the cost of acquisition and expenses directly related to the acquisition up until the time when the asset is ready for use.

Depreciation based on cost reduced by any residual value is calculated on a straight-line basis over the expected useful lives of the assets, which are:

Vessels	25 years
Docking	2½ - 5 years
Other fixtures and fittings, tools and equipment	3-8 years

Depreciation period and residual value are reassessed annually.

### Impairment of fixed assets

The carrying amounts of intangible assets and property, plant and equipment are reviewed on an annual basis to determine whether there is any indication of impairment other than that expressed by amortisation and depreciation.

If so, the asset is written down to its lower recoverable amount.

### Investments in subsidiaries and associates

Investments in subsidiaries and associates are recognised and measured under the equity method.

The items “Investments in subsidiaries” and “Investments in associates” in the balance sheet include the proportionate ownership share of the net asset value of the enterprises calculated on the basis of the fair values of identifiable net assets at the time of acquisition with deduction or addition of unrealised inter-company profits or losses and with addition of any remaining value of positive differences (goodwill) and deduction of any remaining value of negative differences (negative goodwill).

The total net revaluation of investments in subsidiaries and associates is transferred upon distribution of profit to “Reserve for net revaluation under the equity method” under equity. The reserve is reduced by dividend distributed to the Parent Company and adjusted for other equity movements in the subsidiaries and the associates.

## **Accounting Policies**

Subsidiaries and associates with a negative net asset value are recognised at USD 0. Any legal or constructive obligation of the Parent Company to cover the negative balance of the enterprise is recognised in provisions.

### **Bunkers**

Bunkers are measured at the lower of cost under the FIFO method and net realisable value.

### **Receivables**

Receivables are recognised in the balance sheet at amortised cost, which substantially corresponds to nominal value. Provisions for estimated bad debts are made.

### **Prepayments**

Prepayments comprise prepaid expenses concerning rent, insurance premiums, subscriptions and interest.

### **Equity**

#### ***Dividend***

Dividend distribution proposed by Management for the year is disclosed as a separate equity item.

### **Deferred tax assets and liabilities**

Deferred income tax is measured using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes on the basis of the intended use of the asset and settlement of the liability, respectively.

## **Accounting Policies**

Deferred tax assets are measured at the value at which the asset is expected to be realised, either by elimination in tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation at the balance sheet date when the deferred tax is expected to crystallise as current tax. Any changes in deferred tax due to changes to tax rates are recognised in the income statement or in equity if the deferred tax relates to items recognised in equity.

### **Current tax receivables and liabilities**

Current tax liabilities and receivables are recognised in the balance sheet as the expected taxable income for the year adjusted for tax on taxable incomes for prior years and tax paid on account. Extra payments and repayment under the on-account taxation scheme are recognised in the income statement in financial income and expenses.

### **Financial debts**

Debts are measured at amortised cost, substantially corresponding to nominal value.

### **Deferred income**

Deferred income comprises payments received in respect of income in subsequent years.
