Management statement

The Executive Board has today considered and approved the annual report of Grundfos US ApS for the financial year 01.01.2021 to 31.12.2021.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the annual accounts give a true and fair view of the Company's assets, liabilities and financial position at 31.12.2021 and of its financial performance for the financial year 01.01.2021 to 31.12.2021.

We believe that the management report contains a fair review of the affairs and conditions referred to therein.

We recommend the annual report for adoption at the Annual General Meeting.

Independent auditor's report

To the shareholder of Grundfos US ApS

Opinion

We have audited the financial statements of Grundfos US ApS for the financial year 1 January – 31 December 2021, which comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2021 and of the results of the Company's operations for the financial year 1 January – 31 December 2021 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

Independent auditor's report

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statement Act. We did not identify any material misstatement of the Management's review.

Management report

Primary activities

The Company's objective is to hold shares and other investments in Danish and foreign business enterprises, including in particular affiliated companies.

Development in activities and finances

Financial performance for the year was a loss of DKK 26 thousand, which is as expected.

For 2022, the Company expects financial performance to be a loss in a range of DKK 25 to 50 thousand.

The company has secured sufficient liquidities for the business in the coming year.

Events after the balance sheet date

No events have occurred after the balance sheet date to this date which would influence the evaluation of this annual report. The Corona virus and the effects from that can have a negative impact on the valuation of the investment in affiliated companies in the 2022 result. It is not possible for the time being to estimate the financial impact of above.

Accounting policies

This annual report has been presented in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises with addition of certain provisions for reporting class C.

The annual report has been presented in accordance with the same accounting policies as last year.

Consolidated financial statements

Referring to § 112 (1) of the Danish Financial Statements Act, no consolidated financial statements have been prepared.

Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Company has a legal or constructive obligation as a result of a prior event and it is probable that future economic benefits will flow out of the Company, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered on recognition and measurement.

Income is recognised in the profit and loss account when earned, whereas costs are recognised by the amounts attributable to this financial period.

Foreign currency translation

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange differences that arise between the rate at the transaction date and the rate in effect at the payment date, or the balance sheet date, are recognised in the profit and loss account.

Profit and loss account

Revenue is recognised in the profit and loss account when delivery is made and risk has passed to the buyer. Revenue is recognised net of VAT, duties and sales discounts.

Accounting policies

Other external expenses

Other external expenses comprise expenses relating to the Company's administration.

Financial income

These items comprise interest income realised and unrealised capital gains on securities and transactions in foreign currencies, liabilities other than provisions as well as tax surcharge and repayment under the Danish Tax Prepayment Scheme.

Financial expenses

These items comprise interest expenses, realised and unrealised capital losses on securities and transactions in foreign currencies, liabilities other than provisions as well as tax surcharge and repayment under the Danish Tax Prepayment Scheme.

Tax on profit for the year

Tax for the year comprises current tax and changes in deferred tax.

Current tax payable or receivable is recognised in the balance sheet, stated as tax computed on this year's taxable income that has been adjusted for prepaid tax.

Deferred tax is recognised on all temporary differences between the carrying amount and tax-based value of assets and liabilities.

Deferred tax assets, including the tax base of tax loss carryforwards, are recognised in the balance sheet at their estimated realisable value, either as a set-off against deferred tax liabilities or as net tax assets.

The Company participates in national joint taxation with the other Danish companies in the Grundfos Group. Current income tax is allocated among the jointly taxed enterprises proportionally to their taxable income (full allocation with a refund concerning tax losses).

Balance sheet**Investments in affiliated companies**

Investments in affiliated companies are measured at cost. The investments are written down to the lower of recoverable amount and carrying amount.

Cash

Cash comprises cash at bank and in hand.

Income tax receivable or payable

Current tax payable or receivable is recognised in the balance sheet, stated as tax computed on this year's taxable income, adjusted for prepaid tax.

Investments in affiliated companies

Grundfos Americas Corporation, California, USA, 100% owned.

4. Company tax receivable

Income tax adjustment is the result of tax deficits in the past.

5. Securities, contingent liabilities, etc.

No assets have been pledged.

The Danish group enterprises participate in a Danish joint taxation arrangement with Grundfos Holding A/S serving as the administration company and are therefore jointly and severally liable from the financial year 2013 for the total income tax and from 1 July 2012 also for obligations, if any, to withhold tax on interest, royalties and dividends for the jointly taxed enterprises. The total net liability to the Danish tax authorities is recognised in the financial statement of Grundfos Holding A/S.

6. Related parties

The company's parent foundation are, The Poul Due Jensens foundation and Grundfos Holding A/S.

Transactions with related parties are only disclosed in the annual report if they are not on arm's length terms. Transactions between Grundfos US ApS and related parties are on arm's length terms.

Grundfos US ApS is included in the consolidated financial statements of Grundfos Holding A/S, Poul Due Jensens Vej 7, 8850 Bjerringbro.

The consolidated financial statements of Grundfos Holding A/S are available at Erhvervsstyrelsen (Central Register of Commerce) under CVR-no. 31 85 83 56.
