## **Statement by Management on the annual report**

The Board of Directors and the Executive Board have today considered and approved the annual report of FOSS Nordic A/S for the financial year 1 January to 31 December 2023.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Company's financial position at 31 December 2023 and financial performance for the financial year 1 January to 31 December 2023.

We believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

We recommend the annual report for adoption at the Annual General Meeting.

Hillerød, 14 March, 2024

## **Independent Auditor's Report**

To the Shareholder of FOSS Nordic A/S

### **Opinion**

We have audited the financial statements of FOSS Nordic A/S for the financial year 01.01.2023 – 31.12.2023, which comprise the income statement, balance sheet and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2023 and of the results of its operations for the financial year 01.01.2023 – 31.12.2023 in accordance with the Danish Financial Statements Act.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the Auditor's responsibilities for the audit of the financial statements section of this auditor's report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Management's responsibilities for the financial statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Entity's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Statement on the management commentary**

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the management commentary is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the management commentary.

The company is a part of a Danish joint taxation of which N. Foss & Co. A/S is the administrative entity. The company is liable for potential obligations for withholding taxes on interest, royalties and dividends and for company taxes within the joint taxation according to the company tax law.

## 9 Related parties

FOSS Analytical A/S, FOSS A/S and N. Foss & Co. A/S are considered related parties.

## 10 Ownership and group relationship

All shares are owned by:

FOSS A/S, Hillerød, Denmark, CVR No 59388517

In accordance with The Danish Financial Statements Act § 71 it shall be stated that, the Company's annual report is included in the consolidated financial statement of N. Foss & Co. A/S, Hillerød, Denmark (CVR no. 87974618).

## **Accounting Principles**

### **Basis of preparation**

This annual report has been prepared in accordance with the provisions of the Danish Financial Statements Act governing reporting class B enterprises applying certain selections for class C enterprises.

The accounting policies for these financial statements are consistent with those applied last year.

The annual report is prepared in thousands DKK.

### **Recognition and measurement**

Assets are recognized in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Company, and the value of the assets can be measured reliably.

Liabilities are recognized in the balance sheet when the Company has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Company, and the value of the liabilities can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is affected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognized in the income statement when earned, whereas costs are recognized by the amounts attributable to this financial year.

### **Foreign currency translation**

On initial recognition, foreign currency transactions are translated applying the exchange rate at the transaction date. Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated using the exchange rate at the balance sheet date. Exchange rate differences that arise between the rate at the transaction date and the one in effect at the payment date, or the balance sheet date, are recognized in the income statement as financial income or financial expenses.

## **Income statement**

### **Gross Profit or loss**

With reference to section 32 of Danish financial statements Act, revenue has not been disclosed in the Annual report.

Gross profit or loss comprises of revenue, other operating income, cost of raw materials and consumables and external expenses.

### **Revenue**

Revenue from the sale of manufactured goods and goods for resale is recognized in the income statement when delivery is made, and risk has passed to the buyer. Revenue is recognized net of VAT, duties and sales discounts and measured at fair value of the consideration fixed.

## **Cost of sales**

Cost of sales comprises costs of sales for the financial year measured at cost, adjusted for ordinary inventory write-downs.

## **Other operating income and expenses**

Other operating income and expenses comprise income and expenses of a secondary nature viewed in relation to the Company's primary activities, including subsidies, rental income, license income, etc.

## **Staff costs**

Staff costs comprise salaries and wages as well as social security costs, pension contributions, etc for the Company's staff.

## **Other financial income and expenses**

These items comprise interest income and expenses, realized and unrealized capital gains and losses on securities, payables and transactions in foreign currencies as well as tax surcharge and tax relief under the Danish Tax Prepayment Scheme.

## **Income taxes**

Tax for the year, which consists of current tax for the year and changes in deferred tax, is recognized in the income statement by the portion attributable to the profit for the year and recognized directly in equity by the portion attributable to entries directly in equity. The portion of the tax taken to the income statement, which relates to extraordinary profit/loss for the year, is allocated to this entry whereas the remaining portion is taken to the year's profit/loss from ordinary activities.

The current tax payable or receivable is recognized in the balance sheet, stated as tax calculated on this year's taxable income, adjusted for prepaid tax.

The Company is part of a Danish joint taxation of which N. Foss & Co. A/S is the administrative entity. The current Danish income tax is allocated among the jointly taxed companies proportionally to their taxable income (full allocation with a refund concerning tax losses).

## **Balance Sheet**

### **Tangible Assets**

#### **Technical plant and machinery**

Technical plant and machinery are measured at cost less accumulated depreciation and impairment losses.

Cost comprises the acquisition price, costs directly attributable to the acquisition, and preparation costs of the asset until the time when it is ready to be put into operation.

The basis of depreciation is cost less estimated residual value after the end of useful life. Straight-line depreciation is made on the basis of the following estimated useful lives of the assets:

Technical plant and machinery	3-5 years
-------------------------------	-----------

Equipment is written down to the lower of recoverable amount and carrying amount.

Profits and losses from the sale of equipment is calculated as the difference between selling price less selling costs and carrying amount at the time of sale. Profits or losses are recognized in the income statement as

adjustment to depreciation and impairment losses, or under other operating income if the selling price exceeds original cost.

### **Inventories**

Inventories are measured at the lower of cost using the FIFO method and net realizable value.

Cost of goods for resale consists of purchase price plus delivery costs. Cost of manufactured goods consists of costs of raw materials and consumables.

The net realizable value of inventories is calculated as the estimated selling price less completion costs and costs incurred to execute sale.

### **Receivables**

Receivables are measured at amortized cost, usually equalling nominal value less provisions for bad debts.

### **Dividend**

The proposed dividend for the financial year is disclosed as a separate item in equity.

### **Other provisions**

Other provisions comprise anticipated warranty commitments.

Other provisions are recognized and measured as the best estimate of the expenses required to settle the liabilities at the balance sheet date. Provisions that are estimated to mature more than one year after the balance sheet date are measured at their discounted value.

Warranty commitments comprise commitments to remedy defects and deficiencies within the guarantee period.

### **Other financial liabilities**

Other financial liabilities are recognized at amortized cost which usually corresponds to nominal value.

### **Deferred income**

Deferred income comprises received income for recognition in subsequent financial years. Deferred income is measured at cost.
