MANAGEMENT'S REPORT

Main Activity

The Company changed name in November 2016 to Sunrise 16 A/S, former name was Maersk Amerika Plads Komplementar A/S.

The Company was general partner in the partnership company Maersk Amerika Plads P/S until this company was liquidated in October 2016. From that date, the Company has been without activity and no activities are currently planned.

Development in activities and financials

The financial result is considered in line with expectations. For 2017 a modest negative result is estimated.

Subsequent events

No subsequent events have occurred.

INDEPENDENT AUDITOR'S REPORT

To the shareholder of Sunrise 16 A/S

Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2016, and of the results of the Company's operations for the financial year 1 January - 31 December 2016 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of Sunrise A/S for the financial year 1 January - 31 December 2016, which comprise income statement, balance sheet and notes, including a summary of significant accounting policies ("financial statements").

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the financial statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MANAGEMENT'S STATEMENT

The Board of Directors and Management have today discussed and approved the annual report of Sunrise 16 A/S for the financial year 1 January - 31 December 2016.

The annual report for 2016 of Sunrise 16 A/S has been prepared in accordance with the Danish Financial Statements Act.

In our opinion the financial statements give a true and fair view of the Company's assets and liabilities, financial position at 31 December 2016 and of the results of the Company's operations for the financial year 1 January - 31 December 2016.

Furthermore, in our opinion, the Management's report includes a fair review of the development in the Company's operations and financial conditions, the results for the year and financial position.

We recommend that the annual report be approved at the Annual General Meeting.

SIGNIFICANT ACCOUNTING POLICIES

The annual report 2016 of Sunrise 16 A/S has been prepared in accordance with the provisions of the Danish Financial Statements Act applicable for class B companies.

Recognition and measurement in general

Income is recognised in the income statement when earned. Furthermore, costs necessary for obtaining the income are recognised.

Assets are recognised in the balance sheet when it is probable that future financial benefits will arrive at the Company and the value of the assets can be reliably measured.

Liabilities are recognised in the balance sheet when it is probable that future financial benefits will leave the Company and the value of the liability can be reliably measured.

Assets and liabilities are initially recognised at cost price. Subsequent recognition is described below for each category.

The Company uses Danish kroner as functional currency as well as presentation currency. All other currencies are considered foreign currencies.

Foreign currency translation

Receivables, payables and other monetary items in foreign currency are translated to the exchange rate on the balance sheet date. The difference between the exchange rate on the balance sheet date and the time of recognition of receivables or payables are included in financial items in the income statement.

Income statement

External costs

External costs include administration and overhead costs, etc.

Financial income and expenses

Financial income includes compensation for being a general partner in Maersk Amerika Plads P/S until this company was liquidated in October 2016.

Tax

The Company is jointly taxed with A.P. Møller Holding A/S' Danish subsidiaries. The actual company tax is allocated between the participating companies based on their taxable income.

ACCOUNTING POLICIES (CONTINUED)

Balance sheet

Receivables

Receivables are recognised at cost price corresponding to nominal value. Provisions for bad debt are made based on individual assessment.

Dividend

Proposed dividend for the year is presented separately in equity.

Provisions

Provisions are recognised when the Company has a current legal constructive obligation. Provisions are recognised on the basis of best estimates.

Deferred tax

Deferred tax is calculated based on the difference between carrying amount and tax value of assets and liabilities.

Payables

Payables are recognised at amortised cost price corresponding to nominal value.
