Statement by Management on the annual report

Today, the Executive Board has discussed and approved the annual report of GP 0615 ApS for the financial year 1 January 2020 - 31 December 2020.

The annual report, which has not been audited, has been prepared in accordance with the provisions of the Danish Financial Statements Act. The Executive Board considers the criteria for omission of audit to be met.

In my opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2020 and of the results of the Company's operations for the financial year 1 January - 31 December 2020.

Further, in my opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

I recommend that the annual report be approved at the annual general meeting.

Notes

1 Accounting policies

The annual report of GP 0615 ApS for 2020 has been prepared in accordance with the provisions in the Danish Financial Statements Act applying to reporting class B entities.

The accounting policies used are unchanged compared to last year, and the amounts in the Annual Report are stated in Danish kroner (DKK) and rounded to the nearest thousands.

Foreign currency translation

On initial recognition, transactions denominated in foreign currencies are translated at the exchange rates at the transaction date. Foreign exchange differences arising between the exchange rate at the transaction date and the rate at the date of payment are recognised in the income statement as financial income or financial expenses.

Receivables and payables and other monetary items denominated in foreign currencies are translated at closing rates. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the latest financial statements is recognised in the income statement as financial income or financial expenses.

Income statement

Other operating income

Other operating income comprises items secondary to the Company's activities, and is primarily related to invoicing of service fee.

Tax for the year

Tax for the year comprises current tax for the year and changes in deferred tax. The tax expense relating to the profit/loss for the year is recognised in the income statement, and the tax expense relating to amounts directly recognised in equity is recognised directly in equity. The tax expense recognised in the income statement relating to the extraordinary profit/loss for the year is allocated to this item whereas the remaining tax expense is allocated to the profit/loss for the year from ordinary activities.

Balance sheet

Receivables

Receivables are measured at amortised cost, which usually corresponds to the nominal value. The value is reduced by write-downs for bad debts.

Corporation tax

Current tax liabilities and outstanding current tax are included in the balance sheet as tax calculated on the taxable income for the year adjusted for tax from previous years' taxable income and pre-paid taxes.

Current liabilities

Liabilities are valued at net realisable value.
