## **Auditor's report on the compilation of financial statements**

### **To the Management of GL-Turbo International ApS**

We have compiled the financial statements of GL-Turbo International ApS for the financial year 1 January – 31 December 2018 based on the Company's bookkeeping records and other information provided by you. The financial statements comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies.

We performed our work in accordance with ISRS 4410 *Engagements to Compile Financial Statements*.

We have applied our expertise in accounting and financial reporting to assist you in the preparation and presentation of these financial statements in accordance with the Danish Financial Statements Act. We have complied with relevant provisions of the Danish Auditors Act and FSR - Danish Auditors' ethical requirements, including principles of integrity, objectivity, professional competence and due care.

These financial statements and the accuracy and completeness of the information used to compile them are your responsibility.

Since a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the information you provided to us to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion as to whether these financial statements are prepared in accordance with the Danish Financial Statements Act.

### Notes

#### 1 Accounting policies

The annual report of GL-Turbo International ApS for 2018 has been prepared in accordance with the provisions applying to reporting class B with additions from reporting class C entities under the Danish Financial Statements Act with opt-in from higher reporting classes.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

#### Foreign currency translation

On initial recognition, transactions denominated in foreign currencies are translated at the exchange rates at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and the date of payment are recognised in the income statement as financial income or financial expenses.

Receivables, payables and other monetary items denominated in foreign currencies are translated at the exchange rates at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the latest financial statements is recognised in the income statement as financial income or financial expenses.

### Income statement

#### Revenue

Income from the sale of goods is recognised in revenue when delivery and transfer of risk to the buyer have taken place, and the income may be measured reliably and is expected to be received.

#### Other external costs

Other external costs comprise distribution costs and costs related to sales, sales campaigns, administration, office premises, etc.

#### Staff costs

Staff costs comprise wages and salaries, including holiday allowance, pension and other social security costs, etc., to the Company's employees, excluding reimbursements from public authorities.

#### Financial income and expenses

Financial income and expenses comprise interest income and expense.

#### Tax on loss for the year

Tax for the year comprises current corporation tax for the year and changes in deferred tax, including changes in tax rates. The tax expense relating to the loss for the year is recognised in the income statement, and the tax expense relating to amounts directly recognised in equity is recognised directly in equity.

##### Balance sheet

###### Property, plant and equipment

Cost comprises the purchase price and any costs directly attributable to the acquisition until the date on which the asset is available for use.

The depreciable amount, which is calculated as cost less any projected residual values after the end of the useful life, is depreciated on a straight-line basis over the estimated useful life. The estimated useful lives are as follows:

Fixtures and fittings, tools and equipment	3 years
--	---------

The useful life and residual value are reassessed annually. Changes are treated as accounting estimates, and the effect on depreciation is recognised prospectively.

###### Receivables

Receivables are measured at amortised cost.

Write-down is made for bad debt losses where there is an objective indication that a receivable or a portfolio of receivables has been impaired. If there is an objective indication that an individual receivable has been impaired, write-down is made on an individual basis.

###### Equity

###### *Dividends*

The expected dividend payment for the year is disclosed as a separate item under equity.

###### Deferred income

Deferred income comprises advance invoicing regarding income in subsequent years.

###### Corporation tax and deferred tax

Current tax payable and receivable is recognised in the balance sheet as tax computed on the taxable income for the year, adjusted for tax on the taxable income of prior years and for tax paid on account.

#### 2 Principal activities

The Company's principal activity is promotion and sales of technical solutions for the treatment of water worldwide.
