NOTE 7

7. Accounting policies

The company was established on 16 December 2015. The first accounting year comprises 16 December 2015 to 31 December 2016 (2015/16).

The annual report for LFI Equity A/S for 2015/16 has been prepared in accordance with the Danish Financial Statements Act for enterprises of reporting class B with selection of certain options from class C

The annual report is presented in Danish kroner (DKK), which also is the functional currency of LFI Equity A/S. DKK is rounded to the nearest million.

TRANSLATION OF FOREIGN CURRENCY

On initial recognition, transactions denominated in foreign currencies are translated at standard rates which approximate the exchange rates at the transaction date. Exchange differences arising between the exchange rates at the transaction date and the exchange rates at the date of payment are recognised in the income statement under financial items in respect of unhedged items and under the same item for hedged items.

Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date. The difference between the exchange rates at the balance sheet date and the rates at the time of recognition of settlement are recognised in the income statement under financial items in respect of unhedged items and under the same item for hedged items.

INCOME STATEMENT

Financial items

Financial income and financial expenses comprise:

- Interest income and expenses
- Dividend from portfolio investments
- Realised and unrealised fair value adjustments of financial assets and liabilities including short-term securities that are included in the company's documented investment strategy.
- Other financial income and expenses

Other external costs

Other external costs comprise expenses for administration and investment activities including expenses for premises and depreciations.

Tax

LFI Equity A/S applies section 19 of the Danish Share Premium Tax Act ("Aktieavancebeskatningsloven") and is therefore not an independent entity liable to pay Danish corporate income tax and consequently, no provision for tax on profit for the year has been made.

However, taxes withheld on the payment of dividends by the portfolio investments are recognised in the income statement.

BALANCE SHEET

Financial assets

Securities, that are included in the company's investment strategy, are recognised on the basis of the settlement date fair value and are subsequently measured at market price or estimated fair value at the balance sheet date. Both realised and unrealised gains and losses are recognised in the income statement under financial items.

NOTE 7-8

7. Accounting policies (Continued)

The calculation of fair value of unlisted investments is made in accordance with the International Private Equity and Venture Capital Valuation Guidelines, i.e. on the basis of relevant valuation methods based on comparable transactions on market conditions, capital increases and the like. If the fair value cannot be determined with sufficient reliability, the investments in question are recognised at cost less any impairment. The company assesses at each balance sheet date whether there is objective evidence that an investment or a group of investments is impaired. Assessments of investments in unlisted equity instruments and securities include an assessment of whether the companies live up to the defined business plans and the impact of any non-compliance on the calculation of fair value.

Receivables

Receivables comprise other receivables arising in the company's normal course of business.

Equity

Dividends are recognised as a liability at the time of adoption of the dividend resolution at the Annual General Meeting (time of declaration).

Debt

Payables are measured at amortised cost.

8. Events after the balance sheet date

No events of importance to the Annual Report have occurred during the period from the balance sheet date until the presentation of the financial statements.

MANAGEMENT STATEMENT

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF LFI EQUITY A/S

Opinion

We have audited the financial statements of LFI Equity A/S for the financial year 16 December 2015 – 31 December 2016, which comprise the income statement, balance sheet, equity statement, and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of LFI Equity A/S financial position at 31 December 2016 and of the results of its operations for the financial year 16 December 2015 – 31 December 2016 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's responsibilities for the audit of the financial statements* section of this auditor's report. We are independent of the Entity in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing LFI Equity A/S' ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate LFI Equity A/S or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of LFI Equity A/S internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.

INDEPENDENT AUDITOR'S REPORT

- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on LFI equity A/S ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause LFI Equity A/S to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the management review

Management is responsible for the management review.

Our opinion on the financial statements does not cover the management review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management review and, in doing so, consider whether the management review is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the management review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the management review.
