<b>Key figure</b>					
Return on equity	37.1%	6.6%	13.3%	3.9%	-1.0%

# MANAGEMENT REVIEW

## PURPOSE

The purpose of LFI Equity A/S is to operate investment business activities by investment in securities.

The company was established on 16 December 2015.

## FINANCIAL RESULT AND FINANCIAL POSITION

2021 was a solid year for risk assets due to the global reopening of societies and the recovery of economies following the onset of the COVID-19 pandemic.

The investment portfolio of private equities generated a return of DKK 536.3m (DKK 76.5m) which was considered to be very satisfactory.

Profit for the year amounted to DKK 536.2m (DKK 76.3m). At year end the equity amounted to DKK 1,711.8m (DKK 1,175.6m at 31 December 2020).

## OUTLOOK

Returns provided by financial investments largely depend on the overall performance of the financial markets. For the year 2022, we expect high market volatility over the year and a negative return on our investment activities is likely. The Russian invasion of Ukraine introduces extraordinary uncertainty that could cause actual results and performance to differ materially from any expectations. Based on strong solidity and cashflow the Lundbeckfonden Group is in a position to deal with a crisis including a temporary recession.

## RISK FACTORS

The most important risks relate to the business risks of the company's investments.

Reports on business and risk-related issues are provided monthly to the company's Board of Directors.

The Board of the parent company defines the company's investment policy, while compliance with the policy is monitored by the Investment Committee.

Weekly portfolio performance reports are prepared for the CEO and detailed monthly reports are prepared for the Board of Directors.

Capital base at 1 January	12.0	11.0	11.0	11.0	10.0
Increase in capital base	0.0	1.0	0.0	0.0	1.0
<b>Capital base at 31 December</b>	<b>12.0</b>	<b>12.0</b>	<b>11.0</b>	<b>11.0</b>	<b>11.0</b>

## 6. Contractual obligations

The company has contractual capital contribution obligations amounting to DKK 872m at 31 December 2021 (DKK 1,126m at 31 December 2020).

## 7. Staff conditions

The company has no employees besides the executive management who is remunerated from Lundbeckfond Invest A/S.

## 8. Related parties

Related parties exercising controlling interest on LFI Equity A/S:

- Lundbeckfond Invest A/S, Scherfigsvej 7, DK-2100 Copenhagen Ø

The ultimate owner is Lundbeckfonden, Scherfigsvej 7, DK-2100 Copenhagen Ø.

Related parties exercising significant influence on LFI Equity A/S:

- The Board of Directors and Executive Management
- Companies in which the company's Executive Management and Board of Directors exercise controlling interest

LFI Equity A/S has not entered into any transactions with related parties that were not on an arm's length basis.

### CONSOLIDATED FINANCIAL STATEMENTS

LFI Equity A/S is included in the consolidated financial statements for Lundbeckfonden, Copenhagen, Denmark, Business Registration No. 11 81 49 13.

## 9. Accounting policies

The annual report for LFI Equity A/S for 2021 has been prepared in accordance with the Danish Financial Statements Act for enterprises of reporting class C.

The annual report is presented in Danish kroner (DKK), which also is the functional currency of LFI Equity A/S. Amounts in DKK are rounded to DKK millions by one decimal place.

The accounting policies are unchanged from last year.

### TRANSLATION OF FOREIGN CURRENCY

On initial recognition, transactions denominated in foreign currencies are translated at the exchange rates at the transaction date. Exchange differences arising between the exchange rates at the transaction date and the exchange rates at the date of payment are recognised in the income statement under financial items except in case of hedge accounting. In case of hedge accounting, such differences are recognised in the same item as the hedged item.

Receivables, payables and other monetary items denominated in foreign currencies that have not been settled at the balance sheet date are translated at the exchange rates at the balance sheet date.

The differences between the exchange rates at the time of recognition and the exchange rates at the balance sheet date or settlement are recognised in the income statement under financial items in respect of unhedged items and under the same item in respect of hedged items.

### INCOME STATEMENT

#### Financial items

Financial income and financial expenses comprise:

- Interest income and expenses
- Dividend from portfolio investments
- Realised and unrealised fair value adjustments of financial assets and liabilities including short-term securities that are included in the company's documented investment strategy
- Exchange gains and losses
- Other financial income and expenses

#### Other external costs

Other external costs comprise expenses for administration and investment activities.

#### Tax

LFI Equity A/S applies section 19 of the Danish Share Premium Tax Act ("Aktieavancebeskatningsloven") and is therefore not an independent entity liable to pay Danish corporate income tax and consequently, no provision for tax on profit for the year has been made.

However, taxes withheld on the payment of dividends by the portfolio investments are recognised in the income statement.

### BALANCE SHEET

#### Financial assets

Securities that are included in the company's investment strategy are recognised on the basis of the settlement date fair value and are subsequently measured at market price or estimated fair value at the balance sheet date. Both realised and unrealised gains and losses are recognised in the income statement under financial items.

## 9. Accounting policies (continued)

### Receivables

On initial recognition, receivables are measured at fair value and subsequently at amortised cost.

Write-down is made for bad debt losses where there is an objective indication that a receivable has been impaired. If there is an objective indication that an individual receivable has been impaired, a write-down is made based on an individual assessment.

### Equity

Dividends are recognised as a liability at the time of adoption of the dividend resolution at the Annual General Meeting (time of declaration).

### Financial liabilities

Financial liabilities are measured at amortised cost.

### CASH FLOW STATEMENT

With reference to section 86(4) of the Danish Financial Statements Act and the consolidated financial statements of Lundbeckfonden, LFI Equity A/S has not prepared a Cash Flow Statement.

### KEY FIGURE

The key figure are calculated as follows:

Return on equity:  $\text{Profit for the year} \times 100 / \text{Average equity}$

## 10. Events after the balance sheet date

Following the balance sheet date the company has observed significant volatility in the valuation of financial assets measured at fair value, which primarily can be attributed to the Russian invasion of Ukraine. Given the continued market volatility, the precise impact has not been determined, though a loss on financial items for the year is likely.

# MANAGEMENT STATEMENT

The Board of Directors and the Executive Management have today considered and approved the annual report of LFI Equity A/S for the financial year ended 31 December 2021.

The financial statements of LFI Equity A/S have been prepared in accordance with the Danish Financial Statements Act.

We consider the accounting policies used to be appropriate. Accordingly, the financial statements give a true and fair view of the company's assets, liabilities and financial position at 31 December 2021, and of the company's activities for the financial year 1 January – 31 December 2021.

We believe that the Management's review includes a fair review of developments in the company's activities and finances, result for the year and the company's financial position in general.

We recommend that the annual report be approved at the Annual General Meeting.

Copenhagen, 22 March 2022

# INDEPENDENT AUDITOR'S REPORT

## To the Shareholder of LFI Equity A/S

### Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2021, and of the results of the Company's operations for the financial year 1 January - 31 December 2021 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of LFI Equity A/S for the financial year 1 January - 31 December 2021, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies ("financial statements").

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Statement on Management Review

Management is responsible for Management Review.

Our opinion on the financial statements does not cover Management Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management Review and, in doing so, consider whether Management Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management Review.

### Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.
