The Partnership has taken advantage of the appropriate regulations in order to be exempt from the requirement to appoint an auditor for the next period.

# Accounting Policies

The annual report has been prepared in accordance with the regulation applying to Reporting class B.

## Generally

The current year is the first financial period of the Partnership, for which reason no comparative figures are disclosed in the income statement, balance sheet and notes.

## Income statement

The profit and loss account is arranged according to type.

The Partnership has chosen not to specify the size of the items "Revenue" and "External costs".  
The records are merged under "Gross profit". (Danish Company Accounts Act § 32)

## Income criterion

The Partnership's income for the accounting year has been assessed according to the invoicing principle, which means that sales of goods are booked as income concurrent with delivery and invoicing.

The Partnership's accounting year expenses have been assessed according to the accruals principle, which means that expenses are attributed to the relevant period.

## Balance sheet

### Assets

#### Current assets

#### Receivables

Receivables are included in the balance sheet at face value less depreciations to meet losses.

Loss depreciations are assessed on the basis of an individual estimate of each receivable.

### Liabilities

#### Current liabilities.

At the time of being set up liabilities are measured at cost price. Subsequently, liabilities are measured at amortized cost price which normally corresponds to face value in relation to current and non interest paying liabilities as well as liabilities with floating interest.
