STATEMENT BY THE BOARD OF DIRECTORS AND EXECUTIVE BOARD

The Board of Directors and the Executive Board have today discussed and approved the annual report for Tn Finance A/S for the period 1 January – 31 December 2021.

The annual report is presented in accordance with the Danish Financial Statements Act. We consider the accounting policies applied appropriate, so that the annual report gives a true and fair view of the company's assets and liabilities, its financial position as at 31 December 2021 and the results of the company's activities for the financial year 1 January – 31 December 2021.

In our opinion, the management's review gives a true and fair account of the matters addressed in the review.

We recommend that the annual report be adopted by the General Meeting.

INDEPENDENT AUDITORS' REPORT

To the shareholders of Tn Finance A/S

Opinion

We have audited the financial statements of Tn Finance A/S for the financial year 1 January – 31 December 2021, which comprise income statement, statement of comprehensive income, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2021 and of the results of the Company's operations for the financial year 1 January – 31 December 2021 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

INDEPENDENT AUDITORS' REPORT

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act. Management is also responsible for such internal control that Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

INDEPENDENT AUDITORS' REPORT

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the Management's review.

Company presentation

The activity of Tn Finance A/S is to provide financial services other than insurance.

Financial review

The company's income statement for 2021 shows a profit of 1.4 mDKK, (2020: 400 mDKK profit) and the company's balance sheet at 31 December 2021 shows an equity of 129 mDKK (2020: 1,928 mDKK).

Last year's profit was affected by reversal of impairment of 421 mDKK. No reversal of impairment has been made in 2021. The Covid 19 situation has not had any material impact on the financial performance for the period.

Dividends

The Board of Directors recommends that the general meeting adopts a resolution to distribute dividends of 0 mDKK (2020: 1,800 mDKK).

MANAGEMENT'S REVIEW - CONTINUED

Future outlook

No significant activity in Tn Finance A/S is expected for 2022.

Financial risks

The company is primarily financed through its parent Telenor A/S. Financial exposures are hedged on Telenor Group level. As far as possible, Telenor Group attempts to counter and manage any risks that the Group can influence through own actions.

The primary asset in the company was related to loan provided to Telenor Digital Holding Inc. The outlook for Telenor Digital Holding Inc. is unchanged as Tapad has been sold and there is still no activity in the company. There continue to be a financial risk related to the remaining loan, which has been impaired.

Events after the balance sheet date

No events have occurred after the balance sheet date which would affect the evaluation of this annual report.

NOTES

Note 1. Summary accounting policies

The 2021 annual report of Tn Finance A/S has been presented in accordance with the provisions applying to reporting class C medium-sized enterprises under the Danish Financial Statements Act.

The annual report is presented in Danish kroner (tDKK).

Omission of a cash flow statement.

With reference to section 86(4) of the Danish Financial Statement Act, no cash flow statement has been prepared. The Company's cash flows are reflected in the consolidated cash flow statement for the higher-ranking parent company Telenor A/S.

Recognition and measurement

Assets are recognised in the balance sheet when a previous event renders it probable that future economic benefits will flow to the group and the value of the asset can be measured reliably. Liabilities are recognised in the balance sheet when the company, as a consequence of a prior event, has a legal or constructive liability which renders it probable that future economic benefits will flow from the bank and the value of the liability can be measured reliably. Financial assets and liabilities are recognised when the company becomes a contractual party to the financial instrument. Assets and liabilities are measured at cost on initial recognition. Subsequently, assets and liabilities are measured as described for each individual item below.

The recognition and measurement include gains, losses and risks occurring before the presentation of the annual report that confirm or rebut circumstances in existence at the balance sheet date.

Income is recognised in the income statement as and when earned. Costs incurred to achieve the year's earnings are recognised in the income statement. Value adjustments of financial assets, financial liabilities and derivative financial instruments are recognised in the income statement, with the exception of financial statement value adjustments of derivative financial instruments entered into to hedge future cash flows or to hedge net investments in foreign group entities and associates. The latter value adjustments are credited or charged directly to equity.

NOTES

Note 1. Summary accounting policies, continued

Translation of foreign currencies

Functional currency and presentation currency

Line items are presented in the currency of the primary economic environment in which the company operates (functional currency). The annual report is presented in DKK which is also the parent's functional currency and presentation currency.

Translation of transactions and amounts

Transactions denominated in foreign currencies are translated to the functional currency at the exchange rate on the transaction date. Exchange rate gains and losses arising from the settlement of such transactions and from the translation of monetary assets and liabilities to the exchange rates at the balance sheet date are recognised in the income statement. Exchange differences arising out of the translation of non-monetary items, such as financial assets classified as available for sale, including investments, are recognised in the income statement.

Derivative financial instruments

Derivative financial instruments are initially recognised in the balance sheet at cost and are subsequently measured at fair value as part of other receivables and other payables, respectively.

Changes to the fair value of derivative financial instruments which meet the criteria for hedging future cash flows are recognised directly in equity until the hedged position is realised.

Changes to the fair value of derivative financial instruments which do not meet the criteria for hedging instrument accounting are credited or charged to the income statement as and when they occur.

Financial income and expenses

Financial income and expenses include interest income and costs, capital gains and losses as well as impairment losses on securities, payables and transactions in foreign currencies, amortisation of financial assets and liabilities as well as supplements and allowances under the Danish Tax Prepayment Scheme, etc. Also included are realised and unrealised gains and losses on derivative financial instruments which do not meet the criteria for classification as hedging agreements.

Tax

The company and its Danish group entities are jointly taxed. The tax is allocated in accordance with the full allocation method.

The company is tax exempt according to the Danish "Aktieavancebeskatningslov" §19.

NOTES

Note 1. Summary accounting policies, continued

BALANCE SHEET

Receivables

Receivables primarily include trade receivables and short-term advances to group entities.

Trade receivables are initially measured at cost and subsequently at amortised cost or a lower value subject to an individual assessment of the exposure to loss. Fixed-interest short-term advances to group entities are measured at amortised cost as they are held until maturity.

Receivables are measured at amortised cost, in most cases equalling nominal value, less impairment losses.

Financial liabilities

Payables to credit institutions, etc., are recognised at the time of borrowing and at the received proceeds less transaction costs paid.

In subsequent periods, the financial liabilities are measured at amortised cost by applying the effective interest rate method so that the difference between the proceeds and the nominal value is recognised in the income statement over the borrowing period. Other liabilities are measured at net realisable value.

Note 7. Share capital		
Share capital at 01.01.	110,000	110,000
Capital increase	<u>0</u>	<u>0</u>
Share capital at 31.12.	<u>110,000</u>	<u>110,000</u>

The share capital consists of 110,000 shares of a nominal value of DKK 1,000. The shares are fully paid up. The shares are not divided into classes. No shares carry special rights.

It has been proposed to distribute dividends to the parent, Telenor A/S, of x mDKK (2020: 1,800 mDKK).

NOTES

Note 8. Shareholders

The company is wholly owned by Telenor A/S.

The company's ultimate parent, which is also the only entity preparing consolidated financial statements in which the company is a subsidiary, is Telenor ASA, Snarøyveien 30, NO-1311 Fornebu, Norway.

Note 9. Contingent liabilities, securities and contractual obligations

The company has no contingent liabilities at 31 December 2021.

Note 10. Events after the balance sheet date

No events have occurred after the balance sheet date which would affect the evaluation of this annual report.

Note 11. Approval of the annual report for publication

At a board meeting held on 29 June 2022, the Board of Directors approved this annual report for publication. The annual report will be presented for approval of the shareholders of Telenor Danmark Holding A/S at the annual general meeting on 29 June 2022.
