## Statement by the Board of Directors and the Executive Board

Today, the Board of Directors and the Executive Board have discussed and approved the annual report of Venuepoint Holding A/S for the financial year as of the establishment of the Company 16 March - 31 December 2016.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2016 and of the results of the Company's operations for the financial year as of the establishment of the Company 16 March - 31 December 2016.

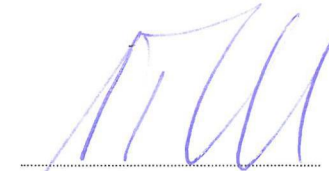

Further, in our opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

We recommend that the annual report be approved at the annual general meeting.

## Independent Auditor's Report

To the Shareholders of Venuepoint Holding A/S

### Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of Venuepoint Holding A/S (henceforth "the Company") at 31 December 2016, and of the results of the Company's operations for the financial year 16 March - 31 December 2016 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of the Company for the financial year 16 March - 31 December 2016, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies ("financial statements").

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the financial statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

### Management's Responsibilities for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Financial Statements

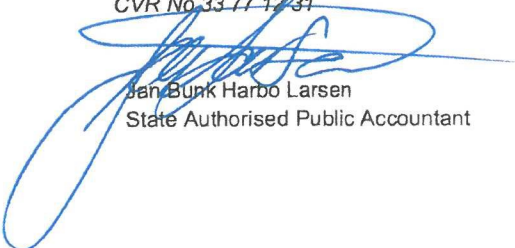

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Financial statements for the period 16 March - 31 December

### Notes to the financial statements

#### 1 Accounting policies

The annual report of Venuepoint Holding A/S for the period 16 March - 31 December 2016 has been prepared in accordance with the provisions in the Danish Financial Statements Act to report reporting class B entities and elective choice of certain provisions applying to reporting class C entities.

In accordance with section 112(1) of the Danish Financial Statements Act, the Company has not prepared consolidated financial statements. The Company is included in the consolidated financial statements of CTS Eventim AG & Co. KGaA.

The Company was established 16 March 2016 why the financial statements has no comparative figures.

#### Reporting currency

The financial statements are presented in Danish kroner (DKK'000).

#### Foreign currency translation

On initial recognition, transactions denominated in foreign currencies are translated at the exchange rate at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and the date of payment are recognised in the income statement as financial income or financial expenses.

Receivables and payables and other monetary items denominated in foreign currencies are translated at the exchange rate at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the most recent financial statements is recognised in the income statement as financial income or financial expenses.

#### Income statement

##### Gross margin

In accordance with section 32 to the Danish Financial Statements Act expenses have been aggregated into one item in the income statement called gross margin.

##### Financial income and expenses

Financial income and expenses are recognised in the income statements at the amounts that concern the financial year. Net financials include interest income and expenses as well as allowances and surcharges under the advance-payment-of-tax scheme, etc.

#### Tax

The parent company is covered by the Danish rules on mandatory joint taxation of the Group's Danish subsidiaries. Subsidiaries are included in the joint taxation arrangement from the date at which they are included in the consolidated financial statements and up to the date when they are no longer consolidated.

The parent company acts as management company for the joint taxation arrangement and consequently settles all corporate income tax payments with the tax authorities.

On payment of joint taxation contributions, the Danish corporate income tax charge is allocated between the jointly taxed entities in proportion to their taxable income. Entities with tax losses receive joint taxation contributions from entities that have been able to use the tax losses to reduce their own taxable income.

## Financial statements for the period 16 March - 31 December

### Notes to the financial statements

#### 1 Accounting policies (continued)

Tax for the year, which comprises the current income tax charge, joint taxation contributions and deferred tax adjustments, including adjustments arising from changes in tax rates, is recognised in the income statement as regards the portion that relates to the profit/loss for the year and directly in equity as regards the portion that relates to entries directly in equity.

#### Balance sheet

##### Investments in subsidiaries

Investments in subsidiaries are measured at cost, which includes the cost of acquisition calculated at fair value plus direct costs of acquisition. If there is evidence of impairment, an impairment test is conducted. Where the carrying amount exceeds the recoverable amount, a write-down is made to such lower value.

##### Grants without consideration within a group

Grants to subsidiaries without consideration are recognised as a capital injection under "Investments in group enterprises".

##### Income taxes

Current tax payables and receivables are recognised in the balance sheet as the estimated income tax charge for the year, adjusted for prior-year taxes and tax paid on account.

Deferred tax is measured according to the liability method on all temporary differences between the carrying amount and the tax base of assets and liabilities.

Deferred tax is measured according to the tax rules and at the tax rates applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax. Deferred tax assets are recognised at the expected value of their utilisation; either as a set-off against tax on future income or as a set-off against deferred tax liabilities in the same legal tax entity. Changes in deferred tax due to changes in the tax rate are recognised in the income statement.

As management company for all the entities in the joint taxation arrangement, the parent company is liable for payment of the subsidiaries' income taxes vis à vis the tax authorities as the subsidiaries pay their joint taxation contributions. Joint taxation contributions payable or receivable are recognised in the balance sheet as income tax receivables or payables.

##### Other payables

Other payables are measured at net realisable value.

#### 2 Going concern uncertainties

The Company has in 2017 received a letter of support from its owners to pay all liabilities and expenses before due dates.

## Financial statements for the period 16 March - 31 December

### Notes to the financial statements

#### 7 Contractual obligations and contingencies, etc.

##### Contingent liabilities

As management company for all the entities in the joint taxation arrangement, the parent company is liable for payment of the subsidiaries' income taxes vis à vis the tax authorities as the subsidiaries pay their joint taxation contributions.

##### Other financial obligations

The Company has issued letters of support to its subsidiaries in respect of payment of liabilities and expenses before due dates.
