## Maersk Trade Finance Services A/S Management's Statement

---

The Executive Board and Board of Directors have today considered and adopted the Annual Report of Maersk Trade Finance Services A/S for the financial year 1 January - 31 December 2021.

The Annual Report is prepared in accordance with the Danish Financial Statements Act.

In our opinion the Financial Statements give a true and fair view of the financial position at 31 December 2021 of the Company and of the results of the Company operations for 2021.

In our opinion, Management's review includes a true and fair account of the matters addressed in the review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

## **Maersk Trade Finance Services A/S Independent Auditor's Report**

---

To the Shareholder of Maersk Trade Finance Services A/S

### **Opinion**

In our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 31 December 2021, and of the results of the Company's operations for the financial year 1 January 2021 - 31 December 2021 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of Maersk Trade Finance Services A/S for the financial year 1 January 2021 - 31 December 2021, which comprise a summary of significant accounting policies, income statement, balance sheet and notes ("financial statements").

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Statement on Management's Review**

Management is responsible for Management's Review.

Our opinion on the financial statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

### **Management's Responsibilities for the Financial Statements**

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless

## Maersk Trade Finance Services A/S Independent Auditor's Report

---

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **Maersk Trade Finance Services A/S Management's review**

---

### **Principal activities of the Company**

The Company's operating activities is to provide support services to its parent Maersk Trade Finance A/S in Denmark and other related activities.

This Company initiated trade finance business on the behalf of Maersk A/S, by making investments in its wholly own subsidiaries, namely Solopgang Services India Private Limited and Maersk Trade Finance (DIFC) Ltd. Maersk Trade finance (DIFC) Ltd was liquidated in 2021 and investment value of the same was realised at cost.(please refer note 3)

### **Development in activities and financial matters**

The income statement of the Company for 2021 shows a profit after tax of USD 209 thousand.

Maersk has taken a strategic decision to not offer the trade finance product to any new customers and the company's activities has consequently decreased significantly in 2021. The future long term activities of the company remain to be determined.

### **Non-current liabilities**

In connection with the assessment of going concern, which forms the basis of preparation, management has obtained a confirmation from its parent, Maersk Trade Finance A/S, that it will not demand repayment of the payables and the intercompany loan is recognized as a non-current liability.

### **Events after the balance sheet date**

No events have occurred after the balance sheet date to this date which would influence the evaluation of the annual report.

## **Maersk Trade Finance Services A/S**

### **Summary of Significant Accounting Policies**

---

The Annual Report of Maersk Trade Finance Services A/S has been prepared in accordance with the provisions under the Danish Financial Statements Act applying to enterprises of Reporting Class - B.

Under Section 112 of the Danish Financial Statements Act, consolidated financial statements are not presented. Accounting policies remain unchanged from last year.

Since the A.P. Møller - Mærsk A/S group significant classes of transactions are performed in USD, therefore management has decided to prepare the annual report in USD. At 31 December 2021 the exchange rate USD/DKK was 6.55 (31 December 2020: 6.05).

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

#### **Recognition and measurement in general**

Assets are recognised in the balance when it is probable that future financial benefits will arise at the Company and the value of the assets can be reliably measured. Liabilities are recognised in the balance sheet when it is probable that future financial benefits will leave the Company and the value of the liabilities can be reliably measured. Assets and liabilities are measured at cost price at initial recognition. Subsequently, assets and liabilities are measured as described below for each item. Income is recognised in the income statement when earned. Furthermore, costs that are necessary for obtaining the income are recognised.

#### **Foreign currency translation**

Transactions in other currency than the functional currency are translated at the exchange rate on the date of the transaction. Monetary items in foreign currency that are not settled on the balance sheet date are translated at exchange rate on the balance sheet date. Foreign exchange rate gains and losses are included in the income statement as financial items.

#### **Income statement**

##### **Revenue**

Revenue includes service fees received from Maersk Trade Finance A/S.

##### **Other external expenses**

Other external expenses includes administrations costs and fees.

##### **Financial income and expenses**

Financial income and expenses, include interest, exchange gains and losses concerning items in foreign currencies and dividends received from Group enterprises.

#### **Tax and deferred tax**

The Company is jointly taxed with Danish Companies in the A.P.Møller - Mærsk A/S Group and A.P. Møller Holding A/S. The current Danish company tax is distributed by allocating joint taxation contributions among the jointly taxed enterprises in proportion to the taxable income of these enterprises.

The tax for the year, which includes the current company tax for the year (the joint taxation contribution), and the change in deferred tax are recognised in the income statement with the share that can be attributed to the results for the year and directly in the equity with the share that can be attributed to the entries directly in the equity. Deferred tax are recognised by all temporary differences between the accounting and taxable values of assets and liabilities. Deferred tax assets are recognised to the extent expected to be realised.

#### **Balance Sheet**

##### **Investments in subsidiaries**

Investments in subsidiaries are recognised at cost price. Where cost price exceeds the recoverable amount, write-down is made to lower value. Dividends are recognised in the income statement of the time of declaration.

##### **Receivables**

Receivables are recognised at cost price, equal to nominal value. Provisions for bad debts are determined based on an individual assessment.

##### **Equity**

Proposed dividends are recognised as a liability at the time of adoption at the General Meeting. The expected dividends payment for the year is shown as a separate item under Equity.

##### **Payables**

Payables are measured at amortised cost, equal to nominal value.
