Significant activities:

The purpose of Other Tales Interactive ApS is development, marketing and sale of games.

The Annual Report of Other Tales Interactive ApS for 2019 has been presented in accordance with the provisions of the Danish Financial Statements Act regarding reporting medium-sized class B enterprises.

The significant areas of the accounting policies are, which are presented using the same policies as last year, mentioned below.

GENERALLY REGARDING RECOGNITION AND MEASUREMENT

Income is recognised in the Income Statement as earned, including value adjustments of financial assets and liabilities. Likewise, all expenses including depreciation/amortisation, impairment losses, and reversals which are due to changes in estimated amounts previously recognised in the Income Statement, are recognised in the Income Statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits will flow to the Company and when the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that the future economic benefits will flow out of the Company and when the measurement of the value of the liability is reliable.

On initial recognition, assets and liabilities are recognised at cost. Subsequently, assets and liabilities are measured as described below for each item.

Allowances are made for predictable losses and risks that arise before the presentation of the Annual Report and that confirm or invalidate circumstances that existed at the balance sheet date.

THE INCOME STATEMENT

Gross income:

Gross income comprises the net turnover, other operating income and external costs.

Revenue:

Revenue is recognised less VAT and taxes and with the deduction of any discounts granted in connection with the sale.

Other operating income:

Grants relating to development projects are recognized in the income statement as the expenses are held. Grants are recognized at the time when a final and binding entitlement to the grant has been obtained.

Staff costs:

Staff costs include salaries and wages including holiday allowances, pensions and other costs for social security etc. for staff members.

Other external costs

Other external costs include costs relating to sale, advertising, administration and similar expenses.

Financials:

Financial income and expenses are recognised in the income statement, with the amounts concerning the financial year. Financial expenses include interest and transactions in foreign

Tax on results for the year:

Tax on results for the year which comprises current tax and changes in deferred tax is recognised in the Income Statement with the portion of taxes related to the taxable income for the year whereas the portion attributable to entries on equity is recognised directly in equity.

ASSETS:**Financial assets:**

Deposits are measured at amortized cost, which normally corresponds to the nominal value.

Receivables:

Receivables are measured at amortised cost which usually equals nominal value. Provisions made for bad debts reduce the value.

Cash and cash equivalents:

Cash equivalents consist of bank deposits. Cash and cash equivalents are carried at fair value.

LIABILITIES:**Deferred income:**

Deferred income recognized under liabilities include prepaid grants received to cover expenses in subsequent financial year.

Tax payable and deferred tax:

Current tax liabilities and current tax receivable are recognised in the balance sheet as tax calculated on the taxable income for the year adjusted for tax on previous years' taxable income and taxes paid on account/prepaid.

Deferred tax is measured according to the balance sheet liability method in respect of temporary differences between the carrying amount and the tax base of assets and liabilities.

Deferred tax is measured according to the balance sheet liability method in respect of temporary differences between the carrying amount and the tax base of assets and liabilities. In cases, e.g. in respect of shares in which the statement of the tax base can be made according to alternative taxation rules, deferred tax is measured on the basis of the planned use of the asset or settlement of the liability, respectively.

Deferred tax assets including the tax value of tax loss carryforwards, are measured at the expected realisable value, either by elimination in tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity and jurisdiction. Any deferred net tax assets are measured at net realisable value.

Liabilities:

Liabilities concerning debts to suppliers and other debts are measured at amortised cost which usually corresponds to the nominal value.
