SIGNIFICANT ACCOUNTING POLICIES

The annual report 2017 of Phoenix IV A/S has been prepared in accordance with the provisions of the Danish Financial Statements Act (Årsregnskabsloven) applicable for class B companies.

Recognition and measurement in general

Income is recognised in the income statement when earned. Furthermore, costs necessary for obtaining the income are recognised.

Assets are recognised in the balance sheet when it is probable that future financial benefits will arrive at the Company and the value of the assets can be reliably measured.

Liabilities are recognised in the balance sheet when it is probable that future financial benefits will leave the Company and the value of the liability can be reliably measured.

Assets and liabilities are initially recognised at cost price. Subsequent recognition is described below for each category.

The Company uses Danish kroner as functional currency as well as presentation currency. All other currencies are considered foreign currencies.

Foreign currency translation

Receivables, payables and other monetary items in foreign currency are translated to the exchange rate on the balance sheet date. The difference between the exchange rate on the balance sheet date and the time of recognition of receivables or payables are included in financial items in the income statement.

Income statement

External costs

External costs include administration and overhead costs, etc.

Tax

The Company is jointly taxed with A.P. Møller Holding A/S' Danish subsidiaries. The actual company tax is allocated between the participating companies based on their taxable income.

ACCOUNTING POLICIES (CONTINUED)

Balance sheet

Receivables

Receivables are recognised at cost price corresponding to nominal value. Provisions for bad debt are made based on individual assessment.

Dividend

Proposed dividend for the year is presented separately in equity.

Provisions

Provisions are recognised when the Company has a current legal constructive obligation. Provisions are recognised on the basis of best estimates.

Deferred tax

Deferred tax is calculated based on the difference between carrying amount and tax value of assets and liabilities.

Payables

Payables are recognised at amortised cost price corresponding to nominal value.
