## STATEMENT BY BOARD OF EXECUTIVES

Today the Board of Executives have discussed and approved the Annual Report of Parpulev Holding ApS for the financial year 1 July 2018 - 30 June 2019.

The Annual Report is presented in accordance with the Danish Financial Statements Act.

In my opinion the Financial Statements give a true and fair view of the Company's financial position at 30 June 2019 and of the results of the Company's operations for the financial year 1 July 2018 - 30 June 2019.

The Management's Review includes in my opinion a fair presentation of the matters dealt with in the Review.

The board of executives remain of the opinion that the conditions for opting out of audit have been fulfilled.

I recommend the Annual Report be approved at the Annual General Meeting.

## THE INDEPENDENT AUDITOR'S REVIEW REPORT

### To the Shareholder of Parpulev Holding ApS

We have reviewed the Financial Statements of Parpulev Holding ApS for the financial year 1 July 2018 - 30 June 2019 which comprise income statement, balance sheet, notes and a summary of significant accounting policies. The Financial Statements are prepared under the Danish Financial Statements Act.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act. This responsibility includes maintaining the internal control as Management determines is necessary to enable the preparation of Financial Statements free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Financial Statements. We have conducted our review in accordance with the International Standard on Review Engagements, Engagements to Review Historical Financial Statements and additional requirements under Danish Audit Legislation. This requires that we express an auditor's opinion stating whether matters have come to our knowledge causing us to believe that the Financial Statements have not in all materiality been prepared in accordance with the relevant accounting framework. This also requires us to observe ethical requirements.

A review of financial statements performed according to the International Standard on Review Engagements, Engagements to Review Historical Financial Statements is an assurance engagement with a limited degree of assurance. The auditor will perform procedures which will primarily consist of inquiries to the Management and to other members of staff, if relevant, and application of analytical procedures and assessment of the evidence obtained.

The scope of procedures performed in connection with a review is considerably less extensive than that of an audit performed according to the International Standards on Audit. Consequently, we do not express an audit opinion on the Financial Statements.

#### **Opinion**

During our review no matters have come to our knowledge which cause to conclude that the Financial Statements do not give a true and fair view of the Company's assets, liabilities and financial position at 30 June 2019 and of the results of the Company's operations for the financial year 1 July 2018 - 30 June 2019 in accordance with the Danish Financial Statements Act.

## ACCOUNTING POLICIES

The Annual Report of Parpulev Holding ApS for 2018/19 has been presented in accordance with the provisions of the Danish Financial Statements Act for enterprises in reporting class B and certain provisions applying to reporting class C.

The format of the income statement has been adjusted to the company's activities as a holding company.

The Annual Report is prepared consistently with the accounting principles applied last year.

## INCOME STATEMENT

### Other external expenses

Other external expenses include cost of sales, advertising, administration, buildings, bad debts, operational lease expenses, etc.

### Financial income and expenses

Financial income and expenses include interest income and expenses, financial expenses of finance leases, realised and unrealised gains and losses arising from investments in financial assets, debt and transactions in foreign currencies, amortisation of financial assets and liabilities as well as charges and allowances under the tax-on-account scheme etc. Financial income and expenses are recognised in the income statement by the amounts that relate to the financial year.

### Tax

The tax for the year, which consists of the current tax for the year and changes in deferred tax, is recognised in the income statement by the portion that may be attributed to the profit for the year, and is recognised directly in the equity by the portion that may be attributed to entries directly to the equity.

## BALANCE SHEET

### Securities and investments

Securities and investments, recognised as current assets, comprise public quoted bonds, shares and other current investments that are measured at fair market value on the balance sheet date. Public quoted securities are measured at quoted price. Non-quoted securities are measured at sales value based on computed net present value.

### Tax payable and deferred tax

Current tax liabilities and receivable current tax are recognised in the balance sheet as the calculated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and taxes paid on account.

Deferred tax is measured on the temporary differences between the carrying amount and the tax value of assets and liabilities.

Deferred tax assets, including the tax value of tax loss carry-forwards, are measured at the expected realisable value of the asset, either by set-off against tax on future earnings or by set-off against deferred tax liabilities within the same legal tax entity.

Deferred tax is measured on the basis of the tax rules and tax rates that under the legislation in force on the balance sheet date would be applicable when the deferred tax is expected to crystallise as current tax. Any changes in the deferred tax resulting from changes in tax rates, are recognised in the income statement, except from items recognised directly in equity.

### Liabilities

Amortised cost of current liabilities usually corresponds to nominal value.
