Statement by Management

The Executive Board has today considered and approved the annual report of byFounders VC Fund I K/S for the financial year 01.01.2022 - 31.12.2022.

The annual report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2022 and of the results of its operations and cash flows for the financial year 01.01.2022 - 31.12.2022.

We believe that the management commentary contains a fair review of the affairs and conditions referred to therein.

We recommend the annual report for adoption at the Annual General Meeting.

Copenhagen, 28.03.2023

Executive Board

Eric Lagier

Tommy Andersen

Director

Independent auditor's report

To the shareholders of byFounders VC Fund I K/S

Opinion

We have audited the financial statements of byFounders VC Fund I K/S for the financial year 01.01.2022 - 31.12.2022, which comprise the income statement, balance sheet, statement of changes in equity, cash flow statement and notes, including a summary of significant accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the Entity's financial position at 31.12.2022 and of the results of its operations and cash flows for the financial year 01.01.2022 - 31.12.2022 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of this auditor's report. We are independent of the Entity in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Entity's ability to continue as a going concern, for disclosing, as applicable, matters related to going concern, and for using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures in the notes, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Statement on the management commentary

Management is responsible for the management commentary.

Our opinion on the financial statements does not cover the management commentary, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the management commentary and, in doing so, consider whether the management commentary is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the management commentary provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the management commentary is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement of the management commentary.

Total assets

Primary activities

The object of byFounders VC Fund I K/S ("the Fund") is to generate returns by making, monitoring, developing and realising investments in small and medium-sized, innovative technology startups, either directly or through wholly-owned or partially owned holding companies. It is the Fund's sixth financial year.

Development in activities and finances

The Income statement for 2022 shows a profit of DKK 178.3 million and at December 31 2022, the balance sheet of the company shows equity of 1,236.5 million.

From the establishment and until 31 December 2022 the Fund has made 35 investments in portfolio companies, of which 26 remain active investments. Increases in the values of the Fund's portfolio companies partly depend on their financial results and partly on the share market utilized to determine the price for the unlisted shares. Forthcoming results of the Fund thus depends on the development in the value of the Fund's investments in current portfolio companies.

Profit/loss for the year in relation to expected developments

The executive board considers the result satisfactory.

Uncertainty relating to recognition and measurement

byFounders VC Fund I K/S invest in unlisted companies where marketability and earnings are determined by the development in market conditions, and assessments and estimates are included in the calculation of the fair value.

Therefore, there is uncertainty associated with the calculation of the fair value of the portfolio companies. Please refer to Note 2 for a more detailed description.

Outlook

The company's expected development is influenced by the performance of the portfolio companies, as well as the development of the stock market and the economy as a whole for which it is not possible to provide forward looking statements.

Statutory report on corporate social responsibility

The Fond is defined as an article 6 fund according to SFDR.

The investments underlying this financial product do not take into account the EU criteria for environmentally sustainable economic activities.

Events after the balance sheet date

There have been no events after the balance sheet date, which have an impact on the annual report.

Notes

1 Proposed distribution of profit and loss

	2022 DKK'000	2021 DKK'000
Retained earnings	178,297	299,110
	178,297	299,110

2 Financial assets

	Other investments DKK'000
Cost beginning of year	542,131
Additions	93,141
Disposals	(80,590)
Cost end of year	554,682
Revaluations beginning of year	416,934
Exchange rate adjustments	44,563
Fair value adjustments	219,918
Revaluations end of year	681,415
Carrying amount end of year	1,236,097

Pr. 31.12.2022 the Fund had 26 active investments.

Other investments in byFounders VC I K/S comprise of the following:

- 1) Equity investments in non-listed companies
- 2) SAFE notes (Simple Agreement for Future Equity)
- 3) Convertible debt instruments

The fund invests in unlisted equity investments within the venture environment. The investments are made through the above mentioned instruments, and as a result, the valuation is associated with uncertainty, just as the valuation is dependent on the future execution of the strategy by the individual companies. In periods of high economic uncertainty, the uncertainty surrounding the valuation will also be greater.

The Company has assets in both DKK, EUR, USD and SEK. As the fund is nominated in DKK, changes in currency rates can have significant effect on the value of the companies in DKK and hence the P/L effect.

3 Non-current liabilities other than provisions

	Due after more than 12 months 2022 DKK'000
Payables to group enterprises	65
	65

The payables to group enterprises consist of a loan between the Fund and the General Partner. The loan does not have a specific repayment date, but will be repaid at the termination of the fund.

4 Changes in working capital

	2022 DKK'000	2021 DKK'000
Increase/decrease in receivables	(21)	(25)
Increase/decrease in trade payables etc	(105)	(551)
	(126)	(576)

5 Employees

The entity has no employees.

6 Contingent liabilities

The entity has no guarantees or contingent liabilities.

7 Assets charged and collateral

The entity has no assets charged or collateral.

8 Transactions with related parties

Management fee

The limited partnership is administered by byFounders VC Management ApS (the "Investment Manager"). Under the Limited Partner Agreement of 4 December 2017, the company appointed byFounders VC Management AÅS as investment manager to perform management services to the limited partnership. byFounders VC Management ApS receives a fee based on the cost price of investments in portfolio companies. In 2022, the fee amounted to MDKK 12.1 (2021: MDKK 12.7).

General Partner fee

According to the Limited Partner Agreement of the 4th of December 2017, the company must pay the General Partner a fixed fee of DKK 12,000 yearly.

Furthermore the General Partner is entitled to receive DKK 12,500 quarterly of the management fee paid to the fund manager.

The Fund paid the General partner DKK 62,000 in 2022 (DKK 62,000 in 2021).

Other transactions with related parties

The company has a receivable from byFounders VC Feeder Fund II K/S of DKK 20,694 and a debt to byFounders VC General Partner I ApS of DKK 64,800.

All related party transactions are on market terms.

Accounting policies

Reporting class

This annual report has been prepared in accordance with the provisions of the Danish Financial Statements Act governing reporting class C enterprises (medium).

The accounting policies applied to these financial statements are consistent with those applied last year.

Reporting currency is Danish kroner (DKK).

Recognition and measurement

Assets are recognised in the balance sheet when it is probable as a result of a prior event that future economic benefits will flow to the Entity, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when the Entity has a legal or constructive obligation as a result of a prior event, and it is probable that future economic benefits will flow out of the Entity, and the value of the liability can be measured reliably.

On initial recognition, assets and liabilities are measured at cost. Measurement subsequent to initial recognition is effected as described below for each financial statement item.

Anticipated risks and losses that arise before the time of presentation of the annual report and that confirm or invalidate affairs and conditions existing at the balance sheet date are considered at recognition and measurement.

Income is recognised in the income statement when earned, whereas costs are recognised by the amounts attributable to this financial year.

Income statement

Other external expenses

Other external expenses include expenses relating to the Entity's ordinary activities, including audit fee, administration fee and management fees.

Income from other fixed asset investments

Income from other fixed asset investments comprises gains in the form of fair value adjustments, interest, dividends, etc. on fixed asset investments.

Other financial income

Other financial income comprise interest income.

Other financial expenses

Other financial expenses comprise interest expenses and net capital or exchange losses on transactions in foreign currencies.

Balance sheet

Receivables

Receivables are measured at amortised cost, usually equalling nominal value, less writedowns for bad and doubtful debts.

Other investments

Other investments comprise investments in portfolio companies, which are measured at fair value at the balance sheet date in accordance with the Danish Financial Statement Act § 37. Value adjustments are recognized in the income statement. The valuation is based on the price of recent investment, including currency adjustments consistent, with the IPEV Valuation Guidelines.

The valuation of simple agreements for future equity (SAFE-notes), depends on the valuation of the underlying companies. The SAFE-notes will only be exercised, if the underlying companies issue stocks, engage in an initial public offering or a change of the companies control occurs.

Cash

Cash comprises bank deposits.

Other financial liabilities

Other financial liabilities are measured at amortised cost, which usually corresponds to nominal value.

Cash flow statement

The cash flow statement shows cash flows from operating, investing and financing activities, and cash and cash equivalents at the beginning and the end of the financial year.

Cash flows from operating activities are presented using the indirect method and calculated as the operating profit/loss adjusted for non-cash operating items, working capital changes, and financial income, financial expenses and income tax paid.

Cash flows from investing activities comprise payments in connection with acquisition and divestment of enterprises, activities and fixed asset investments.

Cash flows from financing activities comprise changes in the size or composition of the contributed capital and related costs, and repayments of interest-bearing debt.

Cash and cash equivalents comprise bank deposits.
