Notes:

- To ensure the greatest possible applicability of this document, British English terminology has been used.
- Please note that decimal points have not been used in the usual English way. This means that for instance DKK 146.940 means the amount of DKK 146,940, and that 23,5 % means 23.5 %.

Management's report

The management has today presented the annual report of Risskov Brynet Parkering A K/S for the financial year 13 September to 31 December 2017.

The annual report has been presented in accordance with the Danish Financial Statements Act.

We consider the accounting policies used appropriate, and in our opinion the annual accounts provide a true and fair view of the Limited Partnerships assets and liabilities and its financial position as on 31 December 2017 and of the Limited Partnerships results of its activities in the financial year 13 September to 31 December 2017.

We are of the opinion that the management's review includes a fair description of the issues dealt with.

The annual report is recommended for approval by the general meeting.

Independent auditor's report

To the shareholders of Risikov Brynet Parkering A K/S

Opinion

We have audited the annual accounts of Risikov Brynet Parkering A K/S for the financial year 13 September to 31 December 2017, which comprise accounting policies used, profit and loss account, balance sheet, statement of changes in equity and notes. The annual accounts are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the annual accounts give a true and fair view of the Limited Partnerships assets, liabilities and financial position at 31 December 2017 and of the results of the Limited Partnerships operations for the financial year 13 September to 31 December 2017 in accordance with the Danish Financial Statements Act.

Basis for opinion

We conducted our audit in accordance with international standards on auditing and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the below section "Auditor's responsibilities for the audit of the annual accounts". We are independent of the Limited Partnership in accordance with international ethics standards for accountants (IESBA's Code of Ethics) and the additional requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these standards and requirements. We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our opinion.

The management's responsibilities for the annual accounts

The management is responsible for the preparation of annual accounts that give a true and fair view in accordance with the Danish Financial Statements Act. The management is also responsible for such internal control as the management determines is necessary to enable the preparation of annual accounts that are free from material misstatement, whether due to fraud or error.

In preparing the annual accounts, the management is responsible for evaluating the Limited Partnerships ability to continue as a going concern, and, when relevant, disclosing matters related to going concern and using the going concern basis of accounting when preparing the annual accounts, unless the management either intends to liquidate the Limited Partnership or to cease operations, or if it has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the annual accounts

Our objectives are to obtain reasonable assurance about whether the annual accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report including an opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with international standards on auditing and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements may arise due to fraud or error and may be considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions made by users on the basis of the annual accounts.

Independent auditor's report

As part of an audit conducted in accordance with international standards on auditing and the additional requirements applicable in Denmark, we exercise professional evaluations and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement in the annual accounts, whether due to fraud or error, design and perform audit procedures in response to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the risk of not detecting a misstatement resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Limited Partnerships internal control.
- Evaluate the appropriateness of accounting policies used by the management and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's preparation of the annual accounts being based on the going concern principle and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may raise significant doubt about the Limited Partnerships ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual accounts or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Limited Partnership to cease to continue as a going concern.
- Evaluate the overall presentation, structure and contents of the annual accounts, including the disclosures in the notes, and whether the annual accounts reflect the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in the internal control that we identify during our audit.

Statement on the management's review

The management is responsible for the management's review.

Our opinion on the annual accounts does not cover the management's review, and we do not express any kind of assurance opinion on the management's review.

Independent auditor's report

In connection with our audit of the annual accounts, our responsibility is to read the management's review and in that connection consider whether the management's review is materially inconsistent with the annual accounts or our knowledge obtained during the audit, or whether it otherwise appears to contain material misstatement.

Furthermore, it is our responsibility to consider whether the management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we believe that the management's review is in accordance with the annual accounts and that it has been prepared in accordance with the requirements of the Danish Financial Statement Acts. We did not find any material misstatement in the management's review.

Management's review

Primary activities

The purpose of the Limited Partnership is to buy and operate real estate.

Development in activities and financial matters

The gross loss for the year is t.DKK -101. The results from ordinary activities after tax are t.DKK -402. The management consider the results unsatisfactory.

Until the Limited Partnership can repay its debt, group companies including the General Partner are financing the Limited Partnership.

Accounting policies used

The annual report for Risskov Brynet Parkering A K/S is presented in accordance with those regulations of the Danish Financial Statements Act concerning companies identified as class B enterprises. Furthermore, the Limited Partnership has chosen to comply with some of the rules applying for class C enterprises.

As it is the Limited Partnerships first financial year, there are no comparative figures in the report. The annual accounts are presented in Danish kroner (DKK).

The profit and loss account

Gross loss

The gross loss comprises of operating costs and other external costs.

Operating costs include costs directly associated with the operation of the property, repair and maintenance, taxes and other costs that are not paid by the tenant .

Other external costs comprise costs for administration and loss on debtors.

Depreciation

Depreciation comprise depreciation to tangible fixed assets.

Net financials

Net financials comprise interest, amortisation of financial assets and liabilities, additions and reimbursements under the Danish tax prepayment scheme, etc. Financial income and expenses are recognised in the profit and loss account with the amounts that concerns the financial year.

The balance sheet

Tangible fixed assets

Investment property is measured at cost with deduction of accrued depreciation and writedown. Land is not depreciated.

The basis of depreciation is cost with deduction of any expected residual value after the end of the useful life of the asset. The amortisation period and the residual value are determined at the acquisition date and reassessed annually. If the residual value exceeds the book value, the amortisation discontinues.

If the amortisation period or the residual value is changed, the effect on amortisation will in the future be recognised as a change in the accounting estimates.

The cost comprises the acquisition cost and costs directly attached to the acquisition until the time when the asset is ready for use.

Accounting policies used

Depreciation takes place on a straight line basis and based on an evaluation of the expected useful life and the residual value of the individual assets:

	<i>Useful life</i>	<i>Residual value</i>
<i>Buildings</i>	<i>30 years</i>	<i>20 %</i>
<i>Technical plants and machinery</i>	<i>10 years</i>	<i>0 %</i>

Profit or loss deriving from the sales of tangible fixed assets is measured as the difference between the sales price reduced by the selling costs and the book value at the time of the sale. Profit or losses are recognised in the profit and loss account as other operating income or other operating expenses.

Debtors

Debtors are measured at amortised cost which usually corresponds to face value. In order to meet expected losses, writedown takes place at the net realisable value.

Liabilities

Other liabilities are measured at amortised cost which usually corresponds to the nominal value.
