Company reg. no. 39 05 93 20

## Annual report

1 August 2020 - 31 July 2021

The annual report has been submitted and approved by the general meeting on the 2 November 2021.

---

Alexander John Booth  
Chairman of the meeting

Notes:

- To ensure the greatest possible applicability of this document, IAS/IFRS English terminology has been used.
- Please note that decimal points have not been used in the usual English way. This means that for instance DKK 146.940 means the amount of DKK 146,940, and that 23,5 % means 23.5 %.

## Management's report

---

Today, the managing director has presented the annual report of Full Spectrum Innovation ApS for the financial year 1 August 2020 - 31 July 2021.

The annual report has been presented in accordance with the Danish Financial Statements Act.

I consider the accounting policies appropriate and, in my opinion, the financial statements provide a fair presentation of the company's assets, equity and liabilities, and financial position at 31 July 2021 and of the company's results of activities in the financial year 1 August 2020 – 31 July 2021.

The managing director consider the conditions for audit exemption of the 2020/21 financial statements to be met.

I am of the opinion that the management commentary presents a fair account of the issues dealt with.

We recommend that the annual report be approved by the general meeting.

Copenhagen, 2 November 2021

**Managing Director**

Alexander John Booth

## **Independent auditor's report on review of the financial statements**

---

### **For the attention of the shareholders of Full Spectrum Innovation ApS**

We have performed review of the financial statements of Full Spectrum Innovation ApS for the financial year 1 August 2020 - 31 July 2021, which comprise income statement, statement of financial position, statement of changes in equity, notes and accounting policies.

### **Responsibilities of management and those charged with governance for the financial statements**

Management is responsible for the preparation of financial statements that give a fair presentation in accordance with the Danish Financial Statements Act. Furthermore, the management is responsible for such internal control as the management considers necessary to prepare financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

Our responsibility is to express an opinion on the financial statements. We conducted our review in accordance with the international standard on engagements to review historical financial statements and additional requirements under Danish audit regulation. This requires that we express an opinion as to whether any matters have come to our attention that causes us to believe that the financial statements as such have not in all material respects been prepared in accordance with the applicable financial reporting framework. The standard also requires us to comply with relevant ethical requirements.

A review of financial statements performed in accordance with the international standard on engagements to review historical financial statements is a limited assurance engagement. The auditor's procedures consist primarily of making inquiries of the management and, when appropriate, of others within the enterprise, applying analytical procedures, and evaluating the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with international standards on auditing. Accordingly, we do not express an audit opinion on the financial statements.

### **Opinion**

Based on our review, nothing has come to our attention which causes us to believe that the financial statements do not provide a fair presentation of the company's assets, liabilities and financial position at 31 July 2021 and of the results from its activities for the financial year 1 August 2020 to 31 July 2021 in accordance with the Danish Financial Statements Act.”

Copenhagen, 2 November 2021

### **Parent company**

Full Spectrum Innovation Ltd.

## **Management commentary**

---

### **The principal activities of the company**

Like previous years, the principal activities are consultancy activities and related activities.

### **Development in activities and financial matters**

The gross profit for the year totals DKK 1.477.000 against DKK 497.000 last year. Income or loss from ordinary activities after tax totals DKK 1.145.000 against DKK 375.000 last year. Management considers the net profit or loss for the year satisfactory.

### **Events occurring after the end of the financial year**

No events have occurred subsequent to the balance sheet date, which would have material impact on the financial position of the Company.

## Accounting policies

---

The annual report for Full Spectrum Innovation ApS has been presented in accordance with the Danish Financial Statements Act regulations concerning reporting class B enterprises. Furthermore, the company has decided to comply with certain rules applying to reporting class C enterprises.

The accounting policies are unchanged from last year, and the annual report is presented in DKK.

### Recognition and measurement in general

Income is recognised in the income statement concurrently with its realisation, including the recognition of value adjustments of financial assets and liabilities. Likewise, all costs are recognised in the income statement, including depreciations amortisations, writedowns for impairment, provisions, and reversals due to changes in estimated amounts previously recognised in the income statement.

Assets are recognised in the statement of financial position when it seems probable that future economic benefits will flow to the company and the value of the asset can be reliably measured.

Liabilities are recognised in the statement of financial position when it is seems probable that future economic benefits will flow out of the company and the value of the liability can be reliably measured.

Assets and liabilities are measured at cost at the initial recognition. Hereafter, assets and liabilities are measured as described below for each individual accounting item.

Upon recognition and measurement, allowances are made for such predictable losses and risks which may arise prior to the presentation of the annual report and concern matters that exist on the reporting date.

### Income statement

#### Gross profit

Gross profit comprises the revenue and external costs.

The enterprise will be applying IAS 11 and IAS 18 as its basis of interpretation for the recognition of revenue.

Revenue is recognised in the income statement if delivery and passing of risk to the buyer have taken place before the end of the year and if the income can be determined reliably and inflow is anticipated. Recognition of revenue is exclusive of VAT and taxes and less any discounts relating directly to sales.

Cost of sales comprises costs concerning purchase of raw materials and consumables less discounts and changes in inventories.

Other external costs comprise costs incurred for administration and premises.

## Accounting policies

---

### **Financial income and expenses**

Financial income and expenses are recognised in the income statement with the amounts concerning the financial year. Financial income and expenses comprise interest income and expenses.

### **Tax on net profit or loss for the year**

Tax for the year comprises the current income tax for the year and changes in deferred tax and is recognised in the income statement with the share attributable to the net profit or loss for the year and directly in equity with the share attributable to entries directly in equity.

## Statement of financial position

### **Investments**

#### **Deposits**

Deposits are measured at amortised cost and represent lease deposits, etc.

#### **Receivables**

Receivables are measured at amortised cost, which usually corresponds to nominal value.

#### **Cash on hand and demand deposits**

Cash on hand and demand deposits comprise cash at bank.

#### **Income tax and deferred tax**

Current tax liabilities and current tax receivable are recognised in the statement of financial position as calculated tax on the taxable income for the year, adjusted for tax of previous years' taxable income and for tax paid on account.

Deferred tax is measured on the basis of temporary differences in assets and liabilities with a focus on the statement of financial position. Deferred tax is measured at net realisable value.

Deferred tax is measured based on the tax rules and tax rates applying under the legislation prevailing in the respective countries on the reporting date when the deferred tax is expected to be released as current tax. Changes in deferred tax due to changed tax rates are recognised in the income statement, except for items included directly in the equity.

Deferred tax assets, including the tax value of tax losses allowed for carryforward, are recognised at the value at which they are expected to be realisable, either by settlement against tax of future earnings or by set-off in deferred tax liabilities within the same legal tax unit. Any deferred net tax assets are measured at net realisable value.

#### **Liabilities other than provisions**

Other liabilities concerning payables to suppliers, group enterprises, and other payables are measured at amortised cost which usually corresponds to the nominal value.
