## Statement by the Board of Directors and the Executive Board

Today, the Board of Directors and the Executive Board have discussed and approved the annual report of Ton TopCo ApS for the financial year 1 January - 31 December 2022.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2022 and of the results of the Company's operations for the financial year 1 January - 31 December 2022.

Further, in our opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

We recommend that the annual report be approved at the annual general meeting.

## Independent auditor's report

### To the shareholders of Ton TopCo ApS

#### Opinion

We have audited the financial statements of Ton TopCo ApS for the financial year 1 January - 31 December 2022, which comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2022 and of the results of the Company's operations for the financial year 1 January - 31 December 2022 in accordance with the Danish Financial Statements Act.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

#### Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

## Independent auditor's report

- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statement Act. We did not identify any material misstatement of the Management's review.

## Management's review

### Business review

Ton TopCo ApS is the holding company of Kg BidCo ApS and the Gram Equipment Group. The company's objective is to invest in shares with the view to make a return and to provide management services in respect of strategic, managerial and business development matters.

### Unusual matters having affected the financial statements

The subsidiary Kg BidCo ApS was in June 2020 awarded € 87 million (c. DKK 648 million) by the International arbitral tribunal in Denmark. The international arbitral tribunal ruled in accordance with Kg BidCo ApS' claims of fraud and willful misconduct and sanctioned the seller, Green Magnum S.A. to pay a total amount of €87 million in compensation to Kg BidCo ApS. The tribunal ruled that Green Magnum S.A. in January 2018 sold Gram Equipment A/S (and GEH Invest ApS), based on fraudulent financial reporting and therefore was liable to pay damages to Kg BidCo ApS. The ruling is final and cannot be appealed. However, due to the uncertainties, the receivable is not recognized in the Financial statements as the counterpart failed to pay the award in due time on the due date of 7 July 2020. Kg BidCo ApS have and will continue to pursue any legal steps against the parties associated with Green Magnum S.A. in order to collect the awarded compensation of EUR 87 million arising from the fraud and willful misconduct.

Kg BidCo ApS has raised a claim against parties it believes are responsible for the loss awarded by the international arbitral tribunal. The oral hearing concluded in June 2023 and the ruling is expected in Q3 or Q4 of 2023.

### Financial review

The income statement for 2022 shows a loss of DKK 26,063 thousand against a loss of DKK 1,682 thousand last year, and the balance sheet at 31 December 2022 shows a negative equity of DKK 27,706 thousand.

### Events after the balance sheet date

No events materially affecting the Group's and the Company's financial position have occurred subsequent to the financial year-end.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies

The annual report of Ton TopCo ApS for 2022 has been prepared in accordance with the provisions in the Danish Financial Statements Act applying to reporting class B entities and elective choice of certain provisions applying to reporting class C entities.

In accordance with section 112 of the Danish Financial Statements Act, the Company has not prepared consolidated financial statements.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

#### Reporting currency

The financial statements are presented in Danish kroner (DKK'000).

#### Foreign currency translation

On initial recognition, transactions denominated in foreign currencies are translated at the exchange rate at the transaction date. Foreign exchange differences arising between the exchange rates at the transaction date and the date of payment are recognised in the income statement as financial income or financial expenses.

Receivables and payables and other monetary items denominated in foreign currencies are translated at the exchange rate at the balance sheet date. The difference between the exchange rates at the balance sheet date and the date at which the receivable or payable arose or was recognised in the most recent financial statements is recognised in the income statement as financial income or financial expenses.

#### Income statement

##### Other external expenses

Other external expenses include the year's expenses relating to the Company's core activities, including expenses relating to distribution, sale, advertising, administration, premises, bad debts, payments under operating leases, etc.

##### Profit/loss from investments in group entities

The item includes the Company's proportionate share of the profit/loss for the year in subsidiaries after elimination of intra-group income or losses and net of amortisation and impairment of goodwill and other excess values at the time of acquisition.

##### Financial income and expenses

Financial income and expenses are recognised in the income statement at the amounts that relate to the financial reporting period. The items comprise interest income and expenses, e.g. from group entities and associates.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies (continued)

##### Tax

Tax for the year includes current tax on the year's expected taxable income and the year's deferred tax adjustments. The portion of the tax for the year that relates to the profit/loss for the year is recognised in the income statement, whereas the portion that relates to transactions taken to equity is recognised in equity.

The Company and its Danish group entities are jointly taxed. The total Danish income tax charge is allocated between profit/loss-making Danish entities in proportion to their taxable income (full absorption).

Jointly taxed entities entitled to a tax refund are reimbursed by the management company based on the rates applicable to interest allowances, and jointly taxed entities which have paid too little tax pay a surcharge according to the rates applicable to interest surcharges to the management company.

##### Balance sheet

##### Investments in group entities

Investments in group entities and associates are measured at cost. Dividends received that exceed the accumulated earnings in the group entity or the associate during the period of ownership are treated as a reduction in the cost of acquisition.

##### Receivables

The Company has chosen IAS 39 as interpretation for impairment write-down of financial receivables.

Receivables are measured at amortised cost.

Impairment losses are calculated as the difference between the carrying amount of the receivables and the present value of the expected cash flows, including the realisable value of any collateral received. The effective interest rate for the individual receivable or portfolio is used as discount rate.

##### Cash

Cash comprise cash and short term securities which are readily convertible into cash and subject only to minor risks of changes in value.

##### Equity

##### *Proposed dividends*

Dividend proposed for the year is recognised as a liability once adopted at the annual general meeting (declaration date). Dividends expected to be distributed for the financial year are presented as a separate item under "Equity".

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies (continued)

##### Income taxes

Current tax payables and receivables are recognised in the balance sheet as the estimated income tax charge for the year, adjusted for prior-year taxes and tax paid on account.

Deferred tax is measured according to the liability method on all temporary differences between the carrying amount and the tax base of assets and liabilities. However, deferred tax is not recognised on temporary differences relating to goodwill which is not deductible for tax purposes and on office premises and other items where temporary differences, apart from business combinations, arise at the date of acquisition without affecting either profit/loss for the year or taxable income. Where alternative tax rules can be applied to determine the tax base, deferred tax is measured based on Management's intended use of the asset or settlement of the liability, respectively.

Deferred tax is measured according to the tax rules and at the tax rates applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax. Deferred tax assets are recognised at the expected value of their utilisation; either as a set-off against tax on future income or as a set-off against deferred tax liabilities in the same legal tax entity. Changes in deferred tax due to changes in the tax rate are recognised in the income statement.

##### Liabilities

The Company has chosen IAS 39 as interpretation for liabilities.

Financial liabilities are recognised at the date of borrowing at the net proceeds received less transaction costs paid. On subsequent recognition, financial liabilities are measured at amortised cost, corresponding to the capitalised value, using the effective interest rate. Accordingly, the difference between the proceeds and the nominal value is recognised in the income statement over the term of the loan. Financial liabilities also include the capitalised residual lease liability in respect of finance leases.

Other liabilities are measured at net realisable value.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 2 Financial structure

The company's main activity is holding the shares of the subsidiary Kg BidCo ApS and underlying subsidiaries including GEH Invest ApS and Gram Equipment A/S. The company is depended on the financial performance of the subsidiaries, in order to recapitalize the equity through dividend.

Investments in Kg BidCo ApS with a carrying amount of DKK 0 million have been pledged.

#### 3 Staff costs

The Company has no employees.

#### 4 Investments

DKK'000	Investments in group entities
Cost at 1 January 2022	637,937
Additions	27,857
Cost at 31 December 2022	665,794
Value adjustments at 1 January 2022	-637,937
Impairment losses	-27,857
Value adjustments at 31 December 2022	-665,794
<b>Carrying amount at 31 December 2022</b>	<b>0</b>

#### 5 Share capital

Analysis of changes in the share capital over the past 5 years:

DKK'000	2022	2021	2020	2019	2018
Opening balance	22,764	22,764	22,764	22,736	50
Capital increase	0	0	0	28	22,686
	22,764	22,764	22,764	22,764	22,736

#### 6 Contractual obligations and contingencies, etc.

##### Other contingent liabilities

The Company is jointly taxed with its parent, FSN HoldCo ApS, which acts as management company, and is jointly and severally liable with other jointly taxed group entities for payment of income taxes for the income year 2022 onwards as well as withholding taxes on interest, royalties and dividends falling due for payment.

#### 7 Contingent assets

The subsidiary Kg BidCo ApS was in June 2020 awarded € 87 million (c. DKK 648 million) by the International arbitral tribunal in Denmark. The international arbitral tribunal ruled in accordance with Kg BidCo ApS' claims of fraud and willful misconduct and sanctioned the seller Green Magnum S.A. to pay €87 million in compensation to Kg BidCo ApS. The tribunal ruled that Green Magnum S.A. in January 2018 sold Gram Equipment A/S (and GEH Invest ApS), based on fraudulent financial reporting and therefore was liable to pay damages to Kg BidCo ApS. The ruling is final and cannot be appealed.

However, due to the uncertainties, the receivable is not recognized in the Financial statements for Kg BidCo ApS for 2020 as the counterpart failed to pay the award in due time on the due date of 7 July 2020. Kg BidCo ApS have and will continue to pursue any legal steps against the parties associated with Green Magnum S.A. in order to collect the awarded compensation of EUR 87 million arising from fraud and willful misconduct.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 8 Collateral

Investments in Kg BidCo ApS with a carrying amount of DKK 0 million have been pledged.  
The Group's ultimate parent company is guarantor for bank loans amounting to EUR 3.75 million.
