Mango Property Holding ApS

Management's Statement

Today, Management has considered and adopted the Annual Report of Mango Property Holding ApS for the financial year 1 January 2021 - 31 December 2021.

The Annual Report is presented in accordance with the Danish Financial Statements Act.

In our opinion, the Financial Statements give a true and fair view of the assets, liabilities and financial position of the Company at 31 December 2021 and of the results of the Company's operations for the financial year 1 January 2021 - 31 December 2021.

In our opinion, the Management's Review includes a true and fair account of the matters addressed in the review.

We recommend that the Annual Report be adopted at the Annual General Meeting.

Kgs. Lyngby, 22 July 2022

Executive Board

Leif Frederik Ingemar Söderlund

Holger Leonhard Zilleken

Independent Auditors' Report

To the shareholders of Mango Property Holding ApS

Opinion

In our opinion, the Financial Statements give a true and fair view of the financial position of the Mango Property Holding ApS at 31 December 2021, and of the results of the Company's operations for the financial year 1 January 2021 - 31 December 2021 in accordance with the Danish Financial Statements Act.

We have audited the Financial Statements of Mango Property Holding ApS for the financial year 1 January 2021 - 31 December 2021, which comprise income statement, balance sheet, statement of changes in equity and notes, including a summary of significant accounting policies ("financial statements").

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Statement on Management's Review

Management is responsible for Management's Review.

Our opinion on the financial statements does not cover Management's Review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read Management's Review and, in doing so, consider whether Management's Review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether Management's Review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, in our view, Management's Review is in accordance with the Financial Statements and has been prepared in accordance with the requirements of the Danish Financial Statements Act. We did not identify any material misstatement in Management's Review.

Management's responsibility for the financial statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Independent Auditors' Report

The auditor's responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- * Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- * Evaluate the overall presentation, structure and contents of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Management's Review

The Company's principal activities

The Company's principal activities consist in being a holding company, invest in real estate, administration and management of real estate and other related activities.

Development in the activities and the financial situation of the Company

The Company's Income Statement of the financial year 1 January 2021 - 31 December 2021 shows a result of DKK 10.349.063 and the Balance Sheet at 31 December 2021 a balance sheet total of DKK 675.580.283 and an equity of DKK 319.842.555.

The Company has been merged with several companies with effect from January 2021.

The merger has been conducted with participation of companies under the same parent company (common control).

In connection with the merger, there has been a capital increase of the company's equity of T.DKK 248.480.

Reference is made to accounting policies, section "Change in financial year" for the specification of the companies.

In addition, the loans have been refinanced in connection with the merger.

Post financial year events

After the end of the financial year, no events have occurred which may change the financial position of the entity substantially.

Mango Property Holding ApS

Accounting Policies

Reporting Class

The annual report of Mango Property Holding ApS for 2021 has been presented in accordance with the provisions of the Danish Financial Statements Act applying to enterprises of reporting class B entities and elective choice of certain applying reporting class C entities.

Change in financial year

With effect from January 2021, Mango Property Holding ApS merged with the following companies in order to simplify the group structure:

CVR no.: 37759171 Langkilde Have ApS
CVR no.: 38791842 Peanut Holding ApS
CVR no.: 37223786 Ejendomsselskabet Arresøvej, Risskov ApS
CVR no.: 39378132 Banana Holding II ApS
CVR no.: 38221191 Banana Lindgreens Allé ApS
CVR no.: 39185989 Orange Property Holding ApS
CVR no.: 39211904 Orange 1 ApS
CVR no.: 39211939 Orange 2 ApS
CVR no.: 39211947 Orange 3 ApS
CVR no.: 39186217 Tangerine Holding ApS
CVR no.: 39081520 Orange 4 ApS
CVR no.: 39186357 Clementine Property Holding ApS
CVR no.: 39212048 Orange 9 ApS

The merger has been conducted with participation of companies under the same parent company (common control). Assets and liabilities are measured at book-value and comparative figures have been adjusted for the merger.

In connection with the merger, there has been a capital increase of the company's equity of T.DKK 248.480. The changes can be specified as follows:

	Contributed capital	Reserve for net revaluation of investment assets	Retained earnings	Total
Equity 1 January 2020	51.000	10.493.097	15.017.622	25.561.719
Transfer of reserve for net revaluation of investment assets by merger	0	-10.493.097	10.493.097	0
Effect of merger	0	0	248.479.925	248.479.925

Equity 31 December 2021	51.001	0	319.791.554	319.842.555

The accounting policies applied for the merged company remain unchanged from last year.

Accounting Policies

Reporting currency

The annual report is presented in Danish kroner.

Translation policies

Transactions in foreign currencies are translated into DKK at the exchange rate prevailing at the date of transaction. Monetary assets and liabilities in foreign currencies are translated into DKK based on the exchange rates prevailing at the balance sheet day. Realised and unrealised foreign exchange gains and losses are included in the income statement under financial income and expenses.

General information

Basis of recognition and measurement

Income is recognised in the income statement as it is earned, including value adjustments of financial assets and liabilities that are measured at fair value or amortized cost. Moreover, all expenses incurred to achieve the earnings for the year are recognised in the income statement, including depreciation, amortization, impairment losses and provisions as well as reversals due to changed accounting estimates of amounts that have previously been recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will accrue to the Company, and the value of the asset can be measured reliably.

Liabilities are recognised in the balance sheet when it is probable that future economic benefits attributable to the asset will flow out of the Company, and the value of the liability can be measured reliably.

At initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each item below.

Certain financial assets and liabilities are measured at amortised cost, which involves the recognition of a constant effective interest rate over the term. Amortised cost is calculated as original cost less repayments and with the addition/deduction of the accumulated amortisation of the difference between the cost and the nominal amount. This way, exchange losses and gains are allocated over the term.

In connection with recognition and measurement, consideration is given to predictable losses and risks occurring prior to the presentation of the financial statement, i.e. losses and risks which prove or disprove matters which exist at the balance sheet date.

Income statement

Gross profit/loss

The Company has decided to aggregate certain items of the income statement in accordance with the provisions of Section 32 of the Danish Financial Statements Act.

Gross profit is a combination of the items of revenue and other external expenses.

Revenue

Revenue comprises rental income from the leases of properties. Revenue is recognised on an actual basis.

Revenue is measured net of all types of discounts/rebates granted. Also, revenue is measured net of VAT and other indirect taxes charged on behalf of third parties.

Other external expenses

Other external costs include costs for administration, property costs, loss of debtors etc.

Property costs include costs incurred in operating the company's property portfolio in fiscal year, including repair and maintenance costs, property taxes and electricity, water and heat that is not charged directly to the tenants.

Accounting Policies

Fair value adjustment of investment properties

Adjustments of investment properties measured at fair value are recognised as a separate item in the income statement.

Financial income and expenses

Financial income and expenses are recognised in the Income Statement based on the amounts that concern the financial year. Financial income and expenses include interest income and expenses, financial expenses of finance leases, realised and unrealised capital gains and losses regarding securities, accounts payable and transactions in foreign currencies, repayment on mortgage loans, and surcharges and allowances under the tax prepayment scheme.

Dividends from other investments are recognised as income in the financial year in which the dividends are declared.

Tax on net profit for the year

Tax on net profit/loss for the year comprises current tax on expected taxable income of the year and the year's adjustment of deferred tax less the part of the tax of the year that relates to changes in equity. Current and deferred tax regarding changes in equity is recognised directly in equity.

Balance sheet

Investment property

Investment property comprises investment in land and buildings for the purpose of achieving a return on the invested capital in the form of regular operating income and a capital gain on resale.

On initial recognition, investment properties are measured at cost, which comprises the cost of the property and any directly related expenses.

After the initial recognition, investment properties are measured at fair value. Value adjustments of investment properties are recognised in the income statement.

Fair value is the amount for which the property could be exchanged between knowledgeable, willing parties in an arm's length transaction on the balance sheet date. The determination of fair value involves material accounting estimates.

An independent assessor firm has assessed the fair value of investment properties.

The fair value is determined using a DCF model, where the expected future cash flows are discounted to the present value. The calculations are based on the property's budget for the coming years.

The estimates applied are based on the information and assumptions considered reasonable by Management but which are inherently uncertain and unpredictable. Actual events or circumstances will probably differ from the assumptions made in the calculations as often-assumed events do not occur as expected. Such difference may be material.

Receivables

Receivables are measured at amortized cost which usually corresponds to the nominal value. The value is reduced by write-downs for expected bad debts.

Impairment of accounts receivables past due is established on individual assessment of receivables.

Cash and cash equivalents

Cash comprises cash balances and bank balances.

Accounting Policies

Equity

Equity comprises the working capital and a number of equity items that may be statutory or stipulated in the articles of association.

Deferred tax

Deferred tax and the associated adjustments for the year are determined according to the liability method as the tax base of all temporary differences between carrying amounts and the tax bases of assets and liabilities.

Deferred tax assets, including the tax base of tax losses allowed for carryforward, are recognised at the value at which they are expected to be used, either by elimination in tax on future earnings or by set-off against deferred tax liabilities in enterprises within the same legal entity and jurisdiction.

Deferred tax is measured on the basis of the tax rules and tax rates that will be effective under the legislation applicable at the balance sheet date when the deferred tax is expected to crystallize as current tax.

Current tax liabilities

Current tax liabilities and current tax receivables are recognised in the balance sheet as estimated income tax charge for the year, adjusted for prior-year taxes and tax paid on account.

Liabilities

Financial liabilities are recognised initially at the proceeds received net of transaction expenses incurred. In subsequent periods, financial liabilities are measured at amortized cost, corresponding to the capitalized value using the effective interest method, so that the difference between the proceeds and the nominal value is recognised in the income statement over the life of the financial instrument.

Other liabilities, comprising deposits, trade payables and other payable, are measured at amortised cost, which usually corresponds to the nominal value.

Other payables

Other payables are measured at amortized cost, which usually corresponds to the nominal value.

Contingent assets and liabilities

Contingent assets and liabilities are not recognised in the Balance Sheet but appear only in the notes.
