Based on the work performed, in our opinion, the Financial Statements give a true and fair view of the financial position of the Company at 30 June 2021 and of the results of the Company's operations for the financial year 1 July 2020 - 30 June 2021 in accordance with the Danish Financial Statements Act.

## Basis for Conclusion

We conducted our extended review in accordance with the Danish Business Authority's Assurance Standard for Small Enterprises and FSR – Danish Auditors' standard on extended review of financial statements prepared in accordance with the Danish Financial Statements Act. Our responsibilities under those standards and requirements are further described in the "Practitioner's responsibilities for the extended review of the Financial Statements" section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

## Management's responsibility for the Financial Statements

Management is responsible for the preparation of Financial Statements that give a true and fair view in accordance with the Danish Financial Statements Act, and for such internal control as Management determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the Financial Statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

## Practitioner's responsibilities for the extended review of the Financial Statements

Our responsibility is to express a conclusion on the Financial Statements. This requires that we plan and perform procedures to obtain limited assurance in respect of our conclusion on the Financial Statements and, moreover, that we perform supplementary procedures specifically required to obtain additional assurance in respect of our conclusion.

An extended review consists of making inquiries, primarily of Management and others within the enterprise, as appropriate, and applying analytical procedures and the supplementary procedures specifically required as well as assessing the evidence obtained.

An extended review is less in scope than an audit and, consequently, we do not express an audit opinion on the Financial Statements.
