Revisors erklæring om opstilling af finansielle oplysninger

To the management of Kaukua Holding IVS

The Board of Directors has today considered and approved the annual report for Kaukua Holding IVS on 1 March 2018 - 31 December 2018.

We have prepared the annual accounts of Kaukua Holding IVS for the financial year 01 March 2018 - 31 December 2018 on the basis of the company's accounting and other information provided by the management.

The financial statements include accounting policies, income statement, balance sheet and notes. We have performed the task in accordance with ISRS 4410, Tasks on the preparation of financial information.

We have used our professional expertise to assist the management in preparing and presenting the financial statements in accordance with the Danish Financial Statements Act.

We have complied with the relevant provisions of the Auditing Act and FSR - Danish auditors' ethical rules for auditors, including principles concerning integrity, objectivity, professional competence and due diligence.

The financial statements and the accuracy and completeness of the information used for the preparation of the financial statements are the responsibility of management.

As a financial information statement is not a certainty statement, we are not required to verify the accuracy or completeness of the information provided to us by management for the purpose of preparing the financial statements.

We therefore do not express an audit or review conclusion on whether the financial statements have been prepared in accordance with the Danish Financial Statements Act.

Anvendt regnskabspraksis

Årsrapporten er aflagt i overensstemmelse med årsregnskabslovens bestemmelser for Regnskabsklasse B.

Income statement

Gross Profit

The company applies the provision in section 32 of the Danish Financial Statements Act, according to which the company's turnover is not disclosed. Gross profit is a summary of net sales, change in stocks of finished goods and goods in production less costs for goods and consumables and other external costs.

Net sales

Income from the sale of merchandise and finished goods is recognized in the income statement if the risk transfer, usually on delivery to the buyer, has taken place, and if the income can be calculated reliably and is expected to be received.

Other external costs

Other external costs include costs for the auditor, lawyer and quotas, etc.

Income tax expense

Tax on the profit for the year, which consists of the current tax for the year and a shift in deferred tax, is recognized in the income statement with the part attributable to the profit for the year and directly on equity with the part attributable to entries directly on equity.

Balance

receivables

Receivables are measured at amortized cost, which usually corresponds to nominal value. Write down for expected losses.

Liabilities

Other liabilities are measured at amortized cost, corresponding to nominal value.

Corporation

Current tax liabilities and current tax receivable are recognized in the balance sheet as calculated tax on the year's taxable income, adjusted for tax adjustments relating to previous years' taxable income and for paid tax on account.

Long term Investments In Group Enterprises

Are been calculated by the cost price method to show the cost of the purchase of group entities.
