## **Statement by the Executive Board**

Today, the Executive Board has discussed and approved the annual report of TBAC ApS for the financial year 1 January - 31 December 2021.

The annual report is prepared in accordance with the Danish Financial Statements Act.

In my opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2021 and of the results of the Company's operations for the financial year 1 January - 31 December 2021.

Further, in my opinion, the Management's review gives a fair review of the matters discussed in the Management's review.

I recommend that the annual report be approved at the annual general meeting.

Copenhagen, 10 May 2022  
Executive Board:

---

Ulrik Monberg

## Independent auditor's report

To the shareholders of TBAC ApS

### Opinion

We have audited the financial statements of TBAC ApS for the financial year 1 January - 31 December 2021, which comprise income statement, balance sheet, statement of changes in equity and notes, including accounting policies. The financial statements are prepared in accordance with the Danish Financial Statements Act.

In our opinion, the financial statements give a true and fair view of the financial position of the Company at 31 December 2021 and of the results of the Company's operations for the financial year 1 January - 31 December 2021 in accordance with the Danish Financial Statements Act.

### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) and the additional requirements applicable in Denmark. Our responsibilities under those standards and requirements are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Independence

We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (IESBA Code) and the additional ethical requirements applicable in Denmark, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

### Management's responsibilities for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the Danish Financial Statements Act and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting in preparing the financial statements unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit conducted in accordance with ISAs and the additional requirements applicable in Denmark, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

## Independent auditor's report

- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- ▶ Conclude on the appropriateness of Management's use of the going concern basis of accounting in preparing the financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and contents of the financial statements, including the note disclosures, and whether the financial statements represent the underlying transactions and events in a manner that gives a true and fair view.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### Statement on the Management's review

Management is responsible for the Management's review.

Our opinion on the financial statements does not cover the Management's review, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Management's review and, in doing so, consider whether the Management's review is materially inconsistent with the financial statements or our knowledge obtained during the audit, or otherwise appears to be materially misstated.

Moreover, it is our responsibility to consider whether the Management's review provides the information required under the Danish Financial Statements Act.

Based on the work we have performed, we conclude that the Management's review is in accordance with the financial statements and has been prepared in accordance with the requirements of the Danish Financial Statement Act. We did not identify any material misstatement of the Management's review.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies

The annual report of TBAC ApS for 2021 has been prepared in accordance with the provisions in the Danish Financial Statements Act applying to reporting class B entities and elective choice of certain provisions applying to reporting class C entities.

The accounting policies used in the preparation of the financial statements are consistent with those of last year.

#### Reporting currency

The financial statements are presented in Danish kroner (DKK).

#### Income statement

##### Revenue

Income from the rendering of services is recognised as revenue as the services are rendered. Accordingly, revenue corresponds to the market value of the services rendered during the year (percentage-of-completion method).

Revenue is measured at the fair value of the agreed consideration excluding VAT and taxes charged on behalf of third parties. All discounts and rebates granted are recognised in revenue.

##### Gross profit

The items revenue, cost of sales and external expenses have been aggregated into one item in the income statement called gross profit in accordance with section 32 of the Danish Financial Statements Act.

##### Other external expenses

Other external expenses include the year's expenses relating to the Company's core activities, including expenses relating to distribution, sale, advertising, administration, premises, bad debts, payments under operating leases, etc.

##### Depreciation

The item comprises depreciation of property, plant and equipment.

The basis of depreciation, which is calculated as cost less any residual value, is depreciated on a straight line basis over the expected useful life. The expected useful lives of the assets are as follows:

Fixtures and fittings, other plant and equipment	5 years
--	---------

##### Financial expenses

Financial expenses are recognised in the income statements at the amounts that concern the financial year. Net financials include interest expenses as well as allowances and surcharges under the advance-payment-of-tax scheme, etc.

##### Tax

Tax for the year includes current tax on the year's expected taxable income and the year's deferred tax adjustments. The portion of the tax for the year that relates to the profit/loss for the year is recognised in the income statement, whereas the portion that relates to transactions taken to equity is recognised in equity.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies (continued)

The Company and its Danish group entities are jointly taxed. The total Danish income tax charge is allocated between profit/loss-making Danish entities in proportion to their taxable income (full absorption).

Jointly taxed entities entitled to a tax refund are reimbursed by the management company based on the rates applicable to interest allowances, and jointly taxed entities which have paid too little tax pay a surcharge according to the rates applicable to interest surcharges to the management company.

### Balance sheet

#### Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses. Cost includes the acquisition price and costs directly related to the acquisition until the time at which the asset is ready for use.

#### Impairment of fixed assets

The carrying amount of property, plant and equipment in subsidiaries and associates is assessed for impairment on an annual basis.

Impairment tests are conducted on assets or groups of assets when there is evidence of impairment. The carrying amount of impaired assets is reduced to the higher of the net selling price and the value in use (recoverable amount).

The recoverable amount is the higher of the net selling price of an asset and its value in use. The value in use is calculated as the present value of the expected net cash flows from the use of the asset or the group of assets and the expected net cash flows from the disposal of the asset or the group of assets after the end of the useful life.

Previously recognised impairment losses are reversed when the reason for recognition no longer exists.

#### Receivables

Receivables are measured at amortised cost.

An impairment loss is recognised if there is objective evidence that a receivable is impaired. If there is objective evidence that an individual receivable has been impaired.

Impairment losses are calculated as the difference between the carrying amount of the receivables and the present value of the expected cash flows, including the realisable value of any collateral received.

#### Prepayments

Prepayments recognised under "Assets" comprise prepaid expenses regarding subsequent financial reporting years.

#### Cash

Cash comprise cash and short term securities which are readily convertible into cash and subject only to minor risks of changes in value.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 1 Accounting policies (continued)

##### Equity

###### *Proposed dividends*

Dividend proposed for the year is recognised as a liability once adopted at the annual general meeting (declaration date). Dividends expected to be distributed for the financial year are presented as a separate item under "Equity".

##### Income taxes

Current tax payables and receivables are recognised in the balance sheet as the estimated income tax charge for the year, adjusted for prior-year taxes and tax paid on account.

Deferred tax is measured according to the liability method on all temporary differences between the carrying amount and the tax base of assets and liabilities.

Deferred tax is measured according to the tax rules and at the tax rates applicable at the balance sheet date when the deferred tax is expected to crystallise as current tax. Deferred tax assets are recognised at the expected value of their utilisation; either as a set-off against tax on future income or as a set-off against deferred tax liabilities in the same legal tax entity. Changes in deferred tax due to changes in the tax rate are recognised in the income statement.

##### Other payables

Other payables are measured at net realisable value.

##### Deferred income

Deferred income recognised as a liability comprises payments received concerning income in subsequent financial reporting years.

## Financial statements 1 January - 31 December

### Notes to the financial statements

#### 2 Staff costs

The Company has no employees.

	DKK	2021	2020
<b>3 Tax for the year</b>			
Estimated tax charge for the year	990,030	808,088	
	<b>990,030</b>	<b>808,088</b>	

#### 4 Property, plant and equipment

	DKK	Fixtures and fittings, other plant and equipment
Cost at 1 January 2021	53,187	
Cost at 31 December 2021	53,187	
Impairment losses and depreciation at 1 January 2021	23,441	
Depreciation	10,637	
Impairment losses and depreciation at 31 December 2021	34,078	
<b>Carrying amount at 31 December 2021</b>	<b>19,109</b>	

#### 5 Contractual obligations and contingencies, etc.

The Company is jointly taxed with its parent which acts as management company, and is jointly and severally liable with other jointly taxed group entities for payment of income taxes for the income as well as withholding taxes on interest, royalties and dividends.

#### 6 Collateral

The Company has not provided any security or other collateral in assets at 31 December 2021.
