MANAGEMENT'S STATEMENT

Today the Executive Board has discussed and approved the Annual Report of VIMaLux ApS for the period 15. oktober 2018 - 31. december 2019.

The Annual Report has been prepared in conformity with the Financial Statements Act.

The unaudited Annual Report has been prepared in conformity with the Financial Statements Act. The Executive Board considers the conditions for not performing an audit to have been met.

In my opinion, the financial statements give a true and fair view of the Company's assets, equity, liabilities and financial position at 31. december 2019 and of its financial performance for the period 15. oktober 2018 - 31. december 2019.

In my opinion the Management commentary includes a fair review of the matters described.

We recommend that the Annual Report be approved by the Annual General Meeting.

Roskilde, den 11 / 09 - 2020

AUDITORS' COMPILATION REPORT ON FINANCIAL STATEMENTS

To Management of VIMaLux ApS

We have compiled these financial statements of VIMaLux ApS for the period 15. oktober 2018 - 31. december 2019 based on the bookkeeping records of the Company and other information provided by you.

The financial statements include accounting policies, income statement, balance sheet and notes.

We have performed the compilation in accordance with ISRS 4410, Compilation Engagements.

We have applied our professional expertise to assist you in preparing and presenting the financial statements in conformity with the Danish Financial Statements Act. We have observed the relevant provisions of the Danish Act on Approved Auditors and Audit Firms and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and the additional requirements applicable in Denmark.

The financial statements and the accuracy and completeness of the information used to compile the financial statements are your responsibility.

As a compilation engagement is not an assurance engagement, we are not required to verify the accuracy or completeness of the information you provided to us for use in the compilation of these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on whether the financial statements have been prepared in conformity with the Danish Financial Statements Act.

MANAGEMENT COMMENTARY

Main activities of the Company

Main activities of the Company is to sell and design light sources and related business.

Development in the activities and the financial situation of the Company

The Company has continued its operations. No significant one-off events occurred in the financial year that need to be included in the management commentary.

The Company's continuing operations are conditional on the main capital owners still providing the necessary liquidity. We expect this to happen. We refer to note 1 in the financial statements.

The Company has lost more than half of the share capital, but expects to restore its capital through earnings.

Material events after the reporting date

No events have occurred after the reporting date that may materially affect the financial position of the company.

ACCOUNTING POLICIES

GENERAL INFORMATION

The annual report for ViMaLux ApS for 2018/19 has been prepared in accordance with the provisions of the Danish Financial Statements Act for companies in Class B, with the option of individual rules of Class C companies.

The current year is the first financial period of the Company, for which reason no comparative figures are disclosed in the income statement, balance sheet and notes.

Recognition and measurement in general

The financial statements have been prepared under the historical cost convention.

Income is recognised in the income statement when earned. Value adjustments of financial assets and liabilities measured at fair value or amortised cost are also recognised in the income statement. Costs incurred to generate the earnings for the year are also recognised in the income statement, including amortisation, depreciation, impairment losses and provisions as well as reversals resulting from changed accounting estimates of amounts previously recognised in the income statement.

Assets are recognised in the balance sheet when it is probable that future financial benefits will flow to the Company and it is possible to obtain a reliable measurement of the individual assets.

Liabilities are recognised in the balance sheet when it is probable that future financial benefits will flow from the Company and it is possible to obtain a reliable measurement of the individual liabilities.

On initial recognition, assets and liabilities are measured at cost. Subsequently, assets and liabilities are measured as described for each item.

The functional currency used is Danish kroner. All other currencies are considered foreign currencies.

INCOME STATEMENT

General Information

Certain income and expenses have been aggregated in the item designated 'Gross profit' with reference to section 32 of the Financial Statements Act.

Gross profit

Gross profit is a combination of the items of 'Revenue', 'Change in inventories of finished goods, work in progress and goods for resale', 'Other operating income', 'Cost of raw materials and consumables' and 'Other external costs'.

Revenue

Revenue from the sale of goods for resale and finished goods is recognised in the income statement if the goods have been delivered and the risk has passed to the buyer before year-end. Revenue is recognised exclusive of VAT and net of sales discounts.

ACCOUNTING POLICIES

Other operating income and expenses

Other operating income and expenses comprise items relating to activities secondary to the activities of the enterprise, including profit and loss from the disposal of property, plant and equipment.

Cost of raw materials and consumables

Cost of raw materials and consumables Includes the cost of goods purchased less discounts and changes in inventories for the year.

Other external expenses

Other external expenses include costs for sales, advertising, administration, premises, bad debts, rental expenses under operating leases, etc.

Staff costs

Staff costs include wages, salaries and other pay-related costs, such as sickness benefits for enterprise employees less wage/salary reimbursement from the Government.

Financial income and expenses

Financial income and expenses are recognised in the income statement based on the amounts which relate to the financial year. Financial income and expenses include interest revenue and expenses, finance charges in respect of finance leases, realised and unrealised capital gains and losses on securities, accounts payable and transactions in foreign currencies, repayment on mortgage loans, and surcharges and allowances under the tax prepayment scheme. Dividends from other equity investments are recognised as income in the financial year in which the dividends are declared.

Tax on net profit for the year

Tax for the year comprises current tax and changes in deferred tax. The share attributable to the profit or loss for the year is recognised in the income statement, and the share attributable directly to equity is recognised directly in equity.

Any change in deferred tax as a result of changes in the tax rate, the share attributable to the profit is recognised in the income statement, and the share attributable directly to equity is recognised directly in equity.

BALANCE SHEET

Receivables

Receivables are measured at amortised cost, which normally corresponds to the nominal value. The value is reduced by an allowance for expected impairment losses.

ACCOUNTING POLICIES

Contract work in progress

Contract work in progress is measured at the selling price of the work performed. The selling price is measured by reference to the stage of completion at the reporting date and total expected income from the work in progress.

Where it is difficult to determine a reliable selling price, the selling price is measured at the lower of costs incurred and the net realisable value.

Work in progress is recognised in the balance sheet under receivables or payables depending on the net value of the selling price less invoicing on account.

Prepayments from customers are recognised under liabilities.

Advertising and promotional costs and costs of negotiating contracts are expensed as incurred.

Contract work in progress is measured at the lower of cost and the net realisable value.

Work in progress is recognised in the balance sheet under receivables or payables depending on the net value of cost less invoicing on account.

Prepayments from customers are recognised under liabilities.

Advertising and promotional costs and costs of negotiating contracts are expensed as incurred.

Prepayments

Prepayments recognised under assets include costs already defrayed but relating to the subsequent financial year.

Corporate income tax and deferred tax

Current tax liabilities and current tax receivable are recognised in the balance sheet as calculated tax on the taxable income for the year, adjusted for tax on the taxable income for previous years and tax paid on account.

Deferred tax is measured using the balance-sheet liability method on temporary differences arising between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases. In cases where the tax base can be determined under alternative taxation rules, such as in relation to shares, deferred tax is measured on the basis of the intended use of the asset or settlement of the liability.

ACCOUNTING POLICIES

Deferred tax assets, including the tax base of tax losses allowed for carryforward, are measured at their anticipated net realisable value, either by elimination in tax on future earnings or by offsetting against deferred tax liabilities within the same legal tax entity. Any deferred net tax assets are measured at their net realisable values.

Payables

Financial liabilities are recognised initially at the proceeds received net of transaction expenses incurred. In subsequent periods, financial liabilities are measured at amortised cost, corresponding to the capitalised value using the effective interest method, so that the difference between proceeds and nominal value is recognised in the income statement over the life of the financial instrument(s).
